Web Radio Chris Priestman,2001-12-13 Anyone wanting to set up a low cost web radio station will benefit from the advice and information provided by this book. Not only will you gain technical and practical know-how to enable your station to go live, but also an appreciation of the legal and copyright implications of making radio, potentially for international audiences and in the rapidly evolving environment of the web. To succeed, your radio content will need to be carefully planned and your station properly promoted. Advice is given on taking advantage of the scalability web radio introduces for building audiences in line with your resources, for scheduled live output and for making programmes available on demand, including music, news, speech radio and audience participation. Case studies from around the world are provided to demonstrate how different radio organisations are applying the new flexibility web radio has to offer in a wide range of situations. Together with its associated website www.web-radio-book.com, the book also acts as a starting point for locating a range of sources for further advice and lines of research. Learn how to: - go live with your own low cost web radio station (either managing the server yourself or using a host service) - assess the right server set-up to handle the number of simultaneous listeners expected - get the best sound quality to your listeners - take account of the range of devices available for receiving web radio - plan your station, programming and associated website - identify and reach your audience - build audience feedback and data into your station's strategy - tackle the additional legal and ethical dimensions of radio on the web - source more detailed information

Essential Articulate Studio '09 Patti Shank, Jennifer Bircher, 2009-06-18 Essential Articulate Studio '09 is designed to help novice to intermediate users of Articulate Studio '09 get the most from using these tools—Presenter, Engage, Quizmaker, and Video Encoder—to develop quality informational and instructional materials. It was written with the following goals in mind: Help new users get up to speed as quickly and painlessly as possible Assist users of previous versions of Articulate Studio (and previous versions of Presenter, Engage, and Quizmaker) in capitalizing on improvements made to these tools in the '09 versions Provide tips and tools that make information presentation and instruction faster, easier, and better Help new and previous users develop information and instruction that is more valuable for the intended audience(s) This book is unique because it can serve as both a tutorial for the Studio '09 products and as a primer on designing and building good information and instruction with these tools. The advice and insights are practical and take into account the we-need-it-yesterday environments that most people who use these tools operate in. Many books about online learning discuss how to build good instruction, but this book actually shows you how to build it, using some of the best authoring tools in the industry.

Putting the Web to Work David D. Thornburg, 1996

Web Presenter: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
