The Wedding Countdown (Mills & Boon Cherish) Barbara Hannay,2014-10-27 With just four days to go until Tessa's big day, Isaac Masters has come home! The soul mate she always dreamed would be her husband, Isaac is now more attractive than ever. And when he stands in for her self-centered fiancé at the wedding rehearsal, Tessa knows she is marrying the wrong man.

Countdown to Your Perfect Wedding Joyce Scardina Becker,2007-04-01 Planning a wedding can be an exciting, overwhelming, and time consuming endeavor. COUNTDOWN TO YOUR PERFECT WEDDING will give brides the exact amount of information they need to plan the wedding they want. It breaks down pre-wedding tasks into manageable bits of information and serves as a point-by-point checklist so that nothing slips through the cracks and nothing is left undone. Unlike other books, COUNTDOWN is arranged on a 52-week timeline (one year is the average amount of time brides take to plan a wedding) that explains what needs to be done when. Each week will feature an essential aspect of a beautiful wedding and will include tips and insider information on how brides can get what they want, budgeting considerations, definition of terms, as well as feature information for Brides On A Budget and When Money Is No Object. For brides who wish they could hire a wedding planner but can't afford one, this book will hold their hand through the process so they can plan the wedding of their dreams.

Wedding Countdown Tracee Williams,Lisa Odierno,2009-04-01 The Disney princesses count down the items needed for the preparation of their weddings, from ten invitations to one wedding dress, and count up from one princely groom to ten celebratory flowers. On board pages.

Countdown to the Perfect Wedding Teresa Hill,2010-08-01 It was the break that chef and single mom Amy Carson was waiting for—catering to the culinary needs of a ritzy wedding party. Accidentally spilling powdered sugar all over the groom was her first mistake. Not being able to take her eyes off the devastatingly handsome man when the sweet cloud settled was her second. Tate Darnley approached his nuptials like a business transaction—the bride looked good on paper, but romance wasn't a factor. The minute he met attractive, unassuming Amy, he knew there was more to marriage than sealing the deal. Now, as the clock ticked down to his perfect wedding, he had to ask himself—which woman would he marry?

Countdown to the Perfect Wedding Teresa Hill,Mindy Klasky,2013-06-07 COUNTDOWN TO THE PERFECT WEDDING Tate Darnley approached his nuptials like a business transaction - romance wasn't a factor. But the minute he met unassuming chef and single mum Amy, he knew there was more to marriage than sealing the deal.

Countdown for Couples Dale Mathis,Susan Mathis,2012-03-24 Research and common sense indicate that engaged couples will eventually have stronger, more successful marriages if they get good premarital counseling. Many churches now require such counseling, yet many Christian couples still enter marriage without that preparation. Countdown for Couples will fill that void. It will help couples learn about each other, and themselves individually, as well as their relational skills and compatibility as a couple.
