*The Westminster Confession of Faith* (西敏斯特信条) The Westminster Divines,2011-10-15

**The Westminster confession of faith, with notes by J. Macpherson** Assembly of divines confess,1881

*Truths We Confess* Robert Charles Sproul,2019 The Westminster Confession of Faith is one of the most precise and comprehensive statements of biblical Christianity, and it is treasured by believers around the world. Dr. R.C. Sproul has called it one of the most important confessions of faith ever penned, and it has helped generations of Christians understand and defend what they believe. In *Truths We Confess*, Dr. Sproul introduces readers to this remarkable confession, explaining its insights and applying them to modern life. In his signature easy-to-understand style and with his conviction that everyone's a theologian, he provides valuable commentary that will serve churches and individual Christians as they strive to better understand the eternal truths of Scripture. As he walks through the confession line by line, Dr. Sproul shows how the doctrines of the Bible--from creation to covenant, sin to salvation--fit together to the glory of God. This accessible volume is designed to help you deepen your knowledge of God's Word and answer the question, What do you believe?

*The Westminster Confession Of Faith* Westminster Assembly, The Westminster Confession of Faith is a Reformed confession of faith, in the Calvinist theological tradition. Although drawn up by the 1646 Westminster Assembly, largely of the Church of England, it became and remains the 'subordinate standard' of doctrine in the Church of Scotland, and has been influential within Presbyterian churches worldwide.

**The Westminster Confession of Faith Study Book** Joseph A. Pipa,2012-09-20 The Westminster Confession is a foundational document for churches worldwide. However, how many people actually have any real knowledge of the Confession? Pipa has produced an accessible, user- friendly study aid to illuminate the Westminster Confession by showing that it is as relevant to us today as it was to the original audience.

**Hold Fast the Faith** Matthew Everhard,2012-12-06 Furthermore, confessions and creeds serve to help assure that the doctrinal faith that we articulate today has not subtly changed over time, subject to the warping influence of secular society. Creeds stand as ancient landmarks denoting the location of believers' hearts in history. Noting where one deviates from an ancient creed gives a person a distinct idea about where his or her own theological convictions stand in relation to other believers throughout history. Perhaps this also helps us to discover what direction we are moving. Are we moving closer to Christ? To God's Word? To the heart of God Himself? Or are we moving further away? The confession that I will be recommending to you in this volume is the standard-bearing creed in the Presbyterian or Reformed branch of Christianity. Influenced heavily by the thinking of Reformation theologian John Calvin (1509-1564), the Westminster Confession (1647) is a confessional exemplar of Reformed theology.<sup>2</sup> The Westminster Confession of Faith is the premiere example of theological intellectualism absorbed in the beauty of the sovereignty of God. The Westminster Confession, and Calvin before it for that matter, were both completely committed to the theological concept that God is sovereign over the entire universe. Therefore, as you study this Confession you will undoubtedly encounter the Living God as ruler of the cosmos, the world, the events of your life, and hopefully your heart.

*The Westminster Confession of Faith* Gerald Irvin Williamson,2003-11 Now in a new, attractive format, this comprehensive study manual shows the Westminster Confession to be an unsurpassed summary of biblical teaching for doctrine and life. Book jacket.

*Faith of Our Fathers* Wayne R. Spear,2006 People are returning by the thousands to the study of the Westminster Confession. Helping a new generation to understand and apply the Scriptures, the Confession is being rediscovered as a valuable summary of Bible teaching, pointing students to the authority of the Scriptures. *Faith of Our Fathers* is a concise and contemporary look at the Confession, a document written over 350 years ago.Author Wayne Spear offers historical background and paragraph-by-paragraph commentary to help the 21st century layperson to glean the treasures of the Confession. What is more, Spear demonstrates the value of the Confession in everyday application and devotional use?keeping the Christian from error and holding up a mirror to self-righteousness. Paper, 176 pp.

**The Westminster Confession of Faith and the Cessation of Special Revelation** Garnet Howard Milne,2007-12-01 In the opening chapter of the Confession, the divines of Westminster included a clause that implied that there would no longer be any special immediate revelation from God. Means by which God had once communicated the divine will, such as dreams, visions, and the miraculous gifts of the Spirit, were said to be no longer available. However, many of the authors of the WCF accepted that prophecy continued in their time, and a number of them apparently believed that disclosure of God's will through dreams, visions, and angelic communication remained possible. How is the cessationist clause of WCF 1:1 to be read in the light of these claims? This book reconciles this paradox in a detailed study of the writings of the authors of the Westminster Confession of Faith.

*The Westminster Confession of Faith* Gerald Irvin Williamson,1964

*The Westminster Confession of Faith* Rowland S. Ward,2021-06-14 Rowland S. Ward's guide has served as an invaluable resource for many wishing to understand the rich theological tapestry of the Westminster Confession. In this revised and expanded volume, Ward has sought to bring further clarity to, and appreciation for, this great summary of doctrinal truth. If you are looking for an easy to read exposition of the Confession with sharp analysis of its contents and relevant discussion questions -- look no further.

**The Confession of Faith** John R. Bower,2013-11

*How Shall We Revise the Westminster Confession of Faith?* Llewelyn John Evans,1890

*Larger Catechism Agreed Upon by the Assembly of Divines at Westminster* ,1814

**The Westminster Confession of Faith** The Westminster Divines,2016-04-14 The Westminster Confession of Faith is the greatest of all the creeds of the Christian Church. Since its first publication in 1646 it has remained absolutely unsurpassed as an accurate and concise statement of Christian doctrine. Among all the shifting sands of theological opinion here is solid truth, for it has its foundation in the unchanging truth of Scripture--witness the copious references from the Bible which are printed on each page. Because of its faithfulness to Scripture the Confession has permanent worth and abiding relevance. The Church of Christ cannot be creedless and live. Especially in an age of doubt and confusion, it is her duty to define the Christian faith and to proclaim it to the world. Nowhere has the Reformed Church done this so effectively as in The Westminster Confession of Faith. While always recognising the supreme place of the Word of God in all matters of faith and practice, one can always turn to the Confession as one's subordinate standard. Here readers will find spiritual treasure; here too they will find comfort and strength. Also contained in this volume are the magnificent Larger and Shorter Catechisms, The Sum of Saving Knowledge, The National Covenant, The Solemn League and Covenant, The Directory for the Public Worship of God, The Form of Presbyterial Church Government, and The Directory for Family Worship.

*The Creedal Imperative* Carl R. Trueman,2012-09-30 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition. The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity's ancient roots. Carl Trueman offers an analysis of why creeds and confessions are necessary, how they have developed over time, and how they can function in the church of today and tomorrow. He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches—Baptists, independents, etc.—so that they will see more clearly the usefulness of the church's tradition.

**The 1647 Westminster Confession of Faith - KJV** The Westminster Assembly,C. Matthew McMahon,2012-09-07 This volume is the original 1647 version of the Westminster Confession of Faith, and all Assembly documents which comprise the Solemn League and Covenant, the Larger and Shorter Catechisms, the Form of Presbyterial Church Government, and the directories for Public and Private Worship. Also included are

subordinate documents such as the Sum of Saving Knowledge as well as Thomas Manton's Introduction. The Confession and Larger and shorter Catechism are proved by Scripture using the Authorized Version (the King James) as published in 1647 by the Assembly. Some years later, in 1652, the Larger and Shorter Catechism were also published as proved by the KJV version of Scripture. The 1647 Westminster Confession of Faith is the most precise and theologically rich confession produced by the Christian Church. Though the Christian Church takes the whole Word of God alone as her only rule of faith, she must also frame and promote a statement of what she understands the Word of God to teach. Thus, the church of Jesus Christ, in contending for the faith once delivered to the saints, should rely on the BEST confession available. This is it! This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read, and has an active table of contents for electronic versions.

*Confessing the Faith* Chad B. Van Dixhoorn,2014 This accessible, biblical, and thoughtful work digests years of study and teaching into bite-sized sections. Van Dixhoorn's work is historical and practical in its focus. It deliberately presents readers with more than another survey of Reformed theology; it offers a guide to a particular text, considers its original proof-texts, and seeks to deepen our understanding of each paragraph of the Confession.

**A Guide to the Westminster Confession of Faith and Larger Catechism, with Scripture Proofs** James E. BORDWIINE,1991 In this volume are the complete texts of the Westminster Confession of Faith (both the original and American versions) and the Larger Catechism, together with Scripture proofs and a unique topical index to both the Confession and the Catechism. A Guide to The Westminster Standards will be a great help in understanding the Bible and its most complete summaries, the Westminster Standards.
