**The Immortal Throne** Bree Despain,2016-10-01 Daphne Raines knew it was risky to enter the underworld to save the love of her life, Haden, who had sacrificed his own honor as an Underlord for her sake. But she could never have predicted that she'd end up betrothed to Haden's conniving half-brother, Garrick, new King of the Underrealm—and bound to his dark world. Even worse, Haden is banished to the mortal realm, and has just days to live as poison takes over his body and mind. Only Daphne's kiss can save him, but how can she escape Garrick and reach Haden in time? Surprises lurk around every corner in the final chapter of this epic romance story, as Haden and Daphne fight to fulfill their destinies.

**The National Stockman and Farmer**, 1922

The Longing in Me Sheila Walsh, 2016-04-05 Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you'd never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren't going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila's and David's stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It's where they lead you that makes all the difference.

**Thrill of the Chaste** Valerie Weaver-Zercher, 2013-04-15 Take a peek beneath the bonnet. Browse the inspirational fiction section of your local bookstore, and you will likely find cover after cover depicting virtuous young women cloaked in modest dresses and wearing a pensive or playful expression. They hover innocently above sun-drenched pastures or rustic country lanes, often with a horse-drawn buggy in the background—or the occasional brawny stranger. Romance novels with Amish

protagonists, such as the best-selling trailblazer *The Shunning* by Beverly Lewis, are becoming increasingly popular with a largely evangelical female audience. *Thrill of the Chaste* is the first book to analyze this growing trend in romance fiction and to place it into the context of contemporary literature, religion, and popular culture. Valerie Weaver-Zercher combines research and interviews with devoted readers, publishers, and authors to produce a lively and provocative examination of the Amish romance novel. She discusses strategies that literary agents and booksellers use to drive the genre's popularity. By asking questions about authenticity, cultural appropriation, and commodification, *Thrill of the Chaste* also considers Amish fiction's effects on Amish and non-Amish audiences alike.
