

Wgn Radio Chicago

Mark Goldstein

Speed Jokes John Williams,2021-03-15 After the pandemic lockdown began and our collective anxiety rose, WGN Radio's John Williams started telling Speed Jokes. This book is a compilation of the jokes he shared.

Broken Mary Kevin Matthews,2016-07-25 In 2008, Kevin Matthews, a well-known ABC and CBS radio personality in Chicago, was diagnosed with multiple sclerosis. As the drive-time radio host for seventeen years and also the voice of his sports commentator, Jim Shorts, and other characters, Matthews entertained ten million listeners weekly, sold out every appearance in the Midwest, and performed in front of 65,000 fans at Grant Park. He traveled around the world, met the famous, had babies named after him, and helped countless charities. He entertained hundreds of thousands of people inside prisons, army bases, and backyards. His promotions included comedy jams, a band, barbeque throw downs, and golf outings. Broken Mary is Matthews' story of his early years in radio and stand-up comedy, his successful career, his struggle with MS, his awakening to the dignity of women, and, importantly, his chance encounter with a broken statue of Mary left next to a dumpster and all that happened as a result. Told with Matthews' signature good humor, this confession of the brokenness of mankind is touchingly honest, personally inspiring, and full of hope.

Chicago's Only Castle Errol Magidson,2023-07-30 The compelling stories of the five keepers of Chicago's only Castle, located in the Beverly neighborhood, unfold against the backdrop of Chicago's rich history.

Hemingway in Comics Robert K. Elder,2020-06-30 Ernest Hemingway casts a long shadow in literature--reaching beyond his status as a giant of 20th-century fiction and a Nobel Prize winner--extending even into comic books. Appearing variously with Superman, Mickey Mouse, Captain Marvel, and Cerebus, he has even battled fascists alongside Wolverine in Spain and teamed up with Shade to battle adversaries in the Area of Madness. Robert K. Elder's research into Hemingway's comic presence demonstrates the truly international reach of Hemingway as a pop culture icon. In more than 120 appearances across multiple languages, Hemingway is often portrayed as the hypermasculine legend: bearded, boozed up, and ready to throw a punch. But just as often, comic book writers see past the bravado to the sensitive artist looking for validation. Hemingway's role in these comics ranges from the divine to the ridiculous, as his image is recorded, distorted, lampooned, and whittled down to its essential parts. As Elder notes, comic book creators and Hemingway share a natural kinship. The comic book page demands an economy of words, much like Hemingway's less-is-more iceberg theory, only in graphic form. In addition, he turned out to be the perfect avatar for comic book artists wanting to tell history-rich stories, as he experienced beautiful places during the most chaotic times: Paris in the 1920s, Spain during the Spanish Civil War, Cuba on the brink of revolution, France during World War I and during World War II just after the Allies landed in Normandy. Hemingway in Comics provides a unique lens for considering one of our most influential authors. Not only for the dedicated Hemingway fan, this book will appeal to all those with an appreciation for comics, pop culture, and the absurd.

Second City Sinners Jon Seidel,2019-09-20 Countless criminals have made their mark on Chicago and the surrounding communities. Chicago Sun-Times journalist Jon Seidel takes readers back in time to the days when H. H. Holmes lurked in his Murder Castle and guys named Al Capone and John Dillinger ruled the underworld. Drawing upon years of reporting, and with special access to the Chicago Daily News and Chicago Sun-Times archives, Jon Seidel explains how men like Nathan Leopold, Richard Loeb, and Richard Speck tried to get away with history's most disturbing crimes. .

Chicago's WLS Radio Scott Childers,2008 From its early days as the farmer's companion to over a quarter century as the nation's premier rock-and-roll station, WLS has touched the lives of millions of listeners. Many well-known celebrities, like Gene Autry, owe their careers to the Big 89, through the famous Saturday night program The National Barn Dance. Local personalities such as Dick Biondi, Larry Lujack, and John Records Landecker became household names thanks to Chicago's 50,000-watt blowtorch. The images in Chicago's WLS Radio scan the entire history of the station, featuring engaging hosts, the biggest stars, and lots of fun. The book also covers WLS's move in the 1990s to become a leader in the news and talk format.

Stories to Tell Richard Marx,2021-07-06 *National Bestseller* Legendary musician Richard Marx offers an enlightening, entertaining look at his life and career. Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the Billboard Hot 100. His follow-up, 1989's Repeat Offender, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he's also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls. In *Stories to Tell*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching Xanadu. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven't been able to solve. *Stories to Tell* is a remarkably candid, wildly entertaining memoir about the art and business of music.

The Unplanned Life Roger Badesch,2020-05-10 It seems nothing about the life of Roger Badesch has been planned. Nearly killed as a child when he was run over by a VW minibus, losing his older brother to a drunk driver, surviving an invasive cancer, getting stuck in a blizzard, and winning an Emmy award are just some of the life-changing stories you'll share with him. His story-telling may bring a tear to your eyes, a smile to your face, and you might even shake your head in disbelief at his stupidity, but *The Unplanned Life* will also make you examine your life in a new light.

Chuck Schaden's Radio Days ,2019-06-29

Paul Harvey's the Rest of the Story Paul Harvey,Paul Aurandt,1978 Eighty-one real-life revelations behind some of history's greatest mysteries.

Vagabond's House Don Blanding,1928

I Remember Bob Collins Vicki Quade,Wally Phillips,2012-03-30 For over a decade, Chicagoans woke up to Bob Uncle Bobby Collins on their radio. The WGN-AM 720 morning radio host's death brought an outpouring of emotion and tears as Chicagoans sought to share their grief. Noted for his folksy radio personality, Collins was as genuine as he seemed and a friend with many. His charitable works, especially with the Salvation Army and WGN's Neediest Kids Fund, were unmatched. Every morning, Uncle Bobby is missed in Chicago. *I Remember Bob Collins* is a collection of anecdotes about the legendary broadcaster from his friends, fans, fellow broadcasters, and the media. Some notable figures include Wally Phillips, former governor Jim Edgar, Chicago mayor Richard Daley, Tom Collins, as well as many others who share their memories of Bob Collins.

She Said What? Turi Ryder,2019-06-11 Radio. It's almost as easy as marriage and motherhood. The excitement of a career on the air! Listeners asking for advice on dressing their girlfriends in leather bustiers; managers who believe every professional woman longs for a bouquet on Secretaries' Day; Saturday nights giving away free T-shirts and beer in country music bars; reporting on a day in the life of a dominatrix—all while juggling two kids, rescue dogs, and one cross-country move after another. Live the dream with Turi Ryder, a music jock and talk host on major-market stations from Chicago to Los Angeles, with stops in Minneapolis, Portland, and San Francisco along the way. This darkly comical, biting accurate, and lovingly fictionalized memoir will ring true for anyone who has longed for both a creative life and a family to come home to.

Lions and Tigers and Hamsters Mark Goldstein,2019-05-07 From the time Dr. Mark Goldstein was a little boy—even before he had his first dog—he was fascinated by creatures both domestic and wild. After graduating veterinary school at Cornell University, he became a veterinarian in clinical practice, then director of zoos in Boston and Los Angeles, then head of a progressive humane society where he advocated for animal welfare. During his extraordinary 30-year career, Dr. Mark has accrued a lifetime of experiences working with all sorts of animals and the people who care for them. Dr. Mark's life with animals taught him more than how to be a great doctor, it taught him how to live life. The stories in this book reflect those lessons; they

will make you laugh and cry as they entertain and amaze you. Each real-life experience sheds light on the challenges and hard work of the talented individuals who work in the world of animal welfare. These are stories that illustrate the tremendous impact animals have on our daily lives—they are hallmarks of the sacred importance of the human-animal bond. On your journey through the exhilarating life of Dr. Mark, you'll meet some of the finned, furred, and feathered animals who offered him invaluable insights—Harold the hamster, Sasha the Siberian tiger, St. Francis the German Shepherd, Ralph the buffalo, Gus the stallion, Frank the goldfish, and many more fascinating creatures!

The South Side Louis Rosen,1999-08-17 The South Side is a quietly powerful story of how a white, middle-class, and largely Jewish neighborhood, built from prairie on Chicago's far South Side in the optimistic years after World War II, rapidly and dramatically changed to a middle-class black community in the 1960s. It is a tale of two communities that collided almost by accident at a moment in America's history when race relations were starting to explode, and the profound impact this wrenching collision had on the lives of families and individuals on both sides of the event; a tale of how dreams were both realized and shattered in the confrontation between moral courage, spiritual ethics, and personal fears. The story is told in memoir and oral narrative by fifteen composite characters—two generations of former and current residents of the community, both Jewish and African American. Louis Rosen has made nothing up: the memories, thoughts, and feelings of the characters reflect exactly what was spoken during his extensive interviews. The names are fictional, but The South Side is essentially a work of nonfiction. It speaks to universal concerns: what it is like to grow up as part of a group that is outside the mainstream of American life; why the search for home is so difficult in late-twentieth-century America. The South Side is a story without obvious heroes or villains. It transcends the boundaries of specific individuals, place, and time to offer a vivid description of a struggle that is still very much a part of American life, and one that is likely to be with us for some time to come.

A Chicago Tavern Rick Kogan,2006 Chicago newspaperman Rick Kogan plunks down at a barstool at the Billy Goat Tavern and tells the tales of the city landmark, which became a haven for newspaper reporters, policemen, politicians, and anyone else drawn to the hospitality and showmanship of hardworking William “Billy Goat” Sianis and his often antic, uniquely comforting establishment. The story begins in the summer of 1934, when a baby goat fell off a truck and limped into a tavern owned by Greek immigrant William Sianis, and a Chicago icon was born. Later, when he and one of his goats were barred from entering Wrigley Field during the 1945 World Series, the Cubs’ eventual loss to Detroit fueled a legend as enduring as their fans’ “Wait ‘til next year” mantra. Kogan writes about some of the regulars, visitors, employees, and luminaries found at the tavern, including columnist Mike Royko and the young stars who immortalized the tavern in the Saturday Night Live Olympia Diner skit—John Belushi, Bill Murray, and Don Novello—and discusses Sam Sianis, Billy's nephew and the current owner. Let the Goat In! In the summer of 1934, a baby goat fell off a truck, limped into a tavern owned by Greek immigrant William Sianis, and a Chicago icon was born. The Billy Goat Inn became a haven for newspaper reporters, policemen, politicians, and anyone else drawn to the hospitality and showmanship of hardworking Billy Goat Sianis and his often antic, uniquely comforting establishment. But did Billy jinx the Cubs? When he and one of his goats were barred from entering Wrigley Field during the 1945 World Series, the Cubs' eventual loss to Detroit fueled a legend as enduring as their fans' Wait 'til next year mantra. Today there are seven Billy Goat Taverns, including one in Washington, D.C., and Billy's nephew, Sam Sianis--a celebrity in his own right--oversees what Illinois Senator Dick Durbin called a national institution. Rick Kogan's affectionate tale plunks you down at a barstool next to some of the Billy Goat's regulars, visitors, employees, and such luminaries as columnist Mike Royko, and those young stars--John Belushi, Bill Murray, and Don Novello--who immortalized Sam and the tavern in the Saturday Night Live Olympia Diner (Cheezborger, Cheezborger! No fries . . . chips!) skits. I remember . . . I miss . . ., someone will say, and names and faces begin to float through the tavern air. . . In these echoes Kogan lets you see and hear why taverns remain essential social focal points and lets you understand what makes a Chicago original.

A Hero of France Alan Furst,2016-05-31 NEW YORK TIMES BESTSELLER • From the bestselling master espionage writer, hailed by Vince Flynn as “the best in the business,” comes a riveting novel about the French Resistance in Nazi-occupied Paris. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST 1941. The City of Light is dark and silent at night. But in Paris and in the farmhouses, barns, and churches of the French countryside, small groups of ordinary men and women are determined to take down the occupying forces of Adolf Hitler. Mathieu, a leader of the French Resistance, leads one such cell, helping downed British airmen escape back to England. Alan Furst’s suspenseful, fast-paced thriller captures this dangerous time as no one ever has before. He brings Paris and occupied France to life, along with courageous citizens who outmaneuver collaborators, informers, blackmailers, and spies, risking everything to fulfill perilous clandestine missions. Aiding Mathieu as part of his covert network are Lisette, a seventeen-year-old student and courier; Max de Lyon, an arms dealer turned nightclub owner; Chantal, a woman of class and confidence; Daniel, a Jewish teacher fueled by revenge; Joëlle, who falls in love with Mathieu; and Annemarie, a willful aristocrat with deep roots in France, and a desire to act. As the German military police heighten surveillance, Mathieu and his team face a new threat, dispatched by the Reich to destroy them all. Shot through with the author’s trademark fine writing, breathtaking suspense, and intense scenes of seduction and passion, Alan Furst’s A Hero of France is at once one of the finest novels written about the French Resistance and the most gripping novel yet by the living master of the spy thriller.

Killing King Stuart Wexler,Larry Hancock,2018-04-01 Published in time for the 50th anniversary of Dr. Martin Luther King Jr.’s assassination, Killing King uncovers previously unknown FBI files and sources, as well as new forensics to convincingly make the case that King was assassinated by a long-simmering conspiracy orchestrated by the racial terrorists who were responsible for the Mississippi Burning murders. This explosive book details the long-simmering effort by a group of the nation’s most violent racial terrorists to kill Dr. Martin Luther King Jr. Killing King convincingly makes the case that while James Earl Ray was part of the assassination plot to kill King, the preponderance of evidence also demonstrates a clear and well-orchestrated conspiracy. Thoroughly researched and impeccably documented, the book reveals a network of racist militants led by Sam Bowers, head of the White Knights of the Ku Klux Klan of Mississippi, who were dedicated to the cause of killing King. The White Knights were formed in the cauldron of anti-integrationist resistance that was Mississippi in the early 1960s and were responsible for more than three hundred separate acts of violence, including the infamous Mississippi Burning murders. The authors have located previously unknown FBI files and sources that detail a White Knight bounty offer, information from an individual who carried money for the assassination, and forensics information regarding unmatched fingerprints and an audio recording of an admission that a key suspect obtained a weapon to be used in killing King. For years, Americans have debated issues with this crime. With Killing King, we are ever closer to an accurate understanding of how and why Dr. King was killed.

Chicago Treasure Larry Broutman,2019-03 Chicago has many treasures. The Magnificent Mile and Wrigley Field, wonderful public art and parks, beautiful bridges and skylines. But the true heart and the real treasure of the city are its children. This book is devoted to Chicago's children. Come along as they travel to worlds within worlds, becoming storybook characters who follow the Yellow Brick Road, sip tea in Wonderland, tame a tiger, live in a shoe, climb a magic beanstalk to bring home a golden-egg-laying hen, turn a frog into a prince, meet fairies and dragons. Continue as they step into painted canvases to inhabit scenes from other times and places. After climbing down from those framed worlds, they explore the city, high-fiving the victorious Chicago Bears, joining penguins at the theater, and leaping across State Street Bridge aboard African impalas. The kids are the story. The book is their adventure. Its door swings open. . . For kids of all ages. 168 pages and 150 illustrations. Unlimited dreams.

Miller's Valley Anna Quindlen,2016-04-05 NEW YORK TIMES BESTSELLER • In a small town on the verge of big change, a young woman unearths deep secrets about her family and unexpected truths about herself—an emotionally powerful novel you will never forget. “Overwhelmingly moving . . . In this novel, where so much is about what vanishes, there is also a deep beating heart, of what also stays.”—The New York Times Book Review For generations the Millers have lived in Miller’s Valley. Mimi Miller tells about her life with intimacy and honesty. As Mimi eavesdrops on her parents and quietly observes the people around her, she discovers more and more about the toxicity of family secrets, the dangers of gossip, the flaws of marriage, the inequalities of friendship and the risks of passion, loyalty, and love. Home, as Mimi begins to realize, can be “a place where it’s just as easy to feel lost as it is to feel content.” Miller’s Valley is a masterly study of family, memory, loss, and, ultimately, discovery, of finding true identity and a new vision of home. As Mimi says, “No one ever leaves the town where they grew up, even if they go.” Miller’s Valley reminds us that the place where you grew up can disappear, and the people in it too, but all will live on in your heart forever.

In a global driven by information and connectivity, the energy of words has be much more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Wgn Radio Chicago**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall effect on readers.
