Crimson Arrows Eyad Yehyaw,2017-09-19 **Crimson Arrows: A Bowhunting Odyssey**, is written from the heart and soul of a bowhunter. Spanning three decades of his adventures, Eyad Yehyaw takes you through the emotions, heartbreaks, and successes from his earliest years in Iowa, to physically and psychologically challenging backcountry hunts in Alaska and Canada, to a breathtaking African safari. Every setback and missed opportunity is revealed, along with the rewards earned through hard work and perseverance. Through these 27 stories, Eyad defines his passion for the outdoors, including the disappointments

and mishaps, sleepless nights and tears, and a few instances where death comes calling. With intense descriptions of his surroundings, animal behavior, and imposing weather conditions, Eyad engages all of your senses as you share his adventures. Whether you long for giant whitetails and spring gobblers, are passionate to pursue mountain goats and moose in Alaska, dream of wading across the tundra for caribou, hope to stalk musk oxen in the Arctic, or aspire to trail a horse-killing cougar in the mountains of Alberta, you'll find stories here to inspire you. As editor for Bowhunter magazine, I read thousands of manuscripts, and above all I loved discovering a nugget among the dozens of new writers who submitted manuscripts. Eyad Yehyawawi was one of those. From the beginning, he wrote well and exuded enthusiasm for bowhunting. In his book, *Crimson Arrows: A Bowhunting Odyssey*, Yehyawawi details his beginnings and growth as a bowhunter. He starts with whitetails and turkeys in his home state of Iowa and progresses to black bears, pronghorns, mule deer, elk, caribou, musk oxen, bison, and other species. All hunters can relate to his progression as a bowhunter and will find his stories compelling and fun to read. ~ Dwight Schuh ~ Former Editor, Bowhunter magazine and Member of the Bowhunters Hall of Fame

The Hunt for Billy Jack Brian Oeffner, 2017-07-12 Jim is an army veteran who has only been retired for six months when he receives a shocking call from Samuel

Littlebear, the father of one of his former combat team members. Samuel's son, Billy, is two weeks late returning from a Canadian fishing trip and he asks Jim's help in finding him. Without the name of the camp ground or the lake where Billy might be fishing, Jim contacts seven former team members to assist with the monumental task of tracking down Billy somewhere within Canada's thousands of miles of vast wilderness. Customs shows that Billy entered Canada, but never returned back into the United States. After Canadian officials fail to locate Billy or his vehicle, Jim and his team gather as much information as they can and leave for Canada. With instructions from Billy's father to bring him home dead or alive, the men know their mission will be difficult. As they head north and pledge not to leave Canada until they find their military brother, none of the men have any idea they are about to uncover a dark plot that will change everything. In this gripping mystery, a retired elite army combat team travels into Canada to search for a former team member after he goes missing during a fishing trip.
