The Coming of Cassidy and Bar-20 Clarence E. Mulford,2014-04-29 The Coming of Cassidy by Clarence E. Mulford Buck Peters put everything he owned into the Bar-20 and thought he could make a go of it. It looked pretty good too, until he fell in with that gang of renegade buffalo hunters. There were after his spread, his cattle, his life. And they swore to let nothing stand in their way. And then they met a cowhand named Cassidy... Bar-20 by Clarence E. Mulford Cassidy could fan a gun like a Billy the Kid. Six rounds in three seconds was his slowest time. No one in the state of Texas could beat him. That was, until he met Slim Travennes, head of the Sandy Creek Vigilante Committee. Slim was snake-fast. Death with a little skin wrapped around it, was the way the tinhorn in Waco described him. No man could go up against him and live. Hoppy could stand or die. He had no other choice. Canada's Best Features Eugene P. Walz,2002 Long recognized for outstanding National Film Board documentaries and innovative animated movies, Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world. This is the first anthology to focus on Canada's feature films - those acknowledged as its very best. With essays by senior academics and leading scholars from across the country as well as some fresh new voices, Canada's Best Features offers penetrating analyses of fifteen award-winning films. Internationally acclaimed directors David Cronenberg, Atom Egoyan, Denys Arcand, and Claude Jutra are represented here. Noteworthy films include Mon oncle Antoine, often cited as Canada's number one film of all time, such Cannes Festival favourites as Le déclin de l'empire américain and Exotica, and cult films Careful by Guy Maddin and Masala by Srinivas Krishna. The essays offer the latest word on these films and filmmakers, done from a variety of perspectives. Some of the films have never been examined in-depth before. Complete filmographies and bibliographies accompany each essay. A contextualizing introduction by Professor Gene Walz provides the necessary overview. An annotated bibliography of books on the Canadian film industry completes this impressive package.

Voices from The Farm Rupert Fike,2012-08-21 Twenty-five years ago, at the height of the counter-culture movement, several hundred hippies drove their school buses into southern Tennessee and founded America's largest, modern-day intentional community, The Farm. In its heyday, the community was home to over 1,200 optimistic young people and the young-at-heart. Their purpose for coming together was to experiment with alternative lifestyles that could help raise the standard of living for impoverished people around the world while conserving the planet's resources. The results of these experiments were not always predictable, but were always interesting, and created lasting bonds among community members that are still strong today. The Farm remains a vibrant, working environment for change. Why has it lasted so long? Discover the answers as members past and present recount some of their more memorable experiences.
