A Country of Refuge Lucy Popescu, 2016-06-02 *A Country of Refuge* is a poignant, thought-provoking and timely anthology of writing on asylum seekers from some of Britain and Ireland's most influential voices. Compiled and edited by human rights activist and writer Lucy Popescu, this powerful collection of short fiction, memoir, poetry and essays explores what it really means to be a refugee: to flee from conflict, poverty and terror; to have to leave your home and family behind; and to undertake a perilous journey, only to arrive on less than welcoming shores. These writings are a testament to the strength of the human spirit. The contributors articulate simple truths about migration that will challenge the way we think about and act towards the dispossessed and those forced to seek a safe place to call home.
