Wheaton College, 1834-1957 Paul C. Helmreich, 2002 This volume chronicles the history of Wheaton College in Norton, Massachusetts, beginning with its creation as a Female Seminary in 1834 and concluding with the 1955 decision to increase substantially in size, a process that commenced in 1957. This latter event brought to a close 123 years during which Wheaton Seminary and College had remained tied to the precepts and fiscal resources of the founding family, the Wheatons.--BOOK JACKET. The God-Centered Life Josh Moody, 2007-02 Are we looking mostly to please God or ourselves? The myth of Narcissus describes a young man who dies because he falls in love with his own reflection. When surrounded by the Narcissistic messages of contemporary society, you've got to believe in yourself! We need to listen to a Bible teacher from a past age who can drag us back to reflecting less on ourselves and more on God. Jonathan Edwards, perhaps the greatest of all American Bible teachers, was so God-centered. In *The God-Centered Life*, Dr. Josh Moody calls us to listen to Edwards in order that we might stop living for ourselves and start living the God-centered life. How to do church, teach the Bible, have a healthy family, deal with failure, engage postmodernism, assess spiritual experiences and more are envisioned through the eyes of Jonathan Edwards with freshness and accessibility. A study guide is included and further resources can be found at . Josh Moody (PhD, University of Cambridge) is Senior Pastor of Trinity Baptist Church, New Haven, Connecticut, serving the Yale community and surrounding New England region. He is also the author of *Authentic Spirituality* and *Jonathan Edwards and the Enlightenment*. *The God-Centered Life* is a graced prescription for truly engaging today's culture.... R. Kent Hughes, Senior Pastor Emeritus, College Church in Wheaton Tremendous. Extremely well-written. It will be a blessing for many.... I heartily commend this work as a timely and valuable resource.... David S. Dockery, President, Union University Josh Moody is uniquely qualified to bring the reader along the path of a greater joy of knowing God and loving God through a person whose life was ablaze for this Triune God of glory and grace. Paul Lim, Assistant Professor of the History of Christianity, Vanderbilt University Potent, thoughtful, and constructive.... R. Albert Mohler, Jr., President, Southern Baptist Theological Seminary At last, someone who stands in the tradition of Edwards as a pastor-scholar, interpreting and applying the lessons from Jonathan Edwards for today.... E. David Cook, Holmes Professor, Wheaton College, Fellow, Green College, Oxford I recommend this book most highly, praying that Josh Moody's labors will encourage the kinds of Edwards-influenced lives and congregations that our world so desperately needs.... Douglas A. Sweeney, Associate Professor of Church History, Trinity Evangelical Divinity School Josh Moody (PhD, University of Cambridge) is Senior Pastor of Trinity Baptist Church, New Haven, Connecticut, serving the Yale community and surrounding New England region. He is also the author of *Authentic Spirituality* and *Jonathan Edwards and the Enlightenment*.

Subversive Crystal Downing, 2020-11-10 Known for her bestselling detective novels, Dorothy L. Sayers lived a fascinating, groundbreaking life as a novelist, feminist, Oxford scholar, and important influence on the spiritual life of C.S. Lewis. This pioneering woman not only forged a literary career for herself but also spoke about faith and culture in revolutionary ways as she addressed the evergreen question of to what extent faith should hold on to tradition and to what extent it should evolve with a changing culture. Thanks to her unmatched wisdom, prophetic tone, and insistent strength, Dorothy Sayers is a voice that we cannot afford to ignore. Providing a blueprint for bridge-building in contemporary, polarizing contexts, *Subversive* shows how Sayers used edgy, often hilarious metaphors to ignite new ways to think about Christianity, shocking people into seeing the truth of ancient doctrine in a new light. Urging readers to reassess interpretations of the Bible that impede the cause of Christ, Sayers helps twenty-first-century Christians navigate a society increasingly suspicious of evangelical vocabularies and find new ways to talk and think about faith and culture. Ultimately, she will inspire believers, on both the right and the left, to evaluate how and why their language perpetuates divisive certitude rather than the hopeful humility

of faith, and will show us all a better way forward.

Allah Miroslav Volf,2011-02-08 From Miroslav Volf, one of the world's foremost Christian theologians—and co-teacher, along with Tony Blair, of a groundbreaking Yale University course on faith and globalization—comes Allah, a timely and provocative argument for a new pluralism between Muslims and Christians. In a penetrating exploration of every side of the issue, from New York Times headlines on terrorism to passages in the Koran and excerpts from the Gospels, Volf makes an unprecedented argument for effecting a unified understanding between Islam and Christianity. In the tradition of Seyyed Hossein Nasr's *Islam in the Modern World*, Volf's Allah is essential reading for students of the evolving political science of the twenty-first century.

God in My Everything Ken Shigematsu,2013-08-06 Ken Shigematsu shows that spiritual formation is more than just solitude and contemplative reflections. Spiritual formation happens in the everyday, in each and every moment of life. For those caught up in the busyness of work, family, and church, it often feels like time with God is just another thing on a crowded “to-do” list. Ken explains how the time-tested spiritual practice of the “rule of life” can help bring busy people into a closer relationship with God. He shows how a personal rule of life can fit almost any vocation or life situation. In *God in My Everything*, you will discover how to create and practice a life-giving, sustainable rhythm in the midst of your demanding life. If you long for a deeper spirituality but often feel that the busyness of life makes a close relationship with God challenging—and, at times, seemingly impossible—this book is for you.

Washed and Waiting Wesley Hill,2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can prove, live out, and celebrate the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's No to same-sex sexual intimacy and contemplate serious and difficult questions.

A Wicked Snow Gregg Olsen,2014-10-07 “Olsen will scare you—and you’ll love it.” —Lee Child Hannah Griffin was a girl when tragedy struck. She still remembers the flames reflected against the newly fallen snow and the bodies the police dug up—one of them her mother’s. The killer was never found.... Twenty years later Hannah is a talented CSI investigating a case of child abuse when the past comes hurtling back. A killer with unfinished business is on the hunt. And an anonymous message turns Hannah’s blood cold: Your Mom called . . . “A TAUT THRILLER.” —Seattle Post-Intelligencer

God in the Rainforest Kathryn T. Long, 2019-01-10 In January of 1956, five young evangelical missionaries were speared to death by a band of the Waorani people in the Ecuadorian Amazon. Two years later, two missionary women--the widow of one of the slain men and the sister of another--with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones. The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century. *God in the Rainforest* traces the formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture. Kathryn T. Long offers a study of the complexities of world Christianity at the ground level for indigenous peoples and for missionaries, anthropologists, environmentalists, and other outsiders. For the first time, Long brings together these competing actors and agendas to reveal one example of an indigenous people caught in the cross-hairs of globalization.

New Kid Jerry Craft, 2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers’ Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act*!

Spiritual Friendship Wesley Hill, 2015-04-14 Christianity Today Book Award Winner Friendship is a relationship like no other. Unlike the relationships we are born into, we choose our friends. It is also tenuous--we can end a friendship at any time. But should friendship be so free and unconstrained? Although our culture tends to pay more attention to romantic love, marriage, family, and other forms of community, friendship is a genuine love in its own right. This eloquent book reminds us that Scripture and tradition have a high view of friendship. Single Christians, particularly those who are gay and celibate, may find it is a form of love to which they are especially called. Writing with deep empathy and with fidelity to historic Christian teaching, Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship. He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith. This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships.

The Expulsive Power of a New Affection Thomas Chalmers, 2020-10-02 Thomas Chalmers was a Scottish Presbyterian minister who served most of his life at St. John's parish in Glasgow—a congregation that was both the largest and the poorest congregation in the city. Known for his extensive charitable work in caring for the poor and downtrodden, Chalmers was also an astute theologian. One of his most notable works is *The Expulsive Power of a New Affection*, in which Chalmers inspires his readers to remove the tangles of sin through the expulsive power of a new affection—desiring God. As a result of the fall, human feelings of love are often misplaced on the creation rather than the Creator. This classic work of the faith reorients our affections toward him.
