How to Choose and Buy an RV: Here's how to Get it Right First and Every Time Collyn Rivers, 2020-06-08 Buying an RV is a major investment. It is likely to be second only to buying a house. When you buy a house you already know a lot about houses. You've likely lived in houses for many years and have certainly visited a great many. When you're buying one you can figure out who to ask for help. It's not like that with an RV. Unless you've been travelling in a range of different RVs for a long time you probably don't know much about the realities of RV living. RVs come in a vast array of shapes and sizes. You'll need to select a camper trailer, caravan, or motorhome based on the sort of travel you plan, your budget and your preferences. You'll need to figure out how to outfit your purchase and understand the intricacies of travelling with everything you need to carry. And what is it you need to carry anyway? What else do you need to know? And who can you ask? In *How to Choose and Buy an RV*, Collyn Rivers breaks down the pros and cons of the various sorts of recreational vehicle. He identifies the key questions you need to ask yourself to work out what you really want and need. He gives clear advice about how to inspect and negotiate for new or used RVs. He discusses extras you'll want before hitting the road and details the rules and regulations you'll need to know before venturing around Australia. You'll need good advice before buying an RV. This book is a great place to start.

Complete Rv Buying Guide a to Z Bruce Bowers, 2017-10-19 Complete RV Buying Guide A to

Z Budget Friendly Guide to Buying Used Motorhome If you are reading this, I can safely assume that you are interested in purchasing an RV sometime in the near future. I am also certain that you would like to know who I am and what and why I am an expert in the field of RV. Fair enough! My name is Bruce Bowers, at the time of this writing I am 68, my wife Jill is 67, we both are retired and been living our dream RV life for last 5 years. But that is not why I wanted to write this book. I started my career as a banker years ago, but in just two years I knew banking was not my cup of tea. I loved being outdoors, and somehow landed a job at an RV dealership in Austin, TX. Since then till I retired I have managed and operated multiple RV dealerships in TX, LA, and TN. I get asked these 8 questions often from people. What is the right RV for me? Is buying a used RV a good idea? Are used RV's reliable? Can buying a used RV be a money pit? What are the best and most reliable brands out there? How would I know if the used RV I am buying is mechanically safe and sound? How can I protect my investment? Where or who should I buy from? In this book, I answer these questions and cover a few more important topics that most first-time RV buyers I think should know about. I took great care not to make this book read like an owner's manual or a technical bulletin. But I wanted this book to explain few basic rules, tips and tricks of buying the right RV the very first time. If you are thinking about buying an RV in the near future, I think I can help you decide on the right one. Just remember RV is a significant investment and you should do a lot of homework before making a decision just as you do before buying a home. Here Are Some Of The Things I Covered In This RV Buying Guide: Advantages Vs. Disadvantages Of an RV Various Types Of RV's And Motorhomes What Are Class A, B & C Type RV's Difference between Camper, Travel Trailers, Fifth wheel and Motorhomes Features And Factors Of Each Type To Consider Financial Decision Making Process Pros And Cons Of Extended Warranty Tips And Tricks To Get Best Out Of Your Warranty New RV Vs.

Used RV Cost And Expenses To Consider When Buying A Used RV How And Where To Buy An Used Or New RV Most Popular And Reliable Motor Home Brands In North America How To Upgrade Your RV On A Budget (Accessories And Add-Ons) What And How To Take Proper Care And Maintenance For Your RV Various Camping Options And Campsite Ideas Feel free to look at the table of content for a full preview before hitting the Buy button, this way you will know what I covered in the book and if that is the type of information you are looking for before actually paying for it. Welcome to the exciting life of RVing, I know you will love the freedom of the open road and blue sky. Enjoy!

Used Motorhome Buying Guide Carl Cunningham, 2020-08-10 Are you in the market for buying a used RV? Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, *Used Motorhome Buying Guide*, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that

are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a BONUS, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included. You will want to click Buy Now and add this title to your collection and I promise to save you money, headache and frustrations from buying a lemon.

The Motorhome Touring Handbook Jason Buckley, Julie Buckley, 2021-09-15 One of Practical Motorhome magazine's must-read books this handbook is full of tips, information and sound travel advice. This is the latest version of the handbook, fully updated and extended in August 2021. Each time you step into your motorhome, you'll feel the years fall away. A tingle of excitement builds as you sit in the cab seats. Day-to-day cares evaporate. As your wheels start to turn, you start to

wonder. Just what's out there for you? Where will the road take you? What views will fill your windscreen? What tastes, sights and sounds will you discover? Each day is your own, you can choose where you want to be in the morning, drive and explore in the afternoon before enjoying a well-deserved meal in the evening. After a good night's sleep you can decide over breakfast whether to move on. Maybe you'll choose to stay and chill, depending on your mood, the weather or a local attraction you want to visit? A camper is a perfect way to slow travel and to live well. Motorhomes and camper vans offer a uniquely comfortable, safe and flexible way to travel. Fully equipped with modern features, they're a luxurious mode of transport. You can sleep in your own double bed, grab a cold drink, take hot showers, entertain visitors, stream the latest films, charge your gadgets and cook delicious meals. And that's without even stepping outside! We're Julie and Jason Buckley and over a decade of touring the UK, Europe and North Africa we've shared everything we've learned on the OurTour.co.uk motorhome blog. Travelling and living in our motorhomes has given us the most incredible freedom and adventures, sensations we want you too to enjoy. During holidays in our beloved camper, followed later by years-long full-time motorhome tours, we've stayed in over 1,000 different overnight stops in more than 30 countries. We've travelled tens of thousands of miles before writing this book (and made every mistake under the sun!). Yep, in among all the exploration and fun we learned many lessons, from choosing the wrong vehicle for our needs to breaking water boilers because we forgot to drain them down for winter. We want to give you the knowledge we've learned to help and inspire you on the next step in your motorhome journey. Whether that's hiring or buying your first van to choosing to retire and live full-time in your motorhome, this book has something for everyone. The Motorhome Touring Handbook is crammed with the very best advice, tips and tricks we've learned first-hand and from meeting hundreds of fellow travellers over the

years. The book's arranged into three parts, quickly building your knowledge and confidence: Part 1 covers choosing and buying your motorhome and touring the UK. Part 2 moves on to your first road trip abroad. Part 3 takes you on the big one, your year-long tour of Europe. The Motorhome Touring Handbook is updated each year with all the latest information around legal requirements, internet access, toll roads and any new tips we learn ourselves or glean from the magnificent motorhome community. Julie and Jason, @ourtourblog, www.ourtour.co.uk Reviews The one thing you can't buy when you're ready to tour the world in your new motorhome is experience. This book gives you the confidence to venture out into the unknown. Amazon UK Review Superb book. It couldn't be more relevant to my immediate needs having just purchased my motorhome. Goodreads Review A brilliant introduction into the world of motorhome travel; whether domestically in Ireland/UK or in Europe. Goodreads Review This is a well-written, easy-to-read guide packed with useful information Amazon UK Review

Caravans Andrew Jenkinson, 2002-12-01 Today, touring with a caravan is a leisuretime activity enjoyed by millions; the hobby and the industry it supports having grown explosively since the early 1960s. The modern trailer caravan is a true 'home from home' offering every amenity and truly comfortable living accommodation - a far cry from the 'vans of the 1960s and before. This book traces the evolution of the trailer caravan by describing and picturing milestone models and telling the stories of their manufacturers. Every caravan enthusiast will find something of interest in this book, and its images and text will bring back happy memories of holidays in caravans long ago traded-in for newer models.

The Story of Caravans International Andrew Jenkinson, 2017-07-15 The changing fortunes of the largest UK producer of caravans and motorhomes

Motorhomes Andrew Jenkinson,2002-12-01 The illustrated history of the motorhome (motor caravan/camper/auto-sleeper) in the UK from earliest pioneers to present day. Be it micro motorhomes, American giants or something in-between, this book tells the story of the motorhome and its industry over the last 90 years. Includes rare images.

Caravan and Motorhome Electrics Collyn Rivers,2020-03-09 Caravan & Motorhome Electrics is the totally rewritten successor of the original globally selling Motorhome Electrics. The book's content now also covers every aspect of designing, installing and fault finding of the electrics in fifth wheel and conventional caravans and camper trailers. The book explains how things work, and what they do (not what vendors claim they do). It shows how to dramatically improve charging performance, successfully install solar, and reduce energy draw of electric (especially) three-way fridges. Essentially it provides solutions proven to work, not suggestions that may work. The author shows how the ongoing move fully voltage controlled alternators necessitates dc-dc alternator charging. And that, post 2016, regulations are likely to limit or even preclude alternator charging with new vehicles. It covers the solutions in depth: i.e. solar, plus fuel cell's 24/7 power generation (light and compact yet silent and non-polluting (and now existing in LPG form), needing only a small battery for peak loads. As with all Collyn's books, the content is thoroughly researched, technically accurate, yet in plain English, plus explanatory illustrations, many of the author's own vehicles. The author's background includes automobile research, electronics and large scale magazine publishing (including founding the world's largest electronics magazine). He was technical editor of Australia's The Bulletin magazine in the 1980s - and has supplied Tech Notes to The Wanderer for a now 14 years.

Take the Slow Road: France Martin Dorey, 2021-05-13 Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer (whatever that is). Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a

motorhome, of course. In this book we define the best driving routes around France for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around France on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers; for walkers, wine-quaffers, climbers and skiers. We include the steepest, the bendiest, the most picturesque and most interesting. And you don't even have to own a camper van or motorhome – we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through it on a cold day and plan your next outing, you'll be transported (albeit slowly) to vineyards, beaches, mountains and highways that make you want to turn the key and go, go, go!
