Celebrity Diss and Tell: Stars Talk About Each Other, 2013 They say the last straw was when Jennifer Lopez asked Ben Affleck to tell her honestly, 'Why do people always take an instant dislike to me?' and he said, 'It saves time.' The bigger they are,

the harder they fall . . . and the more they pounce on one another. That's the message that comes through in Boze Hadleigh's celebrity gossip collection, *Celebrity Diss and Tell*. Goodness, they have something to say about everyone! Luckily for those who relish insider information and star dirt, Hadleigh is right there to capture their spicy quotes. *Celebrity Diss and Tell* includes hundreds of quotations, snipes and off-the-cuff remarks. The author divides the book into six sections, covering everything from fellow celebrities and stars' families to lost loves and celebrity slugfests. All of this makes for riveting reading: Open to any page and you're instantly stuck in the down and dirty world of off-screen frankness, such as: How difficult can it be to fly an airplane? I mean, John Travolta learned how. —Graham Chapman of Monty Python They're all here, from Robin Williams to Halle Berry. If anyone has anything good to say about anybody . . . you won't find it in these pages. But that's what makes *Celebrity Diss and Tell* such a good and cathartic read. These stars are only human, after all, and nobody can sparkle all the time.

So You Want to Be a Celebrity? Steve Allen, 2015-02-12

They say everyone today wants to be a celebrity. Certainly, we're all happy to watch them. From reality television and talent shows to tabloid splashes and gossip magazines, the road to modern fame is littered with the hopeful, the misguided, and, occasionally, the downright cynical. It's often a tale of rags to riches and then back to rags again. So why can't we stop looking? And who exactly buys the T-shirt, wears the perfume, visits the salon? In this witty and insightful tour of the underbelly of the celebrity world, LBC's Steve Allen takes us by the hand and leads us through the highs and lows of life as a modern-day 'sleb' - why they're there, and what we've all done to deserve this. Required reading for watchers and wannabes alike, this is your essential guide to one of the most bonkers aspects of modern Britain.

Kathy Griffin's Celebrity Run-Ins Kathy Griffin, 2016-11-22

From #1 New York Times bestselling author Kathy Griffin, an A-Z

compendium of her celebrity run-ins, and the jaw-dropping, charming, and sometimes bizarre anecdotes only she can tell about them. Kathy Griffin's *Celebrity Run-Ins* is Kathy's funny, juicy index of all of the celebrities she has met during her many years in show business, bursting with never-before-told stories. Starting with Woody Allen and ending with Warren Zevon, Kathy Griffin's *Celebrity Run-Ins* is a who's who of pop culture: Leonardo DiCaprio, Nick Jonas, Kendall Jenner, Anna Kendrick, Lily Tomlin, Suge Knight, Barbra Streisand, Ashton Kutcher, Queen Latifah, Maria Shriver, Jared Leto, Selena Gomez, Meghan Trainor, Macklemore, Bruno Mars, Aaron Paul, Pink, Pitbull, Sia, Britney Spears, Taylor Swift, Christina Aguilera, and many more. Who would imagine that Kathy was an extra in a Michael Jackson commercial (guess which one)? That she and Salman Rushdie trade celebrity stories? That Donald Trump once drove Kathy and Liza Minelli around on a golf cart? That Sidney Poitier has a wicked sense of humor? That Demi Lovato has none? That David Letterman is still scared of Cher? That Channing Tatum is as polite as they come, and Tom Hanks might have the best perspective on fame of anyone? Kathy, that's who. Kathy has met everyone, and after reading this book, you will feel as if you have, too. Kathy Griffin has seen it all. Shocking and sidesplitting, Kathy Griffin's *Celebrity Run-Ins* is an indispensable guide to the stars from one of our most beloved comedians. Can you handle it?

Name Drop Ross Mathews, 2021-02-09 From Ross Mathews, the nationally bestselling author of *Man Up!*, judge on RuPaul's *Drag Race*, and alum of *Chelsea Lately*, comes "a delightful mix of sweet and sour celebrity experiences" (Shelf Awareness) in this hilarious and irreverent collection of essays. Pretend it's happy hour and you and I are sitting at the bar. I look amazing and, I agree with you, much thinner in person. You look good, too. Maybe it's the candlelight, maybe it's the booze. Either way, let's just go with it. Keep this all between you and me, and do me a favor? Don't judge me if I name drop just a little. Television

personality Ross Mathews likes telling stories. He was always outrageous and hilariously honest, even when the biggest celebrity he knew was his favorite lunch lady in the school cafeteria. Now that he has Hollywood experience—from interning behind the scenes at The Tonight Show with Jay Leno to judging RuPaul’s Drag Race—he has a lot to talk about. In Name Drop, Ross dishes about being an unlikely insider in the alternate reality that is showbiz, like that time he was invited by Barbara Walters to host The View—only to learn his hero did not suffer fools; his Christmas with the Kardashians, which should be its own holiday special; and his news-making talk with Omarosa on Celebrity Big Brother, which, as it turns out, was just the tip of the iceberg. Holding nothing back, Ross shares the most treasured and surprising moments in his celebrity-filled career, and proves that while exposure may have made him a little bit famous, he is still as much a fanboy as ever. Filled with “charmingly told” (Booklist) tales ranging from the horrifying to the hilarious—and with just the right “Rossipes” and cocktails to go along with them—Name Drop is every pop culture lover’s dream come true.

How to Meet the Famous Bruce Robertson, 2003-01-27 Do you know anyone who has met over two hundred famous people—all of celebrities you have seen regularly on the TV or in the movies? This book has been written to give details of some of the people the author has met, to show you his easy way of meeting them, and to tell you about some of the pitfalls you might meet if you go about things without careful planning. Bruce Robertson has had very few failures, most of these being before he perfected a working plan of campaign. Some of the big American stars proved to be the most difficult to have photos with, as they are often surrounded by security guards. Even they are not totally impossible, as the author proves with his unique photo with Mike Tyson when he last visited London—a photo everyone said he would never get. No less than 24 of Bruce’s photos of celebrities are reproduced in this volume.

The End of Advertising as We Know It Sergio Zyman,Armin A. Brott,2002-11-14 The controversial marketing guru discusses the revolution in advertising strategy What can I say about Sergio Zyman? He's a genius; that's all.-Warren Bennis, University Professor and DistinguishedProfessor of BusinessAdministration, USC Marshall School of Business In this follow-up to his bestselling book The End of Marketing As We Know It, Sergio Zyman, Coca-Cola's renowned former chief marketing officer, argues that the business of advertising as we know it is dead. With a keen eye and a no-holds-barred approach, Zyman discusses how advertising died, what killed it, and how to revive it. He addresses the most critical issues affecting any organization's sales and marketing departments, using his time-tested, unorthodox, and sometimes even counterintuitive principles in order to translate key strategies into positive business results. For marketing managers, advertisers, and CEOs, this book offers groundbreaking advice from one of the legends of modern marketing, as well as the knowledge, insights, tools, and direction to transform advertising strategies from hoping to planning, from art to science, from guessing to knowing, and from random success to planned success.

I Could Have Been a Prince Richard Sorell, 2013-02-06 Merriam Press Personal Chronicle 3. First Edition (February 2013). If you are expecting Shakespeare, you've picked the wrong book. Richard Francis Royal Sorell is just an average guy. One might say his life has been extraordinary. If someone told him his life story as theirs, he would think they were full of it, up to their eyebrows, but he knows it happened, and it happened to him.

He's lived on the edge of fame his whole life, never achieving it himself, but rubbing shoulders with the rich and famous in every step he took. He didn't search out these people and when they met he wasn't looking for an autograph or photograph, something transpired between them and that is what he has written about. The majority of the people he met through his employment, positions which were never glamorous. You will find the people he writes about cut across all walks of life, from poets, to entertainers, scientists, artists, politicians and more. Some of these people you may not recognize because they were famous before your time, but not before his, he's an older man these days. He didn't realize the age difference until he was telling a young woman in her mid-twenties some of the names of people he had encounters with and many of them she didn't have a clue who they were. Granted, some of them were elders even to him, or contemporaries, so college students may not know them, but maybe his tale will be able to spark a curiosity in the youth to learn more about these people who have done something noteworthy in their life and what it was that made them famous. For now, just understand they were or are famous and they crossed his path and something happened between them. Some of the things he has written are fun, some are bits of information that one might never know unless you met these people, and some he wrote about, their stories are a bit on the sad side. There is more to this book than just telling about people who became known for one reason or another and they crossed paths. If you are sensitive, you will see bullying, questionable practices of our government, the struggle of an individual to understand who they are, racism, the paranormal, and the difficulty of an old man just trying to keep up with the rapid changes in society. You will find this book can be read on the subway, in the bathroom, or the bedroom. And the Sorell bets it would put any insomniac to sleep easily. It's easy to pick up or put down and not miss a beat. You will find his adventures probably aren't so different from yours. If

you think about it, you have probably met famous people, too, and didn't even give it a second thought. Of course, you may not have met as many famous people as Sorell has, but get out there; you never know who you'll meet, and who knows they just might be famous ... for something. 9 photos and illustrations. Index.

High Visibility Irving J. Rein, Philip Kotler, Martin R. Stoller, 1997 High Visibility is the ground-breaking book that describes and explains the whole new industry that has evolved to help you - as a professional - achieve this much-sought-after celebrity.

Celebrities' Most Wanted™ Marjorie Hallenbeck-Huber, 2010-06-30 Team Aniston or Team Jolie? Whether you have admittedly chosen a side, chances are you know the feud these slogans reference and perhaps even remember where you were when news of the Aniston-Pitt split broke. Over the past three decades, buzz over the rich and famous has exploded, thanks in part to refined technology, well-oiled media outlets, and a dedicated few who have greased up their own laptops to challenge the tabloid giants (think Perez Hilton). Much to their chagrin, or so they say, celebrities have become all the rage, lending to their adoring, or simply inquisitive, public not only a glamorous escapism but also the reality that even megastars suffer fault. Marjorie Hallenbeck-Huber fills you in on the juiciest bits to hit the celebrity gossip circuit over the past three decades. Read about the most bizarre hookups (Lance Armstrong and an Olsen twin, anyone?); marriages that lasted a Hollywood second, or fifty-five hours in the case of Britney Spears; celebrity baby names, like Heavenly Hiranni Tiger Lily, that even the creative teams at Crayola could not dream up; diet tricks and training regimens that guarantee a camera-ready body; “it” travel destinations where celebs go to laze under the sun—or to do good; and infamous crack-ups that surely sent publicists into a damage-control frenzy. Did we forget to mention sex tapes? **Celebrities' Most Wanted™** grants you access to the fascinating world of the rich and famous, where Red Carpet is a season, Fiji is more than a bottle of water, and saving the world is not such a far-off possibility.
