Jack London,Tony Robinson

White Fang Jack London,2006 An abridged version of the adventures in the northern wilderness of a dog who is part wolf and how he comes to make his peace with man.

White Fang (with Audio & Text) Jack London,2021-06-03 White Fang is a novel by Jack London, published in 1906. The story details White Fang's journey to domestication in Yukon Territory and the Northwest Territories during the 1890s Klondike Gold Rush. It is a companion novel (and a thematic mirror) to London's best-known work, *The Call of the Wild* (1903). Much of White Fang is written from the viewpoint of the wolf-dog, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. As early as 1925, the story was adapted to film, and it has since seen several more cinematic adaptations.

White Fang Jack London,2008-06-19 In the desolate, frozen wilds of northwest Canada, a wolf cub soon finds himself the sole survivor of the litter. Son of Kiche?half-wolf, half-dog?and the aging wolf One Eye, he is thrust into a savage world where each day becomes a fight to stay alive.

The Scarlet Plague Jack London,Tony Robinson,2014-04-01 An old man walks along deserted railway tracks, long since unused and overgrown; beside him a young, feral boy helps him along. It has been 60 years since the great Red Death wiped out mankind, and the handful of survivors from all walks of life have established their own civilization and their own hierarchy in a savage world. Art, science, and all learning has been lost, and the young descendants of the healthy know nothing of the world that was—nothing but myths and make-believe. The old man is the only one who can convey the wonders of that bygone age, and the horrors of the plague that brought about its end. What future lies in store for the remnants of mankind can only be surmised—their ignorance, barbarity, and ruthlessness the only hopes they have. This cataclysmic tale remains a terrifying prophecy of the perils of globalization, which are all too pertinent today.

White Fang Jack London,1995 Buck, a sturdy crossbreed canine, is seized from his pampered family surroundings and shipped to the forbidding landscape of the Alaskan frontier to be a sled dog. As gripping today as it was when first published over a century ago, this classic tale of survival remains one of London's most popular adventures.

Drawn from London's personal experiences, we follow an unnamed narrator taking his first steps into the untamed wilds of the Yukon. With only a native dog as his companion, our protagonist must contest with the hostile climate of the Yukon, as he surges ahead on a journey against nature that will shake him to his very core. 'To Build a Fire' challenges readers to consider what survival means to them, and the lengths they would go to carry on in the most unforgiving territory in the world. Fans of London's previous works will be enthralled with this story of man versus nature. Jack London (1876 – 1916) was an American journalist, social activist, and author of over 20 novels. Includes *The Call of the Wild*, *Diablo: A Dog*, *An Odyssey of the North*, *To the Man on the Trail*, *To Build a Fire*, and *Love of Life*

All Gold Canyon Jack London,2014-08-18 It was the green heart of the canyon, where the walls swerved back from the rigid plan and relieved their harshness of line by making a little sheltered nook and filling it to the brim with sweetness and roundness and softness. Here all things rested. Even the narrow stream ceased its turbulent down-rush long enough to form a quiet pool. Knee-deep in the water, with drooping head and half-shut eyes, drowsed a red-coated, many-antlered buck.
