CYA Securing IIS 6.0 Chris Peiris,Ken Schaefer,2004-05-23 A highly portable, easily digestible road-map to configuring, maintaining and troubleshooting essential IIS 6.0 features.The book is organized around the 15 MMCs (Microsoft Management Consoles) that contain the configuration menus for the essential features. The options within each menu are explained clearly, potential problems are identified up-front, and configurations are subsequently presented in the aptly named By the Book section for that MMC. Readers will also appreciate the Reality Check sidebars throughout, which present valuable cost/benefit analyses of situations where there is no single right answer. * A checklist for network engineers and administrators to make sure they have configured you network professionally and responsibly * The information needed by networking professionals responsible for

The Fisheries and Resources of Newfoundland, "The Mine of the Sea", National, International and Co-operative ... Michael E. Condon,1925 This is a collection of articles by the author and others meant to highlight current problems within the Newfoundland fisheries and the changes needed in order to keep Newfoundland at the forefront of the industry. The problems listed include wastage and antiquated fishing methods, while the solutions given include improvements to fishing equipment, methods, and marketing. Also included are biographies of important public figures, many of whom were influential in the sealing industry, politics, or religion.
