Over 400 illustrations help Nealy break down even the most complex kayaking skills, making difficult whitewater techniques understandable. You may break a rib laughing, but with Nealy holding your hand you'll be less likely to break a bone while boofing an insane rapid (or maybe an entire waterfall).

When Tamar Glouberman was in her twenties and thirties, rivers were flowing through every aspect of her life. Whitewater and the paddling community bring excitement, friendships, lovers and a connection to the natural world as she traverses the map in search of her next adventure. As a short woman who nearly failed high-school gym, Glouberman does not fit the stereotype of a kayaker or raft guide and must prove herself time and again. Yet she feels more at home on water than land. Driven to guide increasingly dangerous rivers, Tamar overcomes her self doubts and challenges both on and off the water, using a combination of grit and wit. But when a rafting trip ends in a fatal accident, she is consumed by guilt and exiles herself from the rivers she loves, convinced she can never return. Tamar must eventually decide if being unable to save her passenger's life means she also must sacrifice her own. A raw and honest work from a talented new voice in adventure writing, Tamar's memoir is a page-turner, transporting readers through wild rapids and breathtaking canyons, navigating eddies and currents, as she learns from the river that finding self-forgiveness might be the most hard-to-reach destination of all.

Tracking Lions, Myth, and Wilderness in Samburu Jon Turk, 2021-09-26 A provocative look at the vital connection between human beings, the natural world and meaningful knowledge. While tracking a lion with a Samburu headman and then, later, eluding human assailants who may be tracking him, Jon Turk experiences people at their best and worst. As the tracker and the tracked, Jon reveals how the stories we tell each other, and the stories spinning in our heads, can be moulded into innovation, love and co-operation -- or harnessed to launch armies. Seeking escape from the confusion we create for ourselves and our neighbours with our think-too-much-know-it-all brains, Jon finds liberation within a natural world that spins no fiction. Set in a high-adventure narrative on the unforgiving savannah, *Tracking Lions, Myth, and Wilderness in Samburu* explores the aboriginal wisdoms that endowed our Stone Age ancestors with the power to survive - and how, since then, myth, art, music, dance, and ceremony have often been hijacked and distorted within our urban, scientific, oil-soaked world.
