Lunatics Dave Barry,Alan Zweibel,2012-01-10 Philip Horkman is a happy man, the owner of a pet store called The Wine Shop, and on Sundays a referee for a local kids’ soccer league. Jeffrey Peckerman is the proud and loving father of a star athlete in the girls’ ten-and-under soccer league, and he’s not exactly happy with the ref. The two of them are about to collide in a swiftly escalating series of events that will send them running for their lives, pursued by the police, soldiers, subversives, bears, revolutionaries, pirates, and a black ops team that does not exist. Where all that takes them you can’t even begin to guess, but the literary journey there is a masterpiece of inspiration, chaos, and unadulterated, well, lunacy. And they might even learn a lesson or two along the way.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

The Wolverine Way Douglas Chadwick,2013-10-06 Glutton, demon of destruction, symbol of slaughter, mightiest of wilderness villains... The wolverine comes marked with a reputation based on myth and fancy. Yet this enigmatic animal is more complex than the legends that surround it. With a shrinking wilderness and global warming, the future of the wolverine is uncertain. The Wolverine Way reveals the natural history of this species and the forces that threaten its future, engagingly told by Douglas Chadwick, who volunteered with the Glacier Wolverine Project. This five-year study in Glacier National Park – which involved dealing with blizzards, grizzlies, sheer mountain walls, and other daily challenges to survival – uncovered key missing information about the wolverine’s habitat, social structure and reproduction habits. Wolverines, according to Chadwick, are the land equivalent of polar bears in regard to the impacts of global warming. The plight of wolverines adds to the call for wildlife corridors that connect existing habitat that is proposed by the Freedom to Roam coalition.

Be Light Samuel Rodriguez,2016 Light has always defined God and his followers. At creation, God spoke light into existence. Jesus is the light of the world. And we are born to absorb and then reflect God's light. Rodriguez provides a blueprint for confronting darkness in every realm of our lives. He issues a clarion call for individual believers and the church to rise up and once again be a bright city on a hill, exposing the invading darkness, and overcoming it with God's blazing light.

Mitchell Fulcher Carolina Decoy Collectors Association,Kroghie Andresen,Jack Dudley,2011-10-01 Mitchell Fulcher was arguably North Carolina's most artistic and talented carver. Exemplifying his artistry, he rarely carved two stands of decoys alike. His imagination and focus manifest in differing styles, paint, and head patterns, which are displayed throughout this volume.
