Great As a Button Masoud Malekyari,2020-12-15 They say all great adventures start with just one simple question; a question that often leads to self-discovery. The quest of our little plastic button begins in a tediously crowded city, where he accidentally falls down on the ground. In this unknown world, he tries to find his place on the king's coat. He strives to become a leader; he even makes a voyage into the deep blue sea. His efforts continue until he finds his own place in life.

Teddy's Button (Hardcover) Amy Le Feuvre,2018-08-09 Teddy's Button is a heartwarming story by Amy LeFeuvre which has entertained countless children and adults over the years. This reprint contains the three original illustrations appended to the first edition. We join the title character, who is a proud and strong-willed young boy. Openly gregarious, Teddy is a natural storyteller and makes friends in his locality thanks to this talent. His favorite tale of all however is one which concerns his father: a brave soldier who fought and died in battle when Teddy was very young. Proud of his father's bravery, Teddy carries a button from the very jacket his Dad fought in. Eventually Teddy begins to attend church, where he steadily realizes that the finest captain of all is not of the military, but of the Lord. Gradually, Teddy's belief in Jesus Christ strengthens; he realizes that his assertive nature could well verge on bullying, and that by serving God he can extinguish his capacity for bad deeds.

'Well, ' he said, as if considering the matter, 'they may be sometimes brave, but they don't fight like the soldiers, and they have no banners, and red coats, and band; and they don't know how to march. A sailor walks anyhow. I saw one once, and I thought he was tipsy, but he wasn't. A sailor walks like a goose-he waddles!' 'You're the horriddest, rudest boy I've ever seen!' [...].
