Who's Your Caddy? Rick Reilly, 2004-05-04 The funniest and most popular sportswriter in America abandons his desk to caddy for some of the world's most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who's with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his insight into what makes the greats of golf so great, Reilly's wicked wit and an expert's eye provide readers with the next best thing to a great round of golf.

Who's Your Caddy? Rick Reilly, 2004-09 For caddy read confessor, punch-bag, psychotherapist, life-coach, general dogsbody, friend. It's all in a day's work for the men who carry the bag. And if you want to get behind the Pringle sweaters and PR there's no better place to be. Who knows a golfer best? Who's with them every minute of every round, hears their every word, witnesses their despair and triumph? Who knows if, when and how they cheat? The caddy, of course. So when Rick Reilly, America's most celebrated sportswriter, decided he wanted to write a book about golf he put down his pen, picked up the phone, and hired himself out to the great, near great and the reprobates of golf. The results were amazing - John Daly, Tom Lehman, Donald Trump, Deepak Chopra, a blind player, David Duval, a couple of high-rolling hustlers in Vegas and even Jack Nicklaus himself, put their doubts behind them and hand over the bag. If you can't get to the course, your short game is in tatters and Big Bertha can no longer deliver on her promises, give yourself a break and sit down and read what it's like for the rest of the world's population of golfers. In *Who's Your Caddy?* you'll find out - you're not alone-

Commander in Cheat Rick Reilly, 2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. *Commander in Cheat* paints a side-splitting portrait of a congenital cheater (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

Caddyshack Chris Nashawaty, 2018-04-24 "More fun to read than the movie was to watch... a scene-stealing book." – The Washington Post An Entertainment Weekly Must List selection *Caddyshack* is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn't start out that way, and everyone who made it certainly didn't have the word "classic" in mind as the cameras were rolling. In *Caddyshack: The Making of a Hollywood Cinderella Story* film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy's greatest deranged minds as they form The National Lampoon, turn the entertainment industry on its head, and

ultimately blow up both a golf course and popular culture as we know it. *Caddyshack* is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there's ever been, and a rich portrait of the biggest, and most revolutionary names in Hollywood. So, it's got that going for it...which is nice.

An American Caddie in St. Andrews Oliver Horovitz,2014-02-04 A caddie since he was twelve and a golfer sporting a 1.8 handicap, Ollie decides to spend his gap year, pre Harvard, in St. Andrews: a town with the U.K.'s highest number of pubs per capita and home to the Old Course, golf's most famous eighteen holes, where he enrolls in the St. Andrews Links Trust caddie trainee program. Initially, the notoriously brusque veteran caddies treat Ollie like a pest. But after a year of waking up at 4:30 A.M. every morning and looping two rounds a day, Ollie earns their grudging respect. A charming coming-of-age memoir.

So Help Me Golf Rick Reilly,2022-05-10 A beloved New York Times bestselling author and golf aficionado shares his insatiable curiosity, trademark sense of humor, and vast knowledge of the game in this cavalcade of original pieces about why we love the sport, now featuring three additional new pieces. This is the book Rick Reilly has been writing in the back of his head since he fell in love with the game of golf at eleven years old. He unpacks and explores all of the wonderful, maddening, heart-melting, heart-breaking, cool, and captivating things about golf that make the game so utterly addictive. We meet the PGA Tour player who robbed banks by night to pay his

motel bills, the golf club maker who takes weekly psychedelic trips, and the caddy who kept his loop even after an 11-year prison stint. We learn how a man on his third heart nearly won the U.S. Open, how a Vietnam POW saved his life playing 18 holes a day in his tiny cell, and about the course that's absolutely free. Reilly mines all of the game's quirky traditions—from the shot of bourbon you take before you tee off at Peyton Manning's course, to the way the starter at St. Andrews announces to your group (and the hundreds of tourists watching), "You're on the first tee, gentlemen." He means that quite literally: St. Andrews has the first tee ever invented. We'll visit the eighteen most unforgettable holes around the world (Reilly has played them all), including the hole in Indonesia where the biggest hazard is monkeys, the one in the Caribbean that's underwater, and the one in South Africa that requires a shot over a pit of alligators; not to mention Reilly's attempt to play the most mini-golf holes in one day. Reilly expounds on all the great figures in the game, from Phil Mickelson to Bobby Jones to the simple reason Jack Nicklaus is better than Tiger Woods. He explains why we should stop hating Bryson DeChambeau unless we hate genius, the greatest upset in women's golf history, and why Ernie Els throws away every ball that makes a birdie. Plus all the Greg Norman stories Reilly has never been able to tell before, and the great fun of being Jim Nantz. Connecting it all will be the story of Reilly's own personal journey through the game, especially as it connects to his tumultuous relationship with his father, and how the two eventually reconciled through golf. This is Reilly's valentine to golf, a cornucopia of stories that no golfer will want to be without. **The Sports Librarian's Best of 2022 – Sports Books**

Loopers John Dunn, 2014-05-13 John Dunn never expected that his summer job as a caddie at the local course in Connecticut might turn into something more. The lifers who plied the loops were an ensemble of misfits and degenerates who made the caddie yard look more like a gambling hall than a country club. But Dunn came of age in those yards and on those courses, and the magnetism of the game and the lifestyle proved irresistible. One adventure after another kept him coming back summer after summer, until he found himself migrating with the seasons, looping at some of the most exquisite and exclusive golf locations in the world. Dunn crisscrossed the country on his own big loop, working inside the privet hedges while camping on the mountains, following the back roads and stumbling across unexpected moments of profound natural beauty, and embracing the freedom of what he calls the last vagabond existence in America, all while trying to decide whether to quit the loop and get a real job. Maybe next season...

Missing Links Rick Reilly, 2011-05-04 When a group of middle-class buddies obsessed with golf set up a bet to see who can finagle their way onto the nearby private course, their friendship is tested in ways they had never expected in this humorous novel from Rick Reilly, one of America's most popular sportswriters. *Missing Links* is the story of four middle class buddies who live outside of Boston and for years have been 1) utterly obsessed with golf and 2) a regular foursome at Ponkaquoque Municipal Course and Deli, not so fondly known as Ponky, the single worst golf course in America. Just adjacent to these municipal links lies the Mayflower Country Club, the most exclusive private course in all of Boston and a major needle in their collective sides. Frustrated by the Mayflower's finely manicured greens and snooty members, three of Ponky's finest and most courageous—Two

Down, Dannie, and Stick—set up a bet: \$1,000.00 apiece, and the first man to somehow finagle his way on to the Mayflower course takes all. Lying, cheating, and forgery are encouraged, to put it mildly, and with the constant heckling and rare aid of Chunkin' Charlie, Hoover, and Bluto--a few more of Ponky's elite--the games begin. One of the three will eventually play the Mayflower's course, but their friendships--and everything else--will change as various truths unravel and the old Ponky starts looking like the home they never should have left.

Caddy for Life John Feinstein, 2008-08-21 Beyond golf's polished surface there lies a world not often seen by the average fan. The caddy sees everything - the ambition, the strategy, the rivalries, the jealousies - that occurs behind the scenes. Award-winning John Feinstein, America's favourite sportswriter, got one of golf's legendary caddies to reveal the secrets behind the most popular sport of our time. Bruce Edwards was diagnosed with Lou Gehrig's disease in January 2003, a progressive disease that attacks nerve cells in the brain and the spinal cord, but he dominated coverage of the 2003 US Open. This is a position not usually bestowed on a caddy, but Edwards was no ordinary caddy. In 1973, after forgoing college, Edwards walked on the course behind a young Tom Watson and never looked back. Watson would go on to win eight major titles with Bruce Edwards by his side. Edwards continued to do the job he had dedicated more than half his life to right up to his death in April 2004, aged 49. This is a moving, dramatic and thoughtful book about a life devoted to sports.

The Red Caddy Charles Bowden, 2018-04-25 A passionate advocate for preserving wilderness and fighting the bureaucratic and business forces that would destroy it, Edward Abbey (1927–1989) wrote fierce, polemical books such as *Desert Solitaire* and *The Monkey Wrench Gang* that continue to inspire environmental activists. In this eloquent memoir, his friend and fellow desert rat Charles Bowden reflects on Abbey the man and the writer, offering up thought-provoking, contrarian views of the writing life, literary reputations, and the perverse need of critics to sum up “what he really meant and whether any of it was truly up to snuff.” *The Red Caddy* is the first literary biography of Abbey in a generation. Refusing to turn him into a desert guru, Bowden instead recalls the wild man in a red Cadillac convertible for whom liberty was life. He describes how *Desert Solitaire* paradoxically “launched thousands of maniacs into the empty ground” that Abbey wanted to protect, while sealing his literary reputation and overshadowing the novels that Abbey considered his best books. Bowden also skewers the cottage industry that has grown up around Abbey's writing, smoothing off its rougher (racist, sexist) edges while seeking “anecdotes, little intimacies . . . pieces of the True Beer Can or True Old Pickup Truck.” Asserting that the real essence of Abbey will always remain unknown

and unknowable, The Red Caddy still catches gleams of “the fire that from time to time causes a life to become a conflagration.”

Mustang Miracle Humberto G. Garcia, 2012-09-21 In 1957, when very few Mexican-Americans were familiar with the game of golf, and even less actually played it, a group of young caddies which had been recruited to form the San Felipe High School Golf Team by two men who loved the game, but who had limited access to it, competed against all-white schools for the Texas State High School Golf Championship. Despite having outdated and inferior equipment, no professional lessons or instructions, four young golfers with self-taught swings from the border city of Del Rio, captured the State title. Three of them took the gold, silver and bronze medals for best individual players. This book tells their story from their introduction to the game as caddies to eventually becoming champions.
