The Composer Is Dead Lemony Snicket, 2011-05-10 There's dreadful news from the symphony hall-the composer is dead! If you have ever heard an orchestra play, then you know that musicians are most certainly guilty of something. Where exactly were the violins on the night in question? Did anyone see the harp? Is the trumpet protesting a bit too boisterously? In this perplexing murder mystery, everyone seems to have a motive, everyone has an alibi, and nearly everyone is a musical instrument. But the composer is still dead. Perhaps you can solve the crime yourself. Join the Inspector as he interrogates all the unusual suspects. Then listen to the accompanying audio recording featuring Lemony Snicket and the music of Nathaniel Stookey performed by the San Francisco Symphony. Hear for yourself exactly what took place on that fateful, well-orchestrated evening.

The Teaching of Instrumental Music Richard Colwell, Michael Hewitt, Mark Fonder, 2017-10-12 The Teaching of Instrumental Music, Fifth Edition introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music, with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program, presenting first the history and foundations, followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV, and V are devoted to the skills and techniques of woodwind, brass and percussion, and string instruments. In all, The Teaching of Instrumental Music is the complete reference for the beginning instrumental teacher, commonly retained in a student's professional library for its unique and comprehensive coverage. NEW TO THIS EDITION: Revision and updating of curriculum developments, such as coordinating State Department of Education student learning objectives with the recent Every Student Succeeds Act (ESSA) New discussion of the NAfME National Standards as they relate to the teaching of instrumental music Revamping of rehearsing instrumental ensembles chapters, including new or expanded sections on programming, choosing quality music, and applying successful rehearsal techniques Updates on references, plus new discussion questions, and websites and internet links A chapter devoted to classroom guitar Updates on the use of technology for teaching and learning music More on healthy performance practice, marching band, and jazz band Online materials located in the eResources section on the Routledge website.

Duet with the Past Daron Hagen,2019-04-01 Composer, conductor and operatic polymath Daron Hagen has written five symphonies, a dozen concertos, 13 operas, reams of chamber music and more than 350 art songs. His intimate, unsparing memoir chronicles his life, from his haunted childhood in Wisconsin to the upper echelons of the music world in New York and Europe. Hagen's vivid anecdotes about his many collaborators, friends and mentors--including Leonard Bernstein, Lukas Foss, Gian Carlo Menotti, Paul Muldoon, Ned Rorem, Virgil Thomson and Gore Vidal--counterpoint a cautionary tale of the sacrifices necessary to succeed in the brutally unforgiving business of classical music.

The North Carolina Symphony Joe A. Mobley,John W. Lambert,2019-06-07 From its beginnings during the Great Depression, the North Carolina Symphony has touched the lives of countless Tar Heels. One of the state's premier cultural organizations and the oldest continuously state-supported orchestra in the nation, the Suitcase Symphony grew from a small group of volunteer players to the world-class orchestra it is today. This book details the contributions of founder Lamar Stringfield, longtime conductor Benjamin Swalin and his wife, Maxine, current music director Grant Llewellyn, and other leaders of this iconic institution. The authors place the symphony's story for the first time in the context of North Carolina's cultural history and, in the process, reveal much about the musical traditions of the Sahara of the Bozart and about the trials and triumphs of maintaining a state symphony orchestra.
