The Wiccan belief system is actually quite complex in the fact that Wiccans have a certain way of thinking and living their lives. Similar to other religions, Wiccans like balance and peace of all things. They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things. They go by a guilt-free morality. What this means is that there is no jealous or vindictive God in Wicca. Witchcraft is technically considered a type of magic whose emphasis is on earthly magic, such as natural magic and herbal magic. The witch in all her forms lives in these practices, living on the fringe of society and acting as healer and destroyer. Often associated with women, witchcraft can be practiced by men as well. Spend some time exploring your goals and dreams and begin to make a list of spells you would like to try. **Wicca for Absolute Beginners** Lisa Moon,2021-06-08 Do you want to learn more about witchcraft? It is believed that witchcraft is the practice of supernatural and magical forces to affect an individual, place, event or property in either a good or a bad manner. It is said to have historical, social, and anthropological meanings. It is usually viewed as evil or death by the public, and this is possibly due to the fact that it is primarily blamed for the many unexplained events that occur during the 20th century. In fact, witchcraft is simply at its best a magic of nature, and there is nothing wrong with learning how to be a witch and witchcraft spells as long as you wish to do it for personal purposes for the right reasons. Well, trust me, if you intend to pass negative effects on other people, then you are not coming from a spiritual place. The general rule of harming no one also applies to any form of manipulative magic, irrespective of whether you meant well or not. There's been a lot of discussion about both ancient and modern witchcraft, and in this book, it's going to put in your hands what we think is useful to understand better what we're talking about when we're talking about witchcraft. In other words, you cannot work magic if you intend to affect the emotions and behaviors of others and not ourselves. You also should not work magic on others without seeking their permission. Finally, you should never try to make decisions for others, thinking that it is in their best interest. They know what is best for them and if they want you to perform the magic on them, they will let you know! This book covers: Wicca History Introduction to Magick and Wicca Wiccan Beliefs and Practices Basics Tools for Wicca Assorted Spells and Strategies The Basics of Spells and Rituals Examples for Ritual Exercises and Magickal Techniques Spells for Health and Healing Love Spells Wealth Spells Grab your copy NOW and get addicted to this amazing book!
