Lite Leadership Bennett Annan PsyD EdD,2021-07-06 Many workplaces have become dark, confused, and in shambles—the COVID-19 pandemic has pushed some companies into crisis. Even though it's easy to see employees are disillusioned, unmotivated, and uninspired, problems continue to fester. Conventional leadership strategies have helped us develop the internet, go to outer space, and create nuclear bombs. But too often, leaders themselves have made choices at the expense of humanity. A new kind of global leader, a LeaderLITE®, has emerged as a result of globalization. These leaders can deal with multifaceted intellectual and cultural issues, while also being sensitive to the ethical needs of the people they serve. Lite Leadership is necessary for every forward-thinking executive. In this book, you will learn how to become a LeaderLITE®, a holistic leader who attends to all three of components of a human being: mind, body, and spirit. You will also learn how to develop the perfect combination of your Physical health, Emotional stability, Personal growth, Spiritual resilience, and Environmental culture to form your own PEPSE® system of leadership that no longer settles for anything less than the best for mankind. Finally, you will learn how Lite Leadership will help you lead and manage people so they can quickly adapt to this new world of globalization.
