Miracle Wimp Erik P. Kraft,2009-04-01 Certain to appeal to boys, *Miracle Wimp* takes readers on an episodic journey that is sure to keep them laughing. The story follows Tom Mayo as he navigates his way through wood shop, dating, driving, and the meat-headed Donkeys, bullies who are determined to make his life miserable. Filled with humorous details and sardonic wit, Erik Kraft deftly portrays high school through the eyes of a wise-cracking misfit.

Have Mercy N. E. Henderson,2022-06 We were high school sweethearts. One day she disappeared after class and didn't come back. She left me high and dry. I was angry. I took it out on her by sleeping with her best friend. Then she showed back up with a story I didn't believe. I was done. I married her best friend after she got pregnant, and now I have a seventeen-year-old son who's stuck in the middle of our divorce. But then I saw my ex again. Feelings arose I thought I buried all those years ago. She's still mine. I proved it against a wall after a heated argument. I found out there's been no one else since me, and now that I've had her again, I'll make sure there is no one else. Then I met her son, and he looks just like me. He's also seventeen and best friends with my son.

Sweet Agony Jessie Lane,2016-03-30 Beware of falling in love with the boy across the street. Disappearing from their dangerous life in Chicago, Ginny and her mother went from riches to rags by way of a new life in the sleepy, rural suburbs of New York. Under the illusion of safety, Ginny blossomed into a beautiful young woman with hopes and dreams for a future her mother was determined she would have. Lucas Young, her best friend's oldest brother, was the dashing hero in all of her dreams. The man she fantasized about sweeping her off her feet and giving her the happily ever after she had only heard about in her mother's fairytales. Sometimes, reality wasn't what we wanted it to be, though. What would happen when Ginny found out Lucas wasn't her Prince Charming after all? Instead, he was a rough and tumble soldier in extremely tarnished armor who had a propensity to break her heart. Maybe happily ever after wasn't meant for everyone. 50,000+ novel. Warning: This is the first book in a three-part serial spin-off from the Ex Ops Series. Sixty Years in Battle with the Power of the Devil and Still Counting Glenn Meredith Taylor,2012-09 I have written my life story in every detail from a six-foot-by-nine-foot prison cell... I have felt as if I am dissecting a frog in biology class in high school. Many things stand out. Many things are uncovered that have been buried for years. My strengths, my faults, my failures, my desires, my selfishness, and my sinfulness all coming to light, not just to the reader but to myself. Glenn Taylor has had a lot of time to think about the life choices

he has made and the consequences of his actions. From behind the bars of a prison floor, he chose to relive those memories with pencil and paper to better understand human nature. From physical abuse to being a crossing guard, from stealing car parts to hanging out at the drive-in, Glenn's childhood was saturated in emotional turmoil. While growing up he found happiness in women, disco dancing, and drag racing, then went on to be a successful bricklayer and nightclub owner. But still something was missing from his life. *Sixty Years in Battle with the Power of the Devil and Still Counting: Part One* recounts Glenn's life from his formative years as the youngest of six through his second marriage to his true love, Phyllis. Through this memoir, Glenn discovered that the devil is always battling with us, and sometimes it seems as though he is winning. But the war is not yet over. By God's grace we all have the chance to let him take control of our lives and fight the power of evil for us. Pain and sadness can be accompanied by joy and love if we only allow God to bring it into our lives.

Flesh and Blood James W. Messerschmidt,2004-10-08 This book provides a unique conceptualization of: 1) embodiment as a lived aspect of gender, 2) how masculine practices may be constructed by both boys and girls, 3) how such embodied social actions are related to violence and nonviolence, and 4) the fallacy of the mind-body, sex-gender, and gender difference binaries.

Stukk in the Burbs Robert DiChiara,2004-12-14 Richard Stukk is a full-time English professor at the College of the Living Dead (otherwise known as Copequa Community College) and a part-time private eye. Born a curmudgeon and raised paranoid in New York City, he now finds himself with an overly needy house, an overly sensitive wife, and an overly used red pen. For extra cash, he becomes a suburban Sherlock taking on house-burgling landscapers, neighbor-shadowing neighbors, motorhead Gen-X druggies, and a corrupt county councilman who has got himself missing, if not murdered. All this, while fending off a cop brother-in-law, a petulant mower, and a hot colleague with her commas and curves in all the right places. Not to mention, working towards his ultimate goal-to bring down the mysterious and licentious Professor Rex Bonet (aka King Bone), the Moriarity of the English Department. Assaulted? Confused? So is he. Only you're just reading this and he's Stukk in the Burbs. *Stukk in the Burbs: A Novel of Mystery and Mortgage Payments* from Professor Richard Stukk, Suburban P.I. is a comedy of errors, both grammatical and criminal, in the land of dying lawns and stone dead literacy.

The Battle for Wine and Love Alice Feiring, 2009 I want my wines to tell a good story. I want them natural and most of all, like my dear friends, I want them to speak the truth even if we argue, says Alice Feiring. Join her as she sets off on her one-woman crusade against the tyranny of homogenization, wine consultants, and, of course, the 100-point scoring system of a certain all-powerful wine writer. Traveling through the ancient vineyards of the Loire and Champagne, to Piedmont and Spain, she goes in search of authentic barolo, the last old-style rioja, and the tastiest new terroir-driven champagnes. She reveals just what goes into the average bottle--the reverse osmosis, the yeasts and enzymes, the sawdust and oak chips--and why she doesn't find much to drink in California. And she introduces rebel winemakers who are embracing old-fashioned techniques and making wines with individuality and soul. No matter what your palate, travel the wine world with Feiring and you'll have to ask yourself: What do I really want in my glass?

Nine Lives James Messerschmidt, 2019-04-05 Sociologists and criminologists have long known that there is a relationship between masculinity and crime, for gender has been advanced consistently as the strongest predictor of criminal involvement. *Nine Lives*, written by one of the most respected authorities on the subject of gender and crime, provides a fascinating account of the connection.

Sand Creek and the Tragic End of a Lifeway Louis Kraft, 2020-03-12 Western Heritage Award, Best Western Nonfiction Book, National Cowboy and Western Heritage Museum Nothing can change the terrible facts of the Sand Creek Massacre. The human toll of this horrific event and the ensuing loss of a way of life have never been fully recounted until now. In *Sand Creek and the Tragic End of a Lifeway*, Louis Kraft tells this story, drawing on the words and actions of those who participated in the events at this critical time. The history that culminated in the end of a lifeway begins with the arrival of Algonquin-speaking peoples in North America, proceeds through the emergence of the Cheyennes and Arapahos on the Central Plains, and ends with the incursion of white people seeking land and gold. Beginning in the earliest days of the Southern Cheyennes, Kraft brings the voices of the past to bear on the events leading to the brutal murder of people and its disastrous aftermath. Through their testimony and their deeds as reported by contemporaries, major and supporting players give us a broad and nuanced view of the discovery of gold on Cheyenne and Arapaho land in the 1850s, followed by the land theft condoned by the U.S. government. The peace treaties and perfidy, the unfolding massacre and the investigations that followed, the devastating end of the Indians' already-circumscribed freedom—all are revealed through the eyes of government officials, newspapers, and the military; Cheyennes and Arapahos who sought peace with or who fought Anglo-Americans; whites and Indians who intermarried and their offspring; and whites who dared to question what they considered heinous actions. As instructive as it is harrowing, the history recounted here lives on in the telling, along with a way of life destroyed in all but cultural memory. To that memory this book gives eloquent, resonating voice.
