Jemilson Pierrelouis

Cyprus Investment, Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws IBP, Inc.,2015-01-26 The assassination of President Kennedy in 1963 continues to be shrouded in mystery and controversy. In *Plausible Denial*, Mark Lane, the author of *Rush to Judgment*, the provocative and bestselling critique of the Warren Commission, reveals startling evidence about the CIA's involvement in a plot to murder the president. In 1978, when a small magazine ran a story by CIA renegade Victor Marchetti linking ex-CIA operative and convicted Watergate burglar E. Howard Hunt to the assassination, Hunt sued for defamation. Lane signed on as defense counsel for the publication, and set out to prove the truth of the allegations against Hunt and the CIA. Lane's investigation uncovered a web of conspiracy that involved anti-Castro Cubans, Watergate conspirators, and public officials at the highest levels of the intelligence community. The forewoman of the jury, Leslie Armstrong, stated that "Mr. Lane was asking us to do something very difficult. He was asking us to believe that John Kennedy had been killed by our own government. Yet when we examined the evidence, we were compelled to conclude that the CIA had indeed killed President Kennedy." Meticulously documented and compellingly written, this book makes public the contents of this curiously unpublicized trial, the only jury verdict directly related to the theory that the CIA was involved in the assassination.

From Extreme Poverty to Success Jemilson Pierrelouis,2016-06-03 As a child in Haiti, Jemilson Pierrelouis witnessed the devastating effects of poverty firsthand, and at the tender age of six, he vowed to do whatever he could to help. When he came to the United States at the age of eleven, that vow only grew stronger, and as he fought his way into adulthood, he used education to make his biggest dreams come true. Today, Dr. Pierrelouis is the CEO of Hedge Consultants, LLC, and he seeks to expand his philanthropic vision by using his book, *From Extreme Poverty to Success*, to both educate and encourage. Combining detailed information on everything stock-related with powerful motivational messages, Dr. Pierrelouis offers a world of possibilities along the path to achievement—both financial and personal. Follow Dr. Pierrelouis's journey and learn how to move away from the past and toward a future of unlimited fulfillment.
