George V. Wigram

Angels, Thieves, and Winemakers Joseph Mills, Professor of Surgery Chief of Vascular Surgery Joseph Mills, 2015-04-01 Dave McIntyre of the Washington Post said of the first edition of *Angels, Thieves, and Winemakers: Wine Poems*, ...a must-have for all wine lovers. No ideology here, just perspective. Mills has a keen sense for why wine is so improbably important to so many of us, and on page after page, the wine lover will say, 'Oh yes, that's me.' This second edition features many of the poems from the first edition alongside new poems. This is indeed a must-have for every wine lover, and also every lover in general.

Angels' Visits David Darlington, 1992-03-01 The author explores the obscure history of zinfandel wines, describing the ascension of California's mystery grape to a product worthy of worldwide attention, and relates many of his own wine-making experiences

Social-Science Commentary on the Book of Revelation Bruce J. Malina, John J. Pilch, A groundbreaking first social-science commentary on this popular book of the Bible.

Meaning, Madness and Political Subjectivity Sadeq Rahimi, 2015-02-20 This book explores the relationship between subjective experience and the cultural, political and historical paradigms in which the individual is embedded. Providing a deep analysis of three compelling case studies of schizophrenia in Turkey, the book considers the ways in which private experience is shaped by collective structures, offering insights into issues surrounding religion, national and ethnic identity and tensions, modernity and tradition, madness, gender and individuality. Chapters draw from cultural psychiatry, medical anthropology, and political theory to produce a model for understanding the inseparability of private experience and collective processes. The book offers those studying political theory a way for conceptualizing the subjective within the political; it offers mental health clinicians and researchers a model for including political and historical realities in their psychological assessments and treatments; and it provides anthropologists with a model for theorizing culture in which psychological experience and political facts become understandable and explainable in terms of, rather than despite each other. *Meaning, Madness, and Political Subjectivity* provides an original interpretative methodology for analysing culture and psychosis, offering compelling evidence that not only normal human experiences, but also extremely abnormal experiences such as psychosis are anchored in and shaped by local cultural and political realities.

The Wine of Angels Phil Rickman, 2011-04-01 The Merrily Watkins series will have you hooked. Join Merrily in her chilling tales of murder, mystery and intrigue. The new vicar had never wanted a picture-postcard parish - or a huge and haunted vicarage. Nor had she wanted to walk into a dispute over a controversial play about a seventeenth-century clergyman accused of witchcraft... a story that certain long-established families would rather remained obscure. But this is Ledwardine, steeped in cider and secrets... A paradise of cobbled streets and timber-framed houses. And also - as Merrily Watkins and her teenage daughter, Jane, discover - a village where horrific murder is a tradition that spans centuries. Few writers blend the ancient and supernatural with the modern and criminal better than Rickman. - Guardian

Lions, Locusts, and the Lamb Michael Kuykendall, 2019-01-28 The symbolism of Revelation has puzzled readers for centuries. Every generation falls prey to extreme views of interpretation. Even worse, they minimize the importance of John's Apocalypse by not teaching or preaching from it. Yet Revelation is a profound work of New Testament theology and warrants a close study. John expects and prepares believers to follow the Lamb through suffering and possible martyrdom. The problem is centered on what the symbols mean. Are they literal? Are they symbolic? Do the images refer to events and people in the first century, or to the last days of planet earth? Moreover, how is the book structured? Is it one vision, four visions, or more? Are the visions linear or recapped? *Lions, Locusts, and the Lamb: Interpreting Key Images in the Book of Revelation* demonstrates a way to unlock John's structure and unravel his symbols. The key is to follow a logical step-by-step interpretive approach that accents the historical, cultural, intertextual, extratextual, and particularly intratextual allusions and connections. The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers, preachers, and readers of Revelation.

Strange Wine Harlan Ellison, 2014-04-01 From “one of the great . . . American short story writers,” comes a collection of dark fantastical fiction (The Washington Post). In the Locus Award-winning “Croatoan,” a man descends into the sewers of New York City to confront the detritus of his irresponsibility. An “Emissary from Hamelin” presents humanity with an ultimatum, or everyone on Earth will have a dear price to pay the piper. And in the title story—famously written by the author in the storefront window of a Santa Monica bookshop—Willis Kaw is convinced that he is an alien trapped inside an Earthman's body, only to discover his suffering serves a purpose. *Strange Wine* includes these three stories and a dozen more unique visions from the writer the Washington Post hails as a “lyric poet, satirist, explorer of odd psychological corners, and purveyor of pure horror and black comedy.” Includes: “Croatoan,” “Working With the Little People,” “Killing Bernstein,” “Mom,” “In Fear of K,” “Hitler Painted Roses,” “The Wine Has Been Left Open Too Long and the Memory Has Gone Flat,” “From A to Z, in the Chocolate Alphabet,” “Lonely Women Are the Vessels of Time,” “Emissary from Hamelin,” “The New York Review of Bird Seeing,” “The Boulevard of Broken Dreams,” “Strange Wine,” “The Diagnosis of Dr. D’arqueAngel”

The Angels' Share Ellen Crosby, 2019-11-05 Ellen Crosby pours up another corking mystery with *The Angels' Share*, an intriguing blend of secret societies, Prohibition bootleg wine, and potentially scandalous documents hidden by the Founding Fathers, all of which yield a vintage murder. When Lucie Montgomery attends a Thanksgiving weekend party for friends and neighbors at Hawthorne Castle, an honest-to-goodness castle owned by the Avery family, the last great newspaper dynasty in America and owner of the Washington Tribune, she doesn't expect the festive occasion to end in death. During the party, Prescott Avery, the 95-

year old family patriarch, invites Lucie to his fabulous wine cellar where he offers to pay any price for a cache of 200-year-old Madeira that her great-great-uncle, a Prohibition bootlegger, discovered hidden in the US Capitol in the 1920s. Lucie knows nothing about the valuable wine, believing her late father, a notorious gambler and spendthrift, probably sold or drank it. By the end of the party Lucie and her fiancé, winemaker Quinn Santori, discover Prescott’s body lying in his wine cellar. Is one of the guests a murderer? As Lucie searches for the lost Madeira, which she believes links Prescott’s death to a cryptic letter her father owned, she learns about Prescott’s affiliation with the Freemasons. More investigating hints at a mysterious vault supposedly containing documents hidden by the Founding Fathers and a possible tie to William Shakespeare. If Lucie finds the long-lost documents, the explosive revelations could change history. But will she uncover a three hundred-year-old secret before a determined killer finds her?

The Holy Bible ... Stereotype Edition ,1831

The Four Horses of the Apocalypse Benjamin Dock Jr.,2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation. He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound. The scriptures pertaining to the first three and a half years of seven-week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand. Consequently, the same vision of John's revelation are written plainly and simple, rolling up all of Daniel's entities into two basic ones. One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast. Secondly, the beast out of the land is the false prophet sent for the destruction of Israel. The scarlet woman is Jerusalem or Babylon. That is pretty much it made simple so any one reading should comprehend the book. Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book. As well, those who miss the catching away of the bride of Christ will need the information written in God's word. Not much mention of this by modern ministers. You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul! Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25:3146. Evidently with so many failures of souls saved during the first half, God sends an angel close to the first half ending of tribulation to announce the everlasting gospel. Many people have hoarded food and other supplies but are only concerned with themselves. It must have been that many people were unaware of this sheep and goat judgment in force. Those who will not share with folks in need are goats and will be cast out of the kingdom. You survived the 666 mark and the beast worship but failed to share! God help you!
