Golden Girl - The Autobiography of the Greatest Ever Ladies' Darts Player Trina Gulliver, 2008-01-07 Trina Gulliver is indisputably the finest ladies' darts player in the world. With an amazing seven consecutive Lakeside Ladies' World Championship titles under her belt, this inspirational woman can lay claim to being the most phenomenal player of all time. But it hasn't always been a victorious check-outs for this Warwickshire girl. Qualifying as a joiner at the age of nineteen, Trina soon set up her own business and had her first taste of making it in what has traditionally been a man's world. Her calm head, keen eye and steady hand proved to be useful skills in this trade - and would prove priceless when stepped up to the oche as a professional player. Always a lover of the game, Trina held her first 'arrow' at the age of two, and after some success later in the Warwickshire County side she went full-time as a professional player. Without any sponsorship in her first year, she struggled to make ends meet as she drove all over Europe to play. But her determination to get to the top saw her make it to number ten in the world, and she finally hit the bullseye in the form of a sponsor. Twelve months later she was number one - where she remains to this day. Fiercely passionate about her sport, Trina has long been an outspoken critic of the prize money in the women's game compared to the men's, and has done sterling work in helping to raise the profile of the ladies' game. Professional to the core, Trina works as hard as the

top male players on her game, and is a role model to women in the sport. Golden Girl is the story of a woman whose talent, grit and determination saw her realise her dream. Heart-warming and inspirational, this book will appeal to darts lovers and anyone interested in a story of success against the odds.

Andy the viking Andy Fordham, 2009 Andy 'The Viking' Fordham is a darts legend and one of the most popular players of all time. But when he won the BDO World Championship in 2004, he was drinking at least 25 bottles of beer a day and weighed 31 stone. In 2007, Andy collapsed and nearly died. Then in 2008 he was told he wouldn't survive without a liver transplant.

How to Master the Sport of Darts George Silberzahn, 2004-01-01 Introduction by Dan William Peek, author of 'To the Point: The Story of Darts in America'

Darts Beginning to End George Silberzahn, 2009-06-25 Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanes (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

Visiting Mrs. Nabokov Martin Amis, 2011-01-26 A tantalizing collection of classic essays from one of the most gifted writers of his generation. • The brainy, sarcastic, tender intelligence at the center of these pieces can make you laugh out loud: they can also move you to tears.

—People Martin Amis brings the same megawatt wit, wickedly acute perception, and ebullient wordplay that characterize his novels. He encompasses the full range of contemporary politics and culture (high and low) while also traveling to China for soccer with Elton John and to London's darts-crazy pubs in search of the perfect throw. Throughout, he offers razor-sharp takes on such subjects as: American politics: If history is a nightmare from which we are trying to awake, then the Reagan era can be seen as an eight-year blackout. Numb, pale, unhealthily dreamless: eight years of Do Not Disturb. Chess: Nowhere in sport, perhaps in human activity, is the gap between the tryer and the expert so astronomical.... My chances of a chess brilliancy are the 'chances' of a lab chimp and a type writer producing King Lear. His fascination with the observable world is utterly promiscuous: he will address a cathedral and a toilet seat with the same peeled-eyeball intensity. —John Updike
