*Along the Way* Trudy Cathy White,2020-09-15 There are three things we must do to prepare ourselves to be more Christlike: prepare our minds; prepare our hearts; and prepare our hands. Are you ready? *Along the Way* is the inspiring true story of Trudy Cathy White from her childhood to adulthood, her years in Brazil as a missionary, and the many lessons she's learned "along the way." Through a series of devotionals, Trudy invites the reader to grow in their own Christian faith and in their personal relationship with Jesus. Her sweet spirit shines through the pages of this heartwarming (and often funny) book. Ultimately, Trudy's challenge to readers is to spend a few minutes each day preparing one's mind, heart, and hands for what God has in store. He is with us in the journey, and longs to pour out untold blessings as we travel together ... along the way.

*Georgia Made: The Most Important Figures Who Shaped the State in the Twentieth Century* Neely Young,2021 These are the people who hauled Georgia up from its poor, agrarian roots, making it among the most diversified, prosperous states in the country. They fought for freedom and served in the statehouse and White House. They excelled at sports, founded institutions that shaped countless lives and inspired through art and lives lived artfully. They are famous, obscure, colorful, outrageous and saintly, all with fascinating stories and all consequential, sometimes in ways felt the world over. They include Martin Luther King Jr., Jimmy Carter, Ted Turner, Alice Walker, Juliette Gordon Low, Hammerin' Hank Aaron and Vince Dooley. Many here are no-brainers, while others may surprise. But all deserve recognition among the most influential Georgians of the twentieth century. Join author and longtime journalist Neely Young on this journey through the lives of these significant men and women.

**Orange Moments** Laura Schupbach,2019-06-04 *Orange Moments* is the true story of the tragic death of Laura's eleven-year-old son and how she was able to lean into God rather than turn away at a time when there were no answers and

explanation for how or why God let it happen. On a typical Sunday afternoon, following morning mass, the day after Tristan's eleventh birthday party, Laura and her husband found themselves living their worst nightmare. Laura and her husband kept their boys safe; as parents, it was their top priority and responsibility. After years of swimming lessons, wearing helmets, setting boundaries on the driveway so as to not go into the street, and discussing rules about not talking to strangers or wandering off, they had not prepared for this. A must read if you have ever found yourself in a situation that has left you broken in a thousand pieces on the floor, asking God, Why? Laura states, It's not if it's when something like this happens to you. We all have family and friends we love, and death is inevitable. Laura claims her faith is the single most important reason why she's still standing and encourages her readers to develop a relationship with Christ for endurance and perseverance. Overcome with grief, Laura's writing is honest, vulnerable, and raw as she offers a glimpse into the daily struggle of losing a precious child. Follow Laura along the path she and her family endured for the first year following her son's death. Grief's stages do not happen in order, and there is no checklist to get through it. Laura navigates through her grief and all its ups and downs with her faith, the support of friends, family, church, and exercise. Orange Moments provides hope and inspiration for anyone suffering a loss. Laura believes God does not cause bad things to happen. It's easy to blame God, yet He's the one working within our circumstances while the evil one continues to break us down and tear us apart. Fight back, endure, have hope, and find your orange moment.

*Half the Man I Used to Be* Brian Ray Gross, 2014-05-14 All humans have weaknesses. Even mythical warriors and superheroes have a weakness. For author Brian Ray Gross, that weakness is food. This creates an interesting paradox: food is intended to strengthen, nourish, and sustain—but when we consume too much, we become weakened by it. In this weakness, we cannot be the people God intends for us to be. In *Half the Man I Used to Be*, Gross shares his story about food, weight, and his weight loss journey. He tells how it all came to head in October of 2012, when he found out that he was diabetic and that his liver was failing. He was at his weakest point, and he had a choice to make: he could continue to let the weakness dictate the rest of his life, or he could seek the strength to overcome. He chose the latter, and the kind of strength he needed could only come from God. This memoir discusses Gross's lifestyle changes and his weight loss success. His story serves to communicate there is hope for all who face the same challenges. It's not too late to regain the life you desire. You have a creator who made you in his image, and he wants the best for you. You can do this, and when you do, you'll be glad you did.

*A Legacy that Lasts* Trudy Cathy White, 2023-01-17 Faith . . . family . . . integrity . . . generosity . . . gratitude. These types of values were once the bedrock of most families and our culture. A quick look through today's headlines, however, shows these values and many others are vanishing right before our eyes. In a time of unprecedented progress, we as a people are losing our values. How do we reclaim the values that allow our families—and future generations—to flourish? With intentionality and with a plan. Author Trudy Cathy White, daughter of Chick-fil-A founder S. Truett Cathy, knows a thing or two about family values. Throughout her life, her parents modeled what it meant to be a servant-hearted, values-driven leader and ambassador for Christ in whatever role she was in. And, after spending decades as a missionary, camp director, mother to four, and grandmother to sixteen, Trudy has recognized that our attitudes, faith systems, and habits are tied to the values we are taught as children. Every family has values, regardless of whether they're intentional about identifying and communicating them. In *A Legacy that Lasts*, Trudy unpacks her guidebook for: Getting clarity on your identity by answering life's three big questions: Who am I? Why am I here? Where do I belong? Identifying your family values with a fun, easy-to-

implement exercise for both adults and children. Learning how to use “value experiences” and other strategies to transfer your family values to the next generation. As a parent, grandparent, teacher, or person of impact to the next generation, you have the power to help shape young people into the men and women God designed them to be. It’s never too late to get started, and this book will equip and inspire you for the exciting adventure of for identifying, preserving, and transferring your family values for the next generation!

Big Shoes to Fill Gavin Adams, 2024-01-16 Starting something is challenging. Think of it like building a plane over time and eventually testing it out when it's ready and you're ready. On the other hand, taking over something can feel impossible. Stepping into an organization feels more like jumping into a moving plane full of people and keeping it aloft while trying to improve the aircraft, maintain direction, and get to know your new co-pilots! The reality is that most of us inherit something, not start something: Teams, culture, processes, or perhaps entire organizations. As a long career with a single organization is increasingly a thing of the past, learning to step into a new leadership role is essential to leading well. *Big Shoes to Fill* helps leaders: Understand the tensions and problems associated with stepping into new leadership spaces, Create a learning environment that expedites trust, and Guide everyone experiencing the transition through the normative emotions of change.

**A Quiet Strength** Trudy Cathy White, 2020-03-10 While S. Truett Cathy was building Chick-fil-A, Jeannette M. Cathy was nurturing a family and together with their faith, they built an empire based on biblical principles. Chick-fil-A has become a national phenomenon over the past fifty years, forever changing the fast food industry in terms of food quality and customer service. Much has been written about Chick-fil-A founder S. Truett Cathy over the years, but the true, behind-the-scenes story of the Cathy family has never been told . . . until now. In *A Quiet Strength*, Truett’s daughter, Trudy Cathy White, tells the story of the real heart and soul of the Cathy family: her mother, Jeannette M. Cathy. This heartwarming memoir presents Trudy’s first-hand look at her mother’s amazing life, including growing up during the Great Depression with a struggling single mother, being crowned the best dancer in Atlanta at age six, singing in church revivals all across Georgia at age eight, breaking tradition by attending both college and seminary as a woman in the 1940s, and helping found the most influential and fastest-growing restaurant chain in the country. Trudy also shares Jeannette’s often-unbelievable misadventures raising three children on the Cathy farm—from beekeeping fiascos to regularly chasing a pony, a parrot, and a monkey around her living room! Throughout her incredible ninety-two years, Jeannette M. Cathy was an accomplished singer, dancer, musician, painter, theologian, farmhand, and self-taught repairman. Her most important roles, though, were the ones a precious few ever saw: that of a wife, mother, and grandmother. As S. Truett Cathy often said, “Jeannette can do and has done anything and everything. All I ever did was put a piece of chicken between a buttered bun!” Join Trudy Cathy White on a tour through the life of the surprising, enterprising, and downright hilarious grandmother you never knew you needed!
