Winning PR in the Wired World brings everyone from the CEO to the director of marketing up to cyberspeed by teaching them everything they need to know about PR in the new digital economy. Readers will learn how to implement communications guru Don Middleberg's four fast "rules" to successful PR: 1) Speed Wins, 2) Everyone Is Now an Entrepreneur, 3) The World Ends Every 120 Days, and 4) Buzz Is Everything. Middleberg then breaks his rules down in detail and expands on them, offering his keen insight into the marketplace of today and tomorrow. Winning PR in the Wired World analyzes how traditional PR has changed—discussing what's new, what works, and what doesn't—and provides insight and advice on how to make offline and online PR work together for effective campaigns. This groundbreaking guide takes a practical look at powerhouse companies that have implemented effective PR campaigns on the Web, including Amazon.com, Britannica.com, Victoria's Secret, Nike, and CDNow. Don Middleberg is the chairman and CEO of Middleberg Euro, the fastest-growing public relations agency in the country for the past two years, with offices in New York, San Francisco, and Boston. A leader in public relations and marketing, Middleberg is widely considered to be among the elite communications professionals in digital public relations. **Rethinking Public Relations** Kevin Moloney, 2006-04-18 All PR, whether for charities or arms manufacturers, is weak propaganda. Though it has its undeniable benefits (it grabs attention and helps circulate more information), it also has costs (such as selective messaging). This extensively revised edition of a classic text fully investigates PR, updating and expanding earlier arguments and building upon the successful first edition with new thoughts, data and evidence. Thought-provoking and stimulating, Rethinking Public Relations 2nd Edition challenges conventional PR wisdom. It develops the accepted thinking on the most important question facing PR - its relationship with democracy - and finds a balance of advantages and disadvantages which leave a residue of concern. It tackles topical issues such as: PR as a form of propaganda which flourishes in a democracy the

connections between PR and journalism the media, promotions culture and persuasion. Designed to appeal to final year undergraduates, postgraduates and researchers studying public relations, media and communications studies, this book explores the most important relationship PR has – the connection with democracy – and asks what benefits or costs it brings to politics, markets and the media.

**You Need PR** Jenna Guarneri, 2022-05-10 Why you need PR and how you can get it—even on a budget Did you know that about 90 percent of startups fail within the first five years of operation? One of the major reasons for their failure is poor brand awareness, which is developed through PR strategies. Having the right exposure is vital to gaining new clients, growing the company, and securing future funding—in general, company success. But startups and small businesses don't always have the kind of skills or resources they need to increase their visibility in an already oversaturated media landscape. Jenna Guarneri, CEO and founder of JMG Public Relations, believes that, equipped with the right tools and thinking, entrepreneurs and business leaders can become their own effective publicists. In *You Need PR*, she presents the key principles and practices behind good PR, showing you how to: Establish your brand, including how to humanize interactions to build a loyal following Build your press materials to develop the best possible story Formulate a strategy to launch your PR initiatives Deliver on the media interview and follow up appropriately A practical guidebook and powerful tool for any entrepreneur or small business owner, *You Need PR* offers a smart, step-by-step, do-it-yourself approach to publicity that will allow you to enhance your company's reputation and build lasting business momentum.
