**Wisdom of the Hidden Realms Oracle Cards** Colette Baron-Reid, 2009-10 Mystics have passed down stories of magical realms hidden from mortal sight, bridging the world of Nature and Spirit. Even before the written word, the ancients established a Divine partnership between humans and these Hidden Realms. Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual. The Alliance ensured that when we asked for guidance in manifesting our reality, they would help us find our way to the highest good for all. But in time, humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities. Religious superstition, dominance, and the power of intellect, reason, and technology became our focus; and our partnership was forgotten, so the realms faded away. As our global concerns have increasingly been more plaintive, they have returned to help us find our way home to our true purpose, prosperity, hope, and happiness. These cards represent some of those realms and their Queens and Kings, Princes, and other magical helpers. Let the Swan Queen point the way to transformation, the Arrow Master help you reach your goals, the Sun Dancers herald your victories, and the Sacred Union speak to the depth of your longing for love. Ask and ye shall receive, for the Highest Good is their motto. If you call upon them, they will answer

*Uncharted* Colette Baron-Reid, 2016 In *Uncharted*, internationally acclaimed intuitive counselor and spiritual cartographer Colette Baron Reid, whose best-selling books include *The Map* and *Messages from Spirit*, shows us that in the new normal of uncertainty, we can overcome the challenge

of feeling disoriented, scared, and helpless and chart a path to new possibilities. It's in the places unfamiliar to us--the uncharted places--where magic lies. Here we can claim our innate power to give birth to an extraordinary life and become who we are called to become. Colette explains, When we're lost, we all want a map--but maps can only tell us where we've been. All of us, personally and collectively, are headed somewhere new, to a future that has not yet been imagined, and we're creating it as we go. With her trademark compassionate candor and reassuring humor, as well as input from a wise, loving consciousness who call themselves Fred, Colette guides us on a journey of co-creation through five interconnected realms--the Realms of Spirit, Mind, Light, and Energy, Form. Whatever we wish to experience and manifest, if we start in the realm of Form, trying to fix our lives and think our way out of our problems, we end up living inauthentically and feeling disappointed. But if we orient ourselves in the Realm of Spirit first, a magical process of transformation begins within, from which we can manifest a new reality far better than we might ever have imagined. Following this path, we get to experience what we came to create in the Realm of Form, and watch as our fear gives way to a deep sense of purpose and enthusiasm for participating in the co-creative process. Throughout Uncharted are fresh and exciting exercises drawn from Colette's trademarked energy psychology process, IN-Vizion
