Each of his quotes is set in a context of insightful background on Obama's family experiences-a child of divorce, raised by a single mother, woven into a blended family, reared for years by his grandparents, then going on to embrace his multi-racial roots and blood relatives-and how each of these experiences helped to shape the choices he made in starting his own family. Barack Obama Barack Obama,2016 Barack Obama: his essential wisdom invites readers to

experience the powerful oratory of our forty-fourth president. Obama's skill at expressing deep empathy and thoughtful idealism made him a best-selling author at an early age. Taken together, they reveal a great intellect, dynamic leadership style, and steadfast determination. Arranged thematically, the selections reveal his thoughts and feelings, and even the occasional joke, about the many issues he faced during his two terms as president, universal healthcare, same-sex marriage equality, racial equality, and the threat of terrorism, to name a few.

**President Obama: 101 Moments, Likes, Similes, and More** Frank Palacio,2019-04-11 This book contains over 100 things to like about President Obama as well as some of the memorable moments about the man and the events leading up to and including his presidency. I strongly believe that we should do everything humanly possible to preserve President Obama's legacy! We should do this, not for Obama per se, but for the human race! We ought not sit idly and watch the legacy of a good man and an excellent president be destroyed by those that were operating out of bad place, hate, and bigotry and who refused to work with Obama! There are some who would have us forget that Obama rescued our country from the brink of economic disaster and the deepest recession in modern history. Finally, if someone who is worth millions and is well-connected like, ahem President Trump can invest so much time and energy trying to tear down President Obama, then this average citizen, me, can try to educate young people coming up and future generations about reasons to love President Obama! Boom!
