what i wish my teacher knew michelle muller, et al., 2017-10-07 The average American high school student spends over 5000 hours in school during the four years it takes to earn a high school diploma. They interact with countless adults throughout this experience, but are they ever truly known? This question echoed through Michelle Muller's mind for weeks as she struggled to adjust to her first year teaching 10th grade English in the urban core of Kansas City, MO. On a whim one morning, she decided to make sure that every student in her class had the opportunity to be known and understood. What followed was something she never could have predicted, and it absolutely transformed the culture of her classroom. With her students' permission, she is now giving voice to the honest beauty of their work in hopes that others will be just as inspired to love their neighbor with the reckless abandon required to heal a community one life at a time.

Wish Barbara O'Connor, 2016-08-30 Eleven-year-old Charlie Reese has been making the same secret wish every day since fourth grade. She even has a list of all the ways there are to make the wish, such as cutting off the pointed end of a slice of pie and wishing on it as she takes the last bite. But

when she is sent to the Blue Ridge Mountains of North Carolina to live with family she barely knows, it seems unlikely that her wish will ever come true. That is until she meets Wishbone, a skinny stray dog who captures her heart, and Howard, a neighbor boy who proves surprising in lots of ways. Suddenly Charlie is in serious danger of discovering that what she thought she wanted may not be what she needs at all. From award-winning author Barbara O'Connor comes a middle-grade novel about a girl who, with the help of a true-blue friend, a big-hearted aunt and uncle, and the dog of her dreams, unexpectedly learns the true meaning of family in the least likely of places. This title has Common Core connections.

The Amusement Park Jason Wood, 2017-01-20 Cyclone, Revolution, Corkscrew; Luna Park, Pleasure Beach, Dreamland – names and places instantly familiar to rollercoaster and amusement park enthusiasts. True Letters from a Fictional Life Kenneth Logan, 2016-06-07 “A funny and realistic coming-out tale... The rounded characters deal with betrayal and honesty and love and near tragedy in ways teen readers, gay or straight, will recognize. Just the right touch of humor, mystery, drama, and romance should earn this a place on every teen bookshelf.” – Kirkus Reviews (starred review) “We need stories that give courage to kids struggling to be honest with themselves and others about who they are. Logan tells one that will give you hope and make you laugh.” – Robbie Rogers, LA Galaxy midfielder, former midfielder for the US National Soccer Team “James and his friends have deep, meaningful, complex bonds... Logan’s look at a boy reconciling his private and public selves is well written and affecting.” – School Library Journal “Logan handles his material exceptionally well, building suspense as he dramatizes both the downside of being in the closet and the realistic complications of coming out, while creating, in

James, an unusually thoughtful and sympathetic character... [a] satisfying debut." – Booklist "A wonderful book that will encourage young readers to seek authenticity and stand up for their true selves... LGBT teens, as well as straight, will recognize much of their lives in this story. Highly recommended." – Voice of Youth Advocates (VOYA) "Logan tackles the complexities of coming out thoughtfully, presenting realistic (and not always fully supportive) responses to James's revelation." – Publishers Weekly "[James'] painful, funny experiences with family, love, and friends will resonate with many teens." – Bulletin of the Center for Children's Books

Christmas Stories My Grandpa Wrote for Me Glenn W. Martin,2000-12 This charming book contains ten children's stories by Glenn W. Martin. The first eight stories were written for his grandchildren, and to be read to the children of the churches he served at their Christmas Eve Family Services. You will meet Browser the dog, and Marty Mouse, and the three performers who missed the Christmas Pageant. You will find out if Patty got her Christmas wish, and learn about the girl who didn't want anything for Christmas. You will go to the manger with the stable boy, and share the disappointment of Ladius, the shepherd boy, who had to stay home. And you will wonder, with the blind Jacob, whether or not the new baby can really work miracles. The last two stories were written specifically for this book, for his two youngest grandchildren. You will learn why Jesus is missing from the manger, and why Shirley Starcluster can't twinkle. These stories, which are dedicated to Glenn's grandchildren, will never

grow old or out-of-date. They will continue to delight, inspire, and bring hope and joy. They are his gift to all children, whoever and wherever they may be.
