**Love Circles** Charles Lee Robinson, Jr.,2015-06-10 Love Circles is a riveting account of sexual revenge and betrayal played out over twenty-five years in the lives of three men, friends who have managed to stay friends, and are now happily married. They meet at a newly built jazz club to reminisce on all the bad relationships they have had over the years, times when they were living in a vicious love circle of life. Yet they still remained loyal to each other, despite all the other friends who betrayed them over the decades. The three have triumphed over all obstacles by learning that God is the only one who really gets revenge. The story follows Lenny, Richard, and Nathan as they learn things the hard way when their lives were put in danger. Will they prevail?

A History of Britain in 21 Women Jenni Murray,2016-10-06 From the bestselling author of A History of the World in 21 Women They were famous queens, unrecognised visionaries, great artists and trailblazing politicians. They all pushed back boundaries and revolutionised our world. Jenni Murray presents the history of Britain as you've never seen it before, through the lives of twenty-one women who refused to succumb to the established laws of society, whose lives embodied hope and change, and who still have the power to inspire us today.

The Return Mark T. Mustian,2000 Reporter Michael Mason's search for glimpses of God has uncovered dozens of fraudulent claims, including twenty-six false messiahs. The black Brazilian woman follows the messianic template: the hype, the healings, the adulation. Her control and dominance over the mammoth crowd at a Sao Paulo service surprises Mason. Is it the usual self-delusion? Hypnotism on a mass scale? Or perhaps, this time, the real thing: the Return?A disciple's odd death hints at something more sinister. Mason finds evidence of deception, leading him to question whether his glimpse is of the Other instead. Pursued by

the government, the military, and the mysterious black-hooded ajudantes, he must escape with his sanity, his life, and -- most important -- the answer.

**The Gendarme** Mark T. Mustian,2010-09-02 To most people, Emmett Conn is a confused old World War I veteran, fading in and out of senility. But in his mind, Emmett is haunted by events he'd long forgotten. In his dreams, he's a gendarme, a soldier marching Armenians out of Turkey. He commits unspeakable acts. Yet he feels compelled to spare one remarkable woman: Araxie, the girl with the piercing eyes-one green, one blue. As the past and present bleed together in *The Gendarme*, Emmett Conn sets out on one final journey to find Araxie and beg forgiveness, before it's too late. With uncompromising vision and boundless compassion, Mark Mustian has written a transcendent meditation on the power of memory-and the dangers of forgetting who we are and have been.

*The Perfect Friend* Jennifer Wolfthal,2020-10-06 Benny and Max are best friends. They often play together, until Max annoys Benny and the two friends get into a fight. The Legend of the Christmas Witch Aubrey Plaza,Dan Murphy,2021-11-16 From Parks and Recreation star Aubrey Plaza and creative partner Dan Murphy comes the long lost tale of the Christmas Witch, Santa Claus's much misunderstood twin sister. The perfect gift for the holiday season and beyond! Gather 'round the fire to hear a Christmas legend that has never been told before...until now. Each year a mysterious figure sweeps into town, leaving behind strange gifts in the night. No, not Santa Claus, but his sister... The Christmas Witch. Her story begins many, many years ago when her brother was torn away from her as a child. Raised alone by a witch of the woods, Kristtörn's powers of magic grew, as did her temper. Determined to find her

long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the balance. From award-winning producer and actress Aubrey Plaza and her creative partner Dan Murphy comes a holiday story unlike any told before. With all the richness of classic folklore, they've woven a tale of bravery, love and magic. Whatever you thought you knew about Christmas...think again.

**Playing President** Robert Scheer,2006-05-01 Reflections on, and interviews with, US presidents from Nixon to George W. Bush, from "one of the best reporters of our time" (Joan Didion, New York Times—bestselling author of *The White Album*). Robert Scheer's interviews with and profiles of US presidents have shaped journalism history. Scheer developed close journalistic relationships with Richard Nixon, Jimmy Carter, Ronald Reagan, Bill Clinton, and George H. W. Bush, and his reporting on them had a tangible impact on national debate—with examples including the famed 1976 *Playboy* interview in which then-candidate Jimmy Carter admitted to have lusted in his heart; and the 1980 interview with the *Los Angeles Times* during which the senior Bush confessed to Scheer his dream of a "winnable nuclear war." In *Playing President*, Robert Scheer offers an unparalleled insight into the presidential mind, analyzing administrations from Nixon to George W. Bush, offering insights that will surprise the reader—particularly those with rigid preconceptions about the decision-making processes of our leaders. Also included are reprints of Scheer's famous presidential interviews, along with previously unpublished interview transcripts and select writings.

**Furniture-Makers and Consumers in England, 1754-1851** Akiko Shimbo,2016-04-15 Covering the period from the publication of Thomas Chippendale's *The Gentleman and Cabinet-Makers' Director* (1754) to the Great Exhibition (1851), this book analyses the relationships between producer retailers and consumers of furniture and interior design, and explores what effect dialogues surrounding these transactions had on the standardisation of furniture production during this period. This was an era, before mass production, when domestic furniture was made both to order and from standard patterns and negotiations between producers and consumers formed a crucial part of the design and production process. This study narrows in on three main areas of this process: the role of pattern books and their readers; the construction of taste and style through negotiation; and daily interactions through showrooms and other services, to reveal the complexities of English material culture in a period of industrialisation.
