W.G. Sebald's Hybrid Poetics Lynn L. Wolff,2014-04-02 This book offers a new critical perspective on the perpetual problem of literature's relationship to reality and in particular on the sustained tension between literature and historiography. The scholarly and literary works of W.G. Sebald (1944–2001) serve as striking examples for this discussion, for the way in which they demonstrate the emergence of a new hybrid discourse of literature as historiography. This book critically reconsiders the claims and aims of historiography by re-evaluating core questions of the literary discourse and by assessing the ethical imperative of literature in the 20th and 21st centuries. Guided by an inherently interdisciplinary framework, this book elucidates the interplay of epistemological, aesthetic, and ethical concerns that define Sebald's criticism and fiction. Appropriate to the way in which Sebald's works challenge us to rethink the boundaries between discourses, genres, disciplines, and media, this work proceeds in a methodologically non-dogmatic way, drawing on hermeneutics, semiotics, narratology, and discourse theory. In addition to contextualizing Sebald within postwar literature in German, the book is the first English-language study to consider Sebald's oeuvre as a whole. Of interest for Sebald experts and enthusiasts, literary scholars and historians concerned with the problematic of representing the past.

WG Grace Robert Low,2010-11-01 Using contemporary accounts of W.G.'s greatest innings, many for the first time, Robert Low presents a radically new image of the sportsman who was recognised as the pre-eminent athlete of his day.From his emergence as a teenage prodigy to well past his fiftieth year W.G. dominated the game of cricket, taking 2,876 wickets and scoring 54,896 first-class runs in a career lasting an incredible 43 years, from 1865 to 1908. His beard and massive frame made him instantly recognisable wherever he went and his gamesmanship and wit were legendary.

W.G. Sebald Uwe Schütte,2018 W. G. Sebald was a literary phenomenon: a German literary scholar working in England, who took up creative writing out of dissatisfaction with German post-war letters. Within only a few years, his unique prose books made him one of the most celebrated authors of the late twentieth-century. This...critical introduction...highlights Sebald's double role as writer and academic. It discusses his oeuvre in the order in which his works were published in German in order to offer a deeper understanding of the original development of his literary writings--publisher's website.

Understanding W.G. Sebald Mark Richard McCulloh,2003 This volume provides a dissection of W.G. Sebald's fiction and his acclaim. A

German writer who taught in England for 30 years, he published four novels, first in German and then in English. His work gained even greater acclaim after his death in 2001, just months after the publication of his title Austerlitz.

Reading W. G. Sebald Deane Blackler, 2007 A daring new view of Sebald's works and the reading practice they call forth. W. G. Sebald was born in 1944 in Germany. He found his way as a young academic to England and a career as professor of German. Only between the late 1980s and his untimely death in 2001 did he concentrate on nonacademic writing, crafting a new kind of prose work that shares features with but remains distinct from the novel, essay, travel writing, and memoir forms and gaining elevation to the first rank of writers internationally. No less a critic than Susan Sontag was moved to ask Is literary greatness still possible?, implying that it was and that she had found it embodied in his writing. Deane Blackler explores Sebald's biography before analyzing the reading practice his texts call forth: that of a disobedient reader, a proactive reader challenged to question the text by Sebald's peculiar use of poetic language, the pseudoautobiographical voice of his narrators, the seemingly documentary photographs he inserted into his books, and by his exquisite representations of place. Blackler reads Sebald's fiction as adventurous and disobedient in its formulation, an imaginative revitalization of literary fiction for the third millennium. Deane Blackler received her Ph.D. in Comparative Literature in 2005 from the University of Tasmania.
