Increasingly, challenging games like this are being played by women's college teams. With the passage of Title IX and the success of the WNBA (Women's National Basketball League), women's college teams have received more support and attention both from academic institutions and basketball fans. One of the primary reasons for the growing interest in women's college basketball is the dedication of the women who coach these student athletes to personal and athletic success. Women currently coach nearly 65 percent of the women's basketball teams in all divisions of the NCAA. Their commitment to their sport and to their athletes has resulted in a game and a generation of athletes unlike any other. This analysis of the role of women coaches in college basketball provides a detailed history of women's involvement in college sports, as well as insights into the work of the great women coaches of the past and present, all highlighted through interviews with some of the most important women coaches of today.

WBCA's Offensive Basketball Drills Women's Basketball Coaches' Association, 2000 While the highest-scoring basketball players are usually those with the most talent, the highest-scoring teams are those that run their offense efficiently. Now you can boost your team's point totals—and victory totals—by using >WBCA's Offensive Basketball Drills> to improve your offensive execution. The top collegiate women's basketball coaches in the nation have put together their most effective offensive practice drills into this ultimate point-producing manual. Developed by the Women's Basketball Coaches Association, this drill collection was compiled by legendary coaches such as Tennessee's Pat Summitt, Old Dominion's Wendy Larry, Kansas' Marian Washington, Nebraska's Paul Sanderford, and Clemson's Jim Davis. In chapter 1, Movement Drills, you'll learn how to develop players who can cut, slash, pivot, explode, and stop on a dime. Everyone handles the ball in today's game, and chapter 2, Dribbling Drills, provides the framework for developing outstanding ballhandling skills from all five players on the floor. In chapter 3, Passing Drills, you'll learn how to create skillful passers who understand when and where to deliver the pass so that it leads to a scoring opportunity. Chapter 4, Screening Drills, includes detailed breakdowns and coaching tips for building screening drills into your practices. Once your players develop an uncanny knack for getting open, the drills in chapter 5, Shooting Drills, ensure they've got the tools to finish the job. They will, however, miss on occasion. When they do, chapter 6, Rebounding Drills, ensures they'll control the boards. Some teams attack quickly, others alternate their pace to catch their defenders off guard. Whatever your transition plan, use the information in chapter 7, Transition Drills, to make sure your players are effective in putting it to action. In chapter 8, Situation Drills, you'll learn how to get that bucket when you most need it. Accompanied by detailed instructions and illustrations, each drill describes the purpose, procedure, key coaching points, and possible variations to increase difficulty or competitiveness. The drills are grouped according to a key skill or facet of the offensive attack, making it easy to fine-tune your offense in practice so that it fires on all cylinders during games.

Courting Success Muffet McGraw, 2003-10-06 In the shadows of the nation's most storied football program, Muffet McGraw has quietly built the Notre Dame women's basketball program into a national power. Arguably, women's basketball has been the university's most consistently successful varsity sport. Over the past 15 years, Irish women's basketball teams have made 12 post-season appearances including nine trips to the NCAA tournament. The team's rise to national prominence was underscored with a national championship in 2001. In short, the Notre Dame women's basketball program has been steadily built into a perennial national championship contender, and its architect for those 15 years has been Head Coach Muffet McGraw. McGraw has more than 300 victories at Notre Dame and a winning percentage of .729 with numerous awards to attest to McGraw's coaching success. Her honors in 2001 alone: Women's Basketball Coaches Association National Coach of the Year, Naismith's Women's College Coach of the Year, Associated Press' Coach of the Year, Sports Illustrated for Women's Coach of the Year, and Big East Conference Coach of the Year. Personal accolades aside, Coach McGraw works hard to define effective methods for her players that will not only mean success on the court-but will also translate to personal fulfillment in life. Accordingly, in *Courting Success* McGraw outlines her ingredients for success-on and off the court-by sharing stories of hard lessons learned, the value of finely tuned work ethic and discipline, experiences that motivate and inspire, and key plays to put into daily living practice.

Tears We Cannot Stop Michael Eric Dyson, 2017-01-17 NOW A NEW YORK TIMES, PUBLISHER'S WEEKLY, INDIEBOUND, LOS ANGELES TIMES, WASHINGTON POST, CHRONICLE HERALD, SALISBURY POST, GUELPH MERCURY TRIBUNE, AND BOSTON GLOBE BESTSELLER | NAMED A BEST/MOST ANTICIPATED BOOK OF 2017 BY: The Washington Post • Bustle • Men's Journal • The Chicago Reader • StarTribune • Blavity • The Guardian • NBC New York's Bill's Books • Kirkus • Essence "One of the most frank and searing discussions on race ... a deeply serious, urgent book, which should take its place in the tradition of Baldwin's *The Fire Next Time* and King's *Why We Can't Wait*. —The New York Times Book Review Toni Morrison hails *Tears We Cannot Stop* as Elegantly written and powerful in several areas: moving personal recollections; profound cultural analysis; and guidance for moral redemption. A work to relish. Stephen King says: Here's a sermon that's as fierce as it is lucid...If you're black, you'll feel a spark of recognition in every paragraph. If you're white, Dyson tells you what you need to know—what this white man needed to know, at least. This is a major achievement. I read it and said amen. Short, emotional, literary, powerful—*Tears We Cannot Stop* is the book that all Americans who care about the current and long-burning crisis in race relations will want to read. As the country grapples with racist division at a level not seen since the 1960s, one man's voice soars above the rest with conviction and compassion. In his 2016 New York Times op-ed piece *Death in Black and White*, Michael Eric Dyson moved a nation. Now he continues to speak out in *Tears We Cannot Stop*—a provocative and deeply personal call for change. Dyson argues that if we are to make real racial progress we must face difficult truths, including being honest about how black grievance has been ignored, dismissed, or discounted. The time is at hand for reckoning with the past, recognizing the truth of the present, and moving together to redeem the nation for our future. If we don't act now, if you don't address race immediately, there very well may be no future.

In the days before the moon and tides exist, the kingdom is at peace. Singing fills the streets, and the subjects thrive under the reign of their king, queen, and princess. As her world falls apart, she faces questions she never expected to ask. Can she alone sing loudly enough to defeat fear? What light could shine brightly enough to overcome the darkness? Two unexpected encounters teach her surprising lessons about love, hope, and forgiveness. Along her journey toward freedom for herself and her people the truth becomes clear: if her kingdom will ever be restored to its former glory, the entire world will have to change.

Mad Seasons Karra Porter, 2006-01-01 As the popularity of women's basketball burgeons, Karra Porter reminds us in *Mad Seasons* that today's Women's National Basketball Association, or WNBA had its origins in a ragtag league twenty years earlier. Porter tells the story of the Women's Professional Basketball League WBL, which pioneered a new era of women's sports. Formed in 1978, the league included the not-so-storied Dallas Diamonds, Chicago Hustle, and Minnesota Fillies. Porter's book takes us into the heart of the WBL as teams struggled with nervous sponsors, an uncertain fan base, and indifferent sportswriters. Despite bouncing paychecks, having to sleep on floors, and being stranded on road games, the players endured and thrived. Karra Porter brings to life the pioneers of the WBL: "Machine Gun" Molly Bolin, who set lasting scoring records then faced an historic custody battle because of her basketball career; Connie Kunzmann, a popular player whose murder rocked the league; Liz Silcott, whose remarkable talents masked deeper problems off the court; Ann Meyers, who went from an NBA tryout to the league she had rebuffed; Nancy Lieberman, whose flashy play and marketing savvy were unlike anything the women's game had ever seen. A story of hardship and sacrifice, but also of dedication and love for the game, *Mad Seasons* brings the WBL back to life and shows in colorful detail how this short-lived but pioneering league ignited the imagination of a new generation of female athletes and fans.

Finding a Way to Play Joanne Lannin, 2015 *Finding a Way to Play* is full of stories about girls and women who have gone to great lengths to play the game of basketball. In this book you will read about: * Early pioneers, such as Senda Berenson, who played despite concerns about risks to their health and femininity * Black and Native American women, such as Shoni Schimmel, who endured racial discrimination as they searched for opportunities to play * Lesbians, such as Brittany Griner, who hid their identities for fear of being denied the chance to play * Women over 50 who ignore aches and pains to rediscover the joys of a childhood passion. Readers will come away with an understanding of the roads women have traveled to bring the game into the future. Those who grew up before Title IX may find themselves or loved ones in the stories of women who kept the earliest flame alive.

Sum It Up Pat Head Summitt, Sally Jenkins, 2014-03-04 Pat Summitt, the all-time winningest coach in NCAA basketball history and bestselling author of *Reach for the Summit* and *Raise the Roof*, tells for the first time her remarkable story of victory and resilience as well as facing down her greatest challenge: early-onset Alzheimer's disease. Pat Summitt was only 21 when she became head coach of the Tennessee Vols women's basketball team. For 38 years, she broke records, winning more games than any NCAA team in basketball history. She coached an undefeated season, co-captained the first women's Olympic team, was inducted into the Basketball Hall of Fame, and was named *Sports Illustrated* 'Sportswoman of the Year'. She owed her coaching success to her personal struggles and triumphs. She learned to be tough from her strict, demanding father. Motherhood taught her to balance that rigidity with communication and kindness. She was a role model for the many women she coached; 74 of her players have become coaches. Pat's life took a shocking turn in 2011, when she was diagnosed with early-onset Alzheimer's disease, an irreversible brain condition that affects 5 million Americans. Despite her devastating diagnosis, she led the Vols to win their sixteenth SEC championship in March 2012. Pat continued to be a fighter, facing this new challenge the way she's faced every other--with hard work, perseverance, and a sense of humor.
