Goddesses Never Age Christiane Northrup, M.D., 2015-02-24 THE NEW YORK TIMES BESTSELLER! Though we talk about wanting to age gracefully, the truth is that when it comes to getting older, we're programmed to dread an inevitable decline: in our health, our looks, our sexual relationships, even the pleasure we take in living life. But as Christiane Northrup, M.D., shows us in this profoundly empowering book, we have it in us to make growing older an entirely different experience, both for our bodies and for our souls. In chapters that blend personal stories and practical exercises with the latest research on health and aging, Dr. Northrup lays out the principles of ageless living, from rejecting processed foods to releasing stuck emotions, from embracing our sensuality to connecting deeply with our Divine Source. Explaining that the state of our health is dictated far more by our beliefs than by our biology, she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years—no matter what our culture tries to teach us to the contrary—including: · Vibrant good health · A fulfilling sex life · The capacity to love without losing ourselves · The ability to move our bodies with ease and pleasure · Clarity and authenticity in all our relationships—especially the one we have with ourselves Taking all the right supplements and pills, or getting the right procedure done, isn't the prescription for anti-aging, Dr. Northrup explains. Agelessness is all about vitality, the creative force that gives birth to new life. *Goddesses Never Age* is filled with tools and inspiration for bringing vitality and vibrancy into your own ageless years—and it all comes together in Dr. Northrup's 14-day Ageless Goddess Program, your personal prescription for creating a healthful, soulful, joyful new way of being at any stage of life.

The Return of the Feminine Rebecca Orleane, 2010-06 Women are Lifegivers who understand the feminine because cycles of life and death run in our blood. All things in Nature move in cycles, yet women's cycles have been ignored, dismissed, or pathologized, affecting our place in society and preventing us from truly being who we are. Premenstrual Syndrome, a culturally induced condition resulting from a suppression of women's emotional vision, has led us to stop listening to the wisdom of our own cycles, and caused us to approach Menopause in a welter of confusion. This book explores the cycles that define our lives, offers ways to heal our relationships, and beckons us to return to Nature. It is time to awaken to the value and power inherent in another way of seeing the world, through the eyes of feminine vision. It is time to return to the feminine and heal our relationships through living in harmony with Nature. This rich timely work clearly rises from the depths of a woman's soul. It is, indeed, an invitation

into Life's Mystery. This work is a must for all those who seek the healing of the human condition. -Kenneth Hamilton, M.D., author of *The Circle of the Soul* The minute I started reading this book, I got chills. My body said a big yes to this information. Yours will too! -Christiane Northrup, MD, author of *Mother-Daughter Wisdom*, *The Wisdom of Menopause*, and *Women's Bodies, Women's Wisdom* Rebecca Orleane is a talented researcher and writer with a feel for people and their lives. I strongly encourage you to consider her book. Here is a strong, unusual, and inspiring study valuable for many. Rebecca helps open magic to us. -Ruth Richards, M.D., Ph.D., author of *Everyday Creativity* Dr. Orleane writes with passion and conviction. *The Return of the Feminine* is an antidote for the stress and depression so prevalent in today's tattered cultures. -Stanley Krippner, Ph.D. co-author, *Extraordinary Dreams* and *How to Work with Them*
