The Stuff of Stars Marion Dane Bauer, 2020-10-06 In an astonishing unfurling of our universe, Newbery Honor winner Marion Dane Bauer and Caldecott Honor winner Ekua Holmes celebrate the birth of every child. Before the universe was formed, before time and space existed, there was . . . nothing. But then . . . BANG! Stars caught fire and burned so long that they exploded, flinging stardust everywhere. And the ash of those stars turned into planets. Into our Earth. And into us. In a poetic text, Marion Dane Bauer takes readers from the trillionth of a second when our universe was born to the singularities that became each one of us, while vivid illustrations by Ekua Holmes capture the void before the Big Bang and the ensuing life that burst across galaxies. A seamless blend of science and art, this picture book reveals the composition of our world and beyond – and how we are all the stuff of stars.

The Book Itch Vaunda Micheaux Nelson, 2015-11-01 In the 1930s, Lewis's dad, Lewis Michaux Sr., had an itch he needed to scratch—a book itch. How to scratch it? He started a bookstore in Harlem and named it the National

Memorial African Bookstore. And as far as Lewis Michaux Jr. could tell, his father's bookstore was one of a kind. People from all over came to visit the store, even famous people—Muhammad Ali, Malcolm X, and Langston Hughes, to name a few. In his father's bookstore people bought and read books, and they also learned from each other. People swapped and traded ideas and talked about how things could change. They came together here all because of his father's book itch. Read the story of how Lewis Michaux Sr. and his bookstore fostered new ideas and helped people stand up for what they believed in.

What Do You Do with a Voice Like That? Chris Barton, 2018-09-25 “When Barbara Jordan talked, we listened.” –Former President of the United States, Bill Clinton Congresswoman Barbara Jordan had a big, bold, confident voice—and she knew how to use it! Learn all about her amazing career in this illuminating and inspiring picture book biography of the lawyer, educator, politician, and civil rights leader. Even as a child growing up in the Fifth Ward of Houston, Texas, Barbara Jordan stood out for her big, bold, booming, crisp, clear, confident voice. It was a voice that made people sit up, stand up, and take notice. So what do you do with a voice like that? Barbara took her voice to places few African American women had been in the 1960s: first law school, then the Texas state senate, then up to the United States congress. Throughout her career, she persevered through adversity to give voice to the voiceless and to fight for civil rights, equality, and justice. New York Times bestselling author Chris Barton and Caldecott Honoree Ekua Holmes deliver a remarkable picture book biography about a woman whose struggles and mission continue to inspire today.

Freedom in Congo Square Carole Boston Weatherford, 2017-01-17 Chosen as a New York Times Best Illustrated Book of 2016, this poetic, nonfiction story about a little-known piece of African American history captures a human's capacity to find hope and joy in difficult circumstances and demonstrates how New Orleans' Congo Square was truly freedom's heart. Mondays, there were hogs to slop, mules to train, and logs to chop. Slavery was no ways fair. Six more days to Congo Square. As slaves relentlessly toiled in an unjust system in 19th century Louisiana, they all counted down the days until Sunday, when at least for half a day they were briefly able to congregate in Congo Square in New Orleans. Here they were free to set up an open market, sing, dance, and play music. They were free to forget their cares, their struggles, and their oppression. This story chronicles slaves' duties each day, from chopping logs on Mondays to baking bread on Wednesdays to plucking hens on Saturday, and builds to the freedom of Sundays and the special experience of an afternoon spent in Congo Square. This book will have a forward from Freddi Williams Evans (freddiwilliams.com), a historian and Congo Square expert, as well as a glossary of terms with pronunciations and definitions. The Undercurrents Kirsty Bell, 2022-09-06 Humane, thought provoking, and moving, this hybrid literary portrait of a place makes the case for radical close readings: of ourselves, our cities, and our histories. The *Undercurrents* is a dazzling work of biography, memoir, and cultural criticism told from a precise vantage point: a stately nineteenth-century house on Berlin's Landwehr Canal, a site at the center of great historical changes, but also smaller domestic ones. The view from this house offers a ringside seat onto the city's theater of action. The building has stood on the banks of the canal since 1869, its feet in the West but looking East, right into the heart of a metropolis in the making, on a terrain inscribed indelibly with trauma. When her marriage breaks down, Kirsty Bell—a British-American art critic, adrift in her midforties—becomes fixated on the history of her building and of her adoptive city. Taking the view from her apartment window as her starting point, she turns to the lives of the house's various inhabitants, to accounts penned by Walter Benjamin, Rosa Luxemburg, and Gabriele Tergit, and to the female protagonists in the works of Theodor Fontane, Irmgard Keun, and Rainer Werner Fassbinder. A new cultural topography of Berlin emerges, one which taps into energetic undercurrents to recover untold or forgotten stories beneath the city's familiar narratives.

Fighting in the Shade Sterling Watson,2011-07-19 "A brilliant, fearless look at the savage rites of passage that exist in the fraternity of American sports . . . gripping and unforgettable." –Dennis Lehane, author of *Mystic River* In 1964, seventeen-year-old Billy Dyer is a newcomer to Oleander, a Gulf Coast Florida town whose old guard define football as the ancient Spartans did their Agoge. It is a mode of brutal tutelage that forges the hearts and minds of the town's elite youth for a future of power. Billy's parents are recently divorced and he lives in a bad neighborhood with his secretive, alcoholic father. Through the brutal and fiery days of summer practice, Billy fights for a starting spot on the team, the Spartans. He makes the team, but in a horrific hazing scene far from the town, he rebels and in the process badly injures his rival for the flanker position. The events that follow force Billy into exile from football, then later back into the game when powerful men realize that the Spartans cannot win without him. "Fighting in the Shade is less a sports novel than a coming-of-age story wound around a mystery, with football as symbol and symptom." –St. Petersburg Times "A powerful, beautifully written book about attitudes and practices that we want to believe are safely in the past. Instead, as Watson reminds us, corruption and cruelty survive through their uncanny ability to take on new shapes." –Laura Lippman, New York Times–bestselling author "High school football mixes with Faust in this blitz of a novel from Watson . . . a big Dennis Lehane-like story of society, opportunity, and consequences, revealing

Watson as an accomplished storyteller.” –Publishers Weekly, starred review
