WORD STUDY AND ENGLISH GRAMMAR FREDERICK WILLIAM. HAMILTON, 2018

Word Study and English Grammar Frederick W. Hamilton, 2021-04-25 *Word Study and English Grammar* is a classic work on grammar, dealing with vocabulary and sentence structure subjects. The value of this book lies in the fact it was created in the period when linguistic studies just began to shape into the independent and complete scientific discipline.

Word Study and English Grammar Frederick William Hamilton, 2017-12 Excerpt from *Word Study and English Grammar: A Primer of Information About Words, Their Relations and Their Uses* Clearly, Edwin A. Abbott, Boston; Roberts Bros. This is a very excellent little book but is now, I believe, out of print. The tables of irregular verbs are the same as those used in *English Grammar for Common Schools*, Robert C. And Thomas Metcalf, New York, American Book Co. The student is recommended to study some good grammar with great care. There are many good grammars. The one used in the schools in the apprentice's locality will probably do as well as any.' About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

English Learning with Suffixes Sarah Retter, 2019-05-12 A suffix is a letter or group of letters added to the end of a word in order to get a new word with another meaning. For instance -able in portable, -iac in cardiac, -er in learner. If you understand the meaning of suffixes along with root words will give you the ability to determine a word's meaning without having to look it up. Learning the meaning of common suffixes can also help you understand unknown English words you come across. It can also help you become better at spelling words. Learning with suffixes will not only build your vocabulary but can make unfamiliar English words a lot less frightening. You will find in this book frequent English words that share the same suffix. Therefore, you will find it is very easy to relate different English words to the common suffix and remember its meaning. You can add thousands of words to your vocabulary in English by learning just the 100 most used English suffixes. You don't need to know which language they stem from; you only need to memorize or understand their meanings. Learning words with suffixes helps you to understand the origins of English grammar and spelling. So, by learning these, the forms and patterns of English will become clearer to you. Also, by studying suffixes, you're opening your brain up to understand many other languages, not just English. In this book you'll find a great guide to English Suffix words and how to use them. Download this book and start learning and understanding more English than ever!

British or American English? John Algeo, 2006-08-10 Speakers of British and American English display some striking differences in their use of grammar. In this detailed survey, John Algeo considers questions such as: •Who lives on a street, and who lives in a street? •Who takes a bath, and who has a bath? •Who says Neither do I, and who says Nor do I? •After 'thank you', who says Not at all and who says You're welcome? •Whose team are on the ball, and whose team isn't? Containing extensive quotations from real-life English on both sides of the Atlantic, collected over the past twenty years, this is a clear and highly organized guide to the differences - and the similarities - between the grammar of British and American speakers. Written for those with no prior knowledge of linguistics, it shows how these grammatical differences are linked mainly to particular words, and provides an accessible account of contemporary English in use.

The Art of Writing and Speaking the English Language Sherwin Cody, 2012-05-01 The publication features two titles, 'Word-Study' and 'Composition & Rhetoric', from the popular classic series on writing and speaking by Sherwin Cody. An easy way to learn how to communicate clearly

and effectively.
