I Teach! Therefore, I Can! John Schissler Jr., 2022-10-18 This is a true story of the "American Dream, which author John Schissler Jr. wishes would come true for everybody today. John Schissler, Jr. appropriately named this autobiography, I Teach; Therefore I Can, because he came to a country where he could. He earned a college degree, which enabled him to teach, an aspiration he had since his high school days. His parents had had only a 4th grade education in Croatia and, therefore, stressed for him the importance of an education. Mr. Schissler's love for teaching is the primary focus of this autobiography. Come along with his 32 years' journey as he poignantly displays the art of his profession. If you think you know English rather well, then allow Mr. Schissler to take you on a fascinating language tour through Italy, Germany, and Great Britain. Follow this trilingualist's destination to Newspeak, Doublespeak, and Textspeak. Watch this wordsmith, with a flair for fun, work on the curious nuances of the Latin, German, and English languages. Share in his levity for teaching and fondness for coaching, which he exhibited toward his students and athletes almost on a daily basis. In his retirement, Schissler bemoans the lack of respectability for his beloved profession. People insist that education is the panacea for all of today's societal ills. This seasoned teacher, John Schissler, demonstrates how not only is it a necessity for our society to thrive but also for our democracy to survive.
