Words Wit Arun Kumar Shrivastava, 2016-10-04 Words Wit offers a unique approach to expanding your vocabulary, as it employs a reverse acronym method to help readers remember these words in a fun manner. Rather than follow the regular break-down of a word, this book explains the meaning through acronyms where LAW stands for 'Last Authoritative Word.' More than six hundred words are

listed and for those who do not like the traditional alphabetically-listed layout (which can be found in the Appendix), Words Wit's content follows an Antakshari-inspired system, where the last letter of a word determines the next word in the list.
