Bible Word-Book William Swinton,2017-10-27 Excerpt from Bible Word-Book: A Glossary of Scripture Terms Which Have Changed Their Popular Meaning, or Are No Longer in General Use During the two and a half centuries since the first publication of the English version of the Scriptures in 1611 many words have gone nearly or quite out of use, and others have come to be used in a different sense from that intended by the translators. Both classes of words require explanation and, in most cases, their meaning is best illustrated and most clearly apprehended by quotations from old English writers, Where they are used in the same sense as in our version of the Scriptures. Is the Bible the Word of God? (Classic Reprint) W. Graham Scroggie,2017-11-18 Excerpt from Is the Bible the Word of God? Along some such line as that we propose to set forth the evidence - so far as that can be

done within strict limits - that the Bible is the word of God. In reply to the question before us, we give a threefold answer, namely, It Seems to Be; It Claims to Be; and, It Proves to Be. The conclusiveness Of the evidence is not in any one Of these answers taken by itself, but in the three together, which constitute irrefragable proof that the Bible is of divine origin, and therefore Of sovereign authority; that is, that it is the Word of God. Is the Bible the Word of God? Yes (Classic Reprint) Rev Thomas Duncan,2015-07-04 Excerpt from Is the Bible the Word of God?: Yes We venture to send out the following essays, articles, and sermons because we think they will supply some of the religious wants of the religious people of our day. If it be said that each of the subjects discussed has been explained and discussed before, we make reply, that the same may be said of every religious subject. And yet much remains to be explained, and there are calls for sermons and lectures and books on the most discussed subjects from many directions. The reasons are not far to see. The world of thought and knowledge is developing every day, new fields are opening, and information respecting their bounds and limits and products are needed by the public, and are asked for by it.
