A Commentary on the Book of the Twelve Michael Shepherd,2018 The books of the twelve Minor Prophets are some of the least studied by Christians today, but they contain some of the great themes of Scripture, such as God's mercy and judgment, His covenant with Israel, the day of the Lord, and the coming of the Messiah. Arguing for a canonical unity that recognizes the Minor Prophets as one cohesive composition, Michael Shepherd explains the historical meaning of each verse of the twelve books and also provides guidance for application and preaching. Pastors, teachers, and serious students of Scripture will find a wealth of insights for understanding the Minor Prophets. - from publisher.

Every Last Word Tamara Ireland Stone,2015-06-16 The New York Times bestseller everyone is talking about. If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more normal than she ever has as part of the popular crowd ... until she finds a new reason to question her sanity and all she holds dear.
