Reality-Based Leadership Cy Wakeman, 2010-09-21 Leadership strategies grounded in reality and focused on results Recent polls show that 71% of workers think about quitting their jobs every day. That number would be shocking-if people actually were quitting. Worse, they go to work, punching time clocks and collecting pay checks, while completely checked out emotionally. In Reality-Based Leadership, expert Fast Company blogger Cy Wakeman reveals how to be the kind of leader who changes the way people think about and perceive their circumstances-one who deals with the facts, clarifies roles, gives clear and direct feedback, and insists that everyone do the same-without drama or defensiveness. Filled with dynamic examples, innovative tools, and diagnostic tests, this book shows you how to become a Reality-Based Leader, revealing how to: Uncover destructive thought patterns with yourself and others Diffuse drama and lead the person in front of you Stop managing and start leading, empowering others to focus on facts and think for themselves Equipped with a facts-based, confident approach, you will free yourself from the frustrations you face at work and transform yourself into a Reality-Based Leader, with the ability to liberate and inspire others.

Williams,2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.
