Brazil 2014 Fifa 2014 Football World Cup Kwabina Byrne,Roselyn Byrne,2014-09-12 The Brazil 2014 World Cup soccer competition was a great change from the last few previous World Cup tournaments. In Brazil this year, football strategy went back to it being about the team and not individual players. This world cup tournament went to winning teams rather than winning individual players. This competition was all about teamwork, team strategy and team cohesion.

Sports Mega-Events and Urban Legacies Eduardo Alberto Cusce Nobre,2016-11-23 This book examines the urban legacy of the 2014 football World Cup in Brazil across the seven cities that hosted matches. The authors, all experts and natives of South America, analyse the context and impacts of hosting the World Cup for each of the host cities. The chapters use a range of background data and local knowledge and understanding to critically assess what benefits or disadvantages came along with bidding for and hosting World Cup final games, and importantly considers who the beneficiaries where and are. It further provides detailed empirical evidence that highlights a growing trend in sporting mega events: the overestimation of benefits and an underestimation of costs involved in hosting. The book adds to the critical literature that provides a counterweight to governments' aspirations to use mega events for the purposes of development and/or globalization, irrespective of the views of their citizens.

The FIFA World Cup 1930 - 2010 Stefan Rinke,Kay Schiller,2014-04-28 Content As Brazil 2014 will yet again show, the FIFA World Cup is a mega-event followed by billions of spectators around the globe. This volume is the first scholarly attempt to capture the history of the FIFA World Cup in its entirety. From the first World Cup in 1930 to the one in 2010 the tournament has exerted strong influences and acted as an important indicator of political, economic,

social and cultural developments. In bringing together contributions by international experts from history, cultural studies, sociology and politics this volume explores some crucial issues linked to the World Cup: from the political exploitation of the tournament for domestic purposes to its economic ramifications for the host nation and beyond; from its role for national identity and national self-representation to its potential to realize transnational modes of identity and interdependence; from its role as a global media event to its impact on the commercialization of football on the national and transnational stage. Zum Inhalt Auch bei der kommenden Fußballweltmeisterschaft in Brasilien werden Milliarden Zuschauer überall auf der Welt das Ereignis verfolgen: Der FIFA-World Cup ist ein Megaevent. Doch seine Bedeutung geht weit über das singuläre Ereignis hinaus: Seit der ersten Austragung im Jahr 1930 war das Turnier ein wichtiger Indikator für politische, soziale und kulturelle Entwicklungen. Die behandelten Themenkomplexe von Experten aus aller Welt - überwiegend Historiker, Soziologen und Kulturwissenschaftler - reichen von politischem Missbrauch des Turniers für innenpolitische Zwecke über wirtschaftliche Faktoren, nationale Identitäten bzw. ihre Selbstrepräsentationen bis hin zu der Entwicklung eines medialen Großereignisses.

Football Metaphysics Raven Mack,2014-05-11 Football Metaphysics: World Cup 2014 is a team-by-team preview of the 32 participating national teams in the FIFA World Cup to be held in Brazil. But more than just a simple sports dork preview, Football Metaphysics digs into the underlying spirits behind each team's quest to accomplish more, and perform better. This is not merely the data point science behind the teams, nor the unexplainable religious fervor for each national squad, but instead occupies proudly all the beautiful grey area between those two extremes. Football Metaphysics is about life in general, and the universe at large, as focused through the microcosm of this summer's impending World Cup.

The Country of Football Paulo Fontes,Bernardo Buarque de Hollanda,2014-06-15 Brazil has done much to shape football/soccer, but how has soccer shaped Brazil? Despite the political and social importance of the beautiful game to the country, the subject has hitherto received little attention. This book presents groundbreaking work by historians and researchers from Brazil, the United States, Britain and France, who examine the political significance, in the broadest sense, of the sport in which Brazil has long been a world leader. The authors consider questions such as the relationship between soccer, the workplace and working class culture; the formation of Brazilian national identity; race relations; political and social movements; and the impact of the sport on social mobility. Contributions to the book range in time from the late nineteenth century, when the British first introduced the sport to Brazil, to the present day, as the 'country of soccer' prepares itself to host the 2014 World Cup, painting a vivid picture of the many ways in which soccer exists and functions in Brazil, both on and off the pitch.

U.S. Men's National Soccer Team Okyere Bonna,2012-05-22 The U.S. men's national soccer team (USA) is looking up to 2014 FIFA World Cup in Brazil from June 12 to July 13, 2014. U.S. was one of the 13 nations that combined to launch the FIFA World Cup tournament in Uruguay in 1930. After placing third in the opening competition, U.S.A qualified for the 1934 World Cup and withdrew from the 1938 World Cup due to World War II. U.S.A participated in the 1950 tournament (also held in Brazil), where they upset England 1-0 in their second group match. After that memorable game, U.S.A. did not qualify for the FIFA World Cup again until 1990. In 1994 U.S.A qualified automatically as hosts in the 1994 tournament, but they lost to Brazil in the round of 16. From then on, the team has qualified for every FIFA World Cup and intends for the 2014 games to be no exception. At Germany 2006 and South Africa 2010, U.S.A bid farewell to the tournament at the Round of 16. This time in Brazil, USA will do well to carry the trophy in 2014. In June 2012 U.S.A will begin playing in Group A of Semifinal Round qualifying in CONCACAF, where they have always dominated. The opening match in group play will take place on June 8, 2012, against first-time semifinalists Antigua and Barbuda. Four days later, the U.S. will play away against Guatemala. The final two-game fixture date on October 12 will take the U.S. to Antigua and Barbuda for the first time. Four days later, U.S.A will finish the Semifinal Round with a home match on October 16 against Guatemala. The group winner and group runner-up will advance to the Final Round, which will take place in 2013 and feature a group of six teams. Qualifying for 2014 World Cup will not be enough for their new manager Klinsmann, and yet the stakes are higher than before. USA is therefore leaving no stone unturned to keep in shape. Providing an impressive supporting cast will be the likes of Maurice Edu, Carlos Bocanegra, Oguchi Onyewu, Michael Bradley, Jozy Altidore, Tim Howard and Clint Dempsey, all of whom are plying their trade on European soil at their peak. Dempsey, for example, has been in fine form in the premier league campaign at Craven Cottage. He ended the 2011-12 season as one of the top scorers in the English Premier League. No doubt Team U.S.A is ready for a blast in Brazil 2014. Get to know the American players who are dubbed to rock Brazil in 2014 in these pages. You will also find in these pages fun games and activities including crossword puzzles, wordbuilding and jeopardy to test your knowledge of the history of soccer in the United States. Answers are provided at the end of the book
