

# World Series Of Poker

James McManus

**Positively Fifth Street** James McManus,2007-04-01 Rough sex, black magic, murder, and the science-and eros-of gambling meet in the ultimate book about Las Vegas James McManus was sent to Las Vegas by Harper's to cover the World Series of Poker in 2000, especially the mushrooming progress of women in the \$23 million event, and the murder of Ted Binion, the tournament's prodigal host, purportedly done in by a stripper and her boyfriend with a technique so outré it took a Manhattan pathologist to identify it. Whether a jury would convict the attractive young couple was another story altogether. McManus risks his entire Harper's advance in a long-shot attempt to play in the tournament himself. Only with actual table experience, he tells his skeptical wife, can he capture the hair-raising brand of poker that determines the world champion. The heart of the book is his deliciously suspenseful account of the tournament itself-the players, the hand-to-hand combat, and his own unlikely progress in it. Written in the tradition of *The Gambler* and *The Biggest Game in Town*, *Positively Fifth Street* is a high-stakes adventure, a penetrating study of America's card game, and a terrifying but often hilarious account of one man's effort to understand what Edward O. Wilson has called Pleistocene exigencies-the eros and logistics of our primary competitive instincts.

*The Noble Hustle* Colson Whitehead,2015-03-03 From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys* • “Whitehead proves a brilliant sociologist of the poker world.” –The Boston Globe In 2011, Grantland magazine gave bestselling novelist Colson Whitehead \$10,000 to play at the World Series of Poker in Las Vegas. It was the assignment of a lifetime, except for one hitch—he’d never played in a casino tournament before. With just six weeks to train, our humble narrator took the Greyhound to Atlantic City to learn the ways of high-stakes Texas Hold’em. Poker culture, he discovered, is marked by joy, heartbreak, and grizzled veterans playing against teenage hotshots weaned on Internet gambling. Not to mention the not-to-be overlooked issue of coordinating Port Authority bus schedules with your kid’s drop-off and pickup at school. Finally arriving in Vegas for the multimillion-dollar tournament, Whitehead brilliantly details his progress, both literal and existential, through the event’s antes and turns, through its gritty moments of calculation, hope, and spectacle. Entertaining, ironic, and strangely profound, this epic search for meaning at the World Series of Poker is a sure bet. Look for Colson Whitehead’s bestselling new novel, *Harlem Shuffle*!

*All In* Jonathan Grotenstein,Storms Reback,2006-09-19 In this exciting history of the 2005 world series of poker, the authors introduce colorful--and seemingly fearless--characters and chronicle some of the most gut-wrenching moments to be found in any event of its kind.

Moneymaker Chris Moneymaker,2009-10-13 In 2004 the number of entrants -- and the winning pool -- at the World Series of Poker tripled, thanks in large part to Chris Moneymaker, an amateur player who came out of nowhere to win the 2003 Series, and prove to newcomers and poker pros alike that anything is possible with a chip and a chair. Moneymaker was a young accountant from Tennessee who loved to gamble but only took up cards after college. Three years later he was playing a \$40 game of online Texas Hold 'Em and won a coveted seat at the 2003 World Series of Poker. Borrowing money to get to Las Vegas, he entered his first real-time tournament and spent the next four days battling for a top spot at the final table. Filled with everything from his early gambling ventures to a play-by-play of his major hands at the World Series of Poker, *Moneymaker* is a gripping, fast-paced story for anyone who has ever dreamed of winning it big.

**From Vietnam to Vegas!** Qui Nguyen,Steve Blay,2017-11-01 Poker players are always told that to be successful, you have to play aggressively. What is not usually explained is just exactly how you are supposed to play aggressively. On the Final Table of the 2016 WSOP Main Event, Qui Nguyen destroyed the opposition with an absolute masterclass in aggressive play and walked away with the coveted gold bracelet as well as \$8 million. If you want to understand what this mythical “playing aggressively” means in practical terms, then *From Vietnam to Vegas* will give you the answer. Many of the experienced professionals commentating for TV simply couldn’t understand Qui’s play. Antonio Esfandiari, who has won over \$27 million in live play, commented, “I couldn’t get a read on Qui Nguyen if my life depended on it.” *From Vietnam to Vegas* tells the complete story behind Qui’s magnificent achievement. In this book Qui: reviews 176 key hands from his historic victory at the WSOP Final Tableprovides an in-depth analysis of his thought process on each handrelates the story of his life, from his early struggles in Vietnam through to his transition to a poker professional in Las Vegas. The book also includes commentary from Steve Blay, founder of AdvancedPokerTraining.com and Qui Nguyen’s personal poker advisor at the final table. Blay’s commentary often analyzes the mathematical basis behind Qui’s decisions, and discusses practical ways to apply it to your own poker game.

*The Championship Table* Dana Smith,Tom McEvoy,Ralph Wheeler,2004-03-23 From 1970 when the champion was presented a silver cup, to 2003 when the champion was awarded \$2.5 million, *The Championship Table* celebrates three decades of poker champions who have vied for poker's most coveted title. This book includes the names and photographs of all the players who made the final table, the last hand the champion played against the runner-up, how they played their cards, and how much they won. *The Championship Table* also features interviews and conversations with the champions and runners-up as well as interesting highlights from each Series. A tribute to the players who have risked the \$10,000 entry fee and pitted their skills against the best in the poker world's toughest arena. A fascinating and invaluable resource book for World Series of Poker (WSOP) buffs.

**Annie Duke** Annie Duke,David Diamond,2005 The top-ranked female poker player in the world reveals an insider's view of the World Series of Poker. Annie Lederer grew up in a card-playing family, whose dual mantra was Education is everything and win at all costs. At 26, when the Columbia alum suddenly developed a panic disorder just before finishing her doctorate, she freaked and fled to Montana. Months later, on a lark, she began to hone her poker skills and quickly started to win. Soon, she and her new husband upped the ante and moved to Las Vegas, and the rest is history. Highlighting strategic tips and keen analysis that will appeal to both the skilled player and the reader newly intrigued, Annie Duke shares a unique view of a game that's fast evolved into a subculture.--From publisher description.

**52 Greatest Moments World Series of Poker** Mark Rogers,2006

*The Biggest Game in Town* Al Alvarez,2009-02-03 Al Alvarez touched down in Las Vegas one hot day in 1981, a dedicated amateur poker player but a stranger to the town and its crazy ways. For three mesmerizing weeks he witnessed some of the monster high-stakes games that could only have happened in Vegas and talked to the extraordinary characters who dominated them--road gamblers and local professionals who won and lost fortunes on a regular basis. Set over the course of one tournament, *The Biggest Game in Town* is botha chronicle of the World Series of Poker--the first ever written--and a portrait of the hustlers, madmen, and geniuses who

ruled the high-stakes game in America. It is a brilliant insight into poker's appeal as a hobby, an addiction, and a way of life, and into the skewed psychology of master players and fearless gamblers. With a new introduction by the author, Alvarez's classic account is the greatest dissection of high-stakes Vegas poker and the madness that surrounds it ever written (TimeOut [UK]).

**How to Win the World Series of Poker (or Not)** Pat Walsh, 2006 Chronicling the author's journey to play in poker's big leagues, the World Series of Poker, this text is also about the all-American ideals of using a little bit of skill, a fair bit of guile, and an enormous amount of luck to grab the big win--or not.

Take Me to the River Peter Alson, 2006-07-11 MEET PETER ALSON An overeducated underachiever, he's spent his postcollege decades doing his best not to grow up. Now, having just turned the incomprehensible (to him) age of fifty, and staring down his own mortality, this rambling- gambling bachelor decides it's time to settle down. After years of equivocating, he pops the question to his longtime girlfriend. A wedding date is set for just after Labor Day, and to pay for it, a plan is hatched involving poker and a trip to Vegas. Alson boards a plane bound for the neon desert on his way to the biggest game in town, the 2005 World Series of Poker. Thus begins *Take Me to the River*, a first-person account of one inveterate gambler and bad boy's quest to grow up while at the same time compete with more than 5,000 players vying for over \$56 million in prize money during a scorching Vegas summer. *Take Me to the River* is a hilarious, heart-wrenching tale of Las Vegas and an exploration of what it means to be part of one of the fastest-growing and most popular sports in the United States, at the moment of its apogee, and of the lessons that poker has to teach about probability and luck, good and bad fortune, patience, perseverance, and -- most fitting for a man with marriage in his near future -- commitment.

*Final Table* Jonathan Duhamel, 2012-08-09 Delving into what it takes to win \$8.9 million in one tournament, this guide provides tips and tricks on becoming a World Series of Poker main event champion. Penned by the 2010 winner himself, the handbook reveals useful insight without being too technical, making it ideal for casual players and aficionados alike. Clever plays at crucial spots are revealed, and the 2010 champion's strategic thinking is retraced in detail, outlining the vital moments when he had to either go all in or fold. Key playing advice is combined with a personal memoir, chronicling the author's development as a poker player--from his earliest days through online playing and into tournaments. Illustrating the delicate balance between risk and caution, this unique companion is a must-have for Friday night enthusiasts as well as professionals.

**A Chip and a Chair** Stanley Cohen, 2005-04-29 I would like to introduce you to a novel about the World Series of Poker main event in the year 2013 and beyond. The reader will play in this coveted tournament through the eyes of an aging professional poker player, who learns to never give up, when it no longer seems possible to continue, as he comes full circle with his past. It soon becomes apparent that this man has more to worry about than being eliminated from this tournament, as his past could eliminate him from life itself. The events leading up to our hero's unpredictable performance, revolves around the union of a Jewish New Yorker and a Christian Arkansan Coal Miners daughter. All of this set against the excitement of Las Vegas and the poker god's latest creation, the Final Table Resort.

*WSOP No-Limit Tournament*, POWERFUL STRATEGIES TO WIN IT ALL! Imagine playing your way through thousands of opponents at a WSOP event, getting to the final table, and then winning it all? In this book, the first-ever official guide to winning the no-limit hold'em tournaments at the World Series of Poker, we show you how to put yourself in position to win the championship. Not only will you learn how to win chips as a weapon to earn even more chips. You'll also learn how to play position, read players, bet and think preflop, flop, turn and river, and when to underbet, overbet, bet the pot, or use the hammer-the all-in bet!

Championship Tournament Poker Tom McEvoy, 2004-02-01 Endorsed by more than five world champions and rated by pros as the best book on tournaments ever written, this is a must for every player's library. Packed solid with winning strategies for all 11 games in the World Series of Poker, with extensive discussions of 7-card high, high-low, lowball and razz, limit, pot limit and no limit hold'em, Omaha high, high-low and pot limit. Also includes re-buy, half-half, satellites, supersatellites, and mixed game, and strategies for each stage of tournaments, big player profiles, and answers to frequently asked questions about handling difficult situations in tournament play.

**Online Ace** Scott Fischman, 2006-06-13 From one of the game's most dynamic young champions, the definitive guide to online poker. Click here and start winning . . . Nearly two million players go online each day to test their poker skills at virtual tables with real money. Few have made the transition from Internet poker to live tournament play as successfully as two-time World Series of Poker champion Scott Fischman, and in *Online King* he shares his expert insight, money-making wisdom, and priceless strategies for playing the game well. The first instructional book written by a renowned poker champion for Internet players (as well as those hoping to make the transition from computer games to live play) *Online King* gives readers invaluable instruction that can be put into practice immediately on his popular website, thefishtank.com. No matter what skill level you have now, *Online King* will raise your game.

*World Series of Poker: Tournament No-Limit Hold'em* Avery Cardoza, 2010-07-13 The official sanctioned guidebook to winning no-limit hold'em tournaments at the World Series of Poker. The official guide to winning no-limit tournaments at the World Series of Poker and other big events is perfect for beginning and somewhat experienced players who want to jump right in on the action. Readers not only learn how to enter events, but detailed charts including basic odds for different situations, hand-match-ups, and multiple betting and playing charts that can be found nowhere else make this book extra unique. Includes strategy insights from many superstars including Doyle Brunson, Mike Caro, Daniel Negreanu, Phil Hellmuth Jr., and more!.

World Series of Poker Official Guidebook Avery Cardoza, Dana Smith, Richard Belsky, 2010-07-13 The official guidebook to the World Series of Poker, the most exciting and prestigious poker event in the world. The World Series of Poker celebrates the fortieth annual gathering of the greatest players in the world with this timeless memento of the most exciting and prestigious poker event of the year. This collector's edition--the first ever guidebook to the World Series of Poker--gives armchair fans and players all the information they need about playing (or watching) the richest sporting event in the world..

**Mastering Mixed Games** Dylan Linde, 2019-06-25 Love poker but looking for a change from endless No-Limit Hold'em? Take up mixed games! Mixed games are becoming more and more popular. The World Series of Poker features events such as Omaha 8-or-Better, Deuce to Seven Triple Draw, Razz, Stud High and Stud 8-or-Better -- all of which

are covered in detail in this book. There are also formats such as Dealer’s Choice, H.O.R.S.E., and 8-game, which require expertise in many of these games. Dylan Linde is a professional poker player and mixed games expert. In Mastering Mixed Games he gives a thorough introduction to each variant, explaining the rules and basic strategy before moving on to discuss advanced concepts. With this book you will specifically learn: \* solid pre-flop ranges and hand strategies \* how to apply generic concepts to each individual game \* how to recognise and exploit your opponents’ tendencies The basic themes of poker apply to all games and learning a new variant is, essentially, just understanding how to value new ranges in a new game. Mastering Mixed Games will enable you to join the whole new generation of players who are exploring the weird and wonderful world of mixed game poker.

**World Series Of Poker Introduction**

In todays digital age, the availability of World Series Of Poker books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of World Series Of Poker books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of World Series Of Poker books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing World Series Of Poker versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, World Series Of Poker books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to

other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing World Series Of Poker books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for World Series Of Poker books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, World Series Of Poker books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of World Series Of Poker books and manuals for download and embark on your journey of knowledge?

## FAQs About World Series Of Poker Books

1. Where can I buy World Series Of Poker books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a World Series Of Poker book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy

more of their work.

4. How do I take care of World Series Of Poker books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are World Series Of Poker audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read World Series Of Poker books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
