

World Wide Technology Inc.

David L. Steward

Doing Business by the Good Book David Steward,Robert L. Shook,2012-04-24 An indispensable volume that shows how to succeed in business by using the Bible and its lessons as a source of inspiration and guidance n 1990, David L. Steward founded his company, Worldwide Technology, Inc., on a shoestring budget and borrowed money, well aware of the high-risk nature of the venture he was undertaking. Despite the fact that he was a novice entrepreneur, he was certain he would succeed. Steward believed intensely that God wouldn't let him down. *Doing Business by the Good Book* shares the inspiring lessons culled straight from the Bible, that Steward used to build his privately held billion-dollar company into a global information technology enterprise.

Senate Document ,

Heart & Soul Robert L. Shook,2010-09-07 In *Heart & Soul*, Shook takes readers on heartwarming journeys through some of America's most successful companies: •Mary Kay (Dallas), whose primary focus has always been to be a vehicle for women's success and independence in a world that often supports neither; the company now has more than 2 million women working toward their dreams in 37 countries •DaVita (Los Angeles/Denver), dedicated to becoming the world's best dialysis company. America's number-one provider of dialysis treatment, DaVita treats its patients and employees like family members. •InRETURN (Cincinnati), a company that intentionally employs those with brain injuries and other neurological challenges •World Wide Technology (St.Louis), the largest African-American-owned business in the nation, which thrives on biblical principles of fairness and caring •Starkey Laboratories (St.Paul/Minneapolis), whose employees travel to remote places to provide more than 50,000 hearing aids to the poor To the employees of these companies, success is measured by the good they accomplish in the world. However, profiting and caring aren't mutually exclusive—these companies demonstrate how any company of any size can do both.

Leadership by the Good Book David L. Steward,2020-05-12 *Leadership by the Good Book* will inspire, empower, and equip men and women to lead their businesses, their teams, their ministries, and even their families to greater heights and to have an eternal impact. For David L. Steward, founder and chairman of World Wide Technology, his philosophy for building a successful business is simple and founded on a Biblical principle: For even the Son of Man did not come to be served, but to serve (Mark 10:45 NIV). As a business leader, he says, the first priority is to serve employees. Together with Brandon K. Mann, these two leaders distill their wisdom in this field guide for leaders who want to bring respect, integrity, honesty, and trust to the workplace. Steward and Mann draw from personal experiences as well as share insights and examples of how God's Word has informed and influenced their leadership. Each chapter ends with a section titled *Your Leadership Flywheel: Learn, Live, Lead, Legacy*, which includes self-reflection questions, application of biblical principles, as well as a prayer.

Starch Hydrolysis Products Fred W. Schenck,Ronald E. Hebeda,1992-04-07 Here is complete, up-to-date coverage of all aspects of hydrolysis products, the largest end use of starches - production, technology, and applications worldwide; factory design and construction; product applications, analysis, quality control, and waste treatment; legal aspects; metabolism and industry economics. Also included is an international list of 200 starch hydrolysate producers, a list of fructose-bearing syrup manufacturers (with estimated tonnage), and a directory of suppliers of equipment, ingredients, and technology.
