The Infinite Something Christine Michelle,2021-01-05 I thought I could fall in love with an up-and-coming rock star until he betrayed me. The lying, cheating, scheming piece of crap bassist for my brother's band destroyed my faith in men. Funny how another musician saved me from humiliation, became my best friend during my internship with his band's tour, and ended up winning my heart despite the fact that I had sworn to never go there again. Too bad things couldn't stay so simple. One jealous ex-girlfriend, one crazy infatuation later, and I became public enemy number one. Then I waited to see if he would remain my savior, or prove that I was right the first time around... You can't trust a rocker. Why the hell had I done so twice? He was the reason for the second chance, and my reason for everything that followed. *Note: *The Infinite Something* is over 102,000 words, a standalone book (future books in the series involve other people), and is intended for adult readers due to strong language, sexual situations, and some violence. 2nd Edition - Jan. 5, 2021

Backpacker The Survival Hacker's Handbook Backpacker Magazine,Ted Alvarez,2018-04-15

Backpacker The Survival Hacker's Handbook provides detailed instruction on how to use everyday items to survive in extraordinary circumstances. Sure, the quirk is here. For instance, learn how to make a fishhook out of a beer can, start a fire with hand sanitizer, or purify water with bleach. But it goes beyond the quirk to identify real solutions for real scenarios—with real items you carry with you. The book includes useful tips and tricks from survival experts, and provides step-by-step instructions, along with short stories of survival situations where these modern survival skills have come into play. The book is organized around basic fundamental concepts of survival: finding food, building shelter, securing water, etc.

October Baseball Dan Zachofsky,2010-07-27 For baseball players, the dream of a championship season begins in spring training. Newcomers and veterans, journeymen and legends, all come together for a single purpose--to win the World Series. And each year, all but one team goes into the off-season disappointed. But for that one team, the hard work of spring training and the grind of a 162-game season gives way to the euphoria of a championship, fulfilling a dream for the team and its fans. The 28 players, managers, and pitching coaches here have all experienced baseball's postseason. Many have been a part of championship teams; others have lived every baseball dream except winning the World Series. Among the interviewees are Jack McKeon, Jim Leyland, Tony Perez, Mark Grace, Robin Yount, Lou Piniella, Don Baylor, Jeff Bagwell, Alfonso Soriano, Larry Bowa, and Jim Thome. Mike Lowell provides a foreword as well as an interview. These baseball men share their thoughts about their accomplishments, the art of hitting and pitching, what it takes to become a champion, and the leadership qualities necessary for a winning team. They also reflect on the people who have motivated them and what goes on in a winning major league clubhouse.

Lockdown on London Lane Beth Reekles,2022-02-01 For the inhabitants of London Lane, a

simple slip of paper underneath each of their doors is about to change their lives in a hundred different ways. URGENT!!! Due to the current situation, building management has decided to impose a seven-day quarantine on all apartment buildings on London Lane. With nowhere else to go . . . Ethan and Charlotte wonder whether absence really does make the heart grow fonder when they end up on either side of a locked door. A fierce debate over pineapple on pizza ignites a series of revelations about Zach and Serena's four-year relationship. Liv realizes rolling with the punches is sometimes much harder than it looks after her bridesmaids' party goes off the rails, leaving the group at each other's throats. Isla and Danny's new romance is put to the test as they jump ten steps ahead on the relationship timeline. And Imogen and Nate's one-night stand is about to get six do-overs they never really asked for—not awkward at all. Through make ups, breakups, love-ins, and blowouts, friendships are tested as everyone scrambles to make it through the week unscathed. Amidst all the drama, one thing remains constant: life is full of surprises.

The Great Reformer Austen Ivereigh,2014-11-25 A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions An expansive and deeply contextual work, at its heart *The Great Reformer* is about the intersection of faith and politics--the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past. Based on extensive interviews in Argentina and years of study of the Catholic Church, Ivereigh tells the story not only of Jorge Mario Bergoglio, the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis--but the story of why the Catholic Church chose him as their leader. With the Francis Revolution just beginning, this biography will provide never-before-explained context on how one man's ambitious program began--and how it will likely end--through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Perón era that shaped his beliefs; his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s; how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a Church of the Poor; and his rise from Cardinal to the papacy.
