Worship Together in Your Church as in Heaven Josh Davis, Nikki Lerner, 2015-04-21 Worship

Together in Your Church as in Heaven is a practical and foundational resource for pastors and worship leaders of all kinds. It addresses an urgent need in the church today: as our communities become increasingly diverse, how can we offer worship that is authentic and engaging for all of God's people, including longtime church members? The authors offer an empathetic, step-by-step approach, providing readers with knowledge, skills, and strategies to successfully introduce inclusive, multicultural worship in any setting. Davis and Lerner are expert practitioners and pioneers who invite us to break new ground with them, making worship that more closely reflects God's kingdom on earth as it is in heaven. "Multicultural is more than a buzzword. It is God's desire for the church. Davis and Lerner's practical approach shows us how to truly reflect God's multicultural kingdom in worship."—Rosario Picardo, Executive Pastor of New Church Development, Ginghamburg Church, Tipp City, OH "This is an essential and practical guide that every worship leader, pastor, and church leader needs to read, learn, digest, and practice." —James R. Hart, President, Robert E. Webber Institute for Worship Studies, Orange Park, FL "Lerner and Davis's superb book is a practical resource for connection and community-building in any environment." —Lance Winkler, Director of Contemporary Worship, The United Methodist Church of the Resurrection, Leawood, KS "Worship Together in Your Church as in Heaven offers a wealth of good theology, encouraging case studies, life-tested models, and strategies for developing multicultural worship in all kinds of communities. We've been waiting a long time for this book!" —Robin P. Harris, President, International Council of Ethnodoxologists; Director, Center for Excellence in World Arts "Worship Together in Your Church as in Heaven will help you identify the critical questions, take intentional steps, and promote a spirit of inclusion in your church. Your worship will reflect God's love for all people, not just one kind of people, in an increasingly diverse society." —Mark DeYmaz, Lead Pastor, Mosaic Church of Central Arkansas; author of *Leading a Healthy Multi-Ethnic Church*

Worship Together Sandra Millar, 2012-06-21 This book explores the way in which liturgy can be used effectively in all-age communication. It will explore what we mean by worship and what we mean by 'all-age', particularly looking at the all-age experience in the secular world and the skills that make good multi-generational communication happen (e.g. how do Disney Pixar do it). It then goes on to unpack the liturgical framework which is the bedrock of many traditional churches, showing this may

well be used imaginatively to create worship for whoever is present. It will also contain twelve full worship outlines, one for each month of the year.

Designing Worship Together Norma deWaal Malefyt, Howard Vanderwell, 2004-12-30 Much more than a how-to for worship planners. Drawing on more than two decades of collaborative worship planning, as well as numerous conversations with other worship planners. Pastor Howard Vanderwell and musician Norma de Waal Malefyt lay out a thoughtful, field-tested process for planning, implementing, and evaluating life-enriching weekly worship. Well over a dozen field-tested tools and a selected bibliography round out this invaluable resource for worship planners.

Worship Together in Your Church as in Heaven Josh Davis, Nikki Lerner, 2015 Our world is not just changing--it has already changed. Has the way we worship followed the trend?

The Church of All Ages Howard A. Vanderwell, 2007-12-17 Many congregations today experience collisions between parents who want to spend time with their children and age-segregated church programming, as well as between the children worshiping in their pews and the increasing number of seniors in the same pew. Among the questions these congregations struggle to address are these: Should we try to hold the generations together when we worship/ Is it even possible? Led by pastor and resource developer Howard Vanderwell, nine writers--pastors, teachers, worship planners, and others serving in specialized ministries--offer their reflections on issues congregational leaders need to address as they design their worship ministry. In addition, numerous sidebars illustrate the diversity of practices in the church today. Contributors do not propose easy answers or instant solutions. Rather, they guide readers as they craft ministries and practices that fit their own community, heritage, and history. Each chapter includes questions for reflection and group discussion, and an appendix provides guidelines for small group use. The thread that connects these varied contributions is the belief that there is no greater privilege for Christians than worshiping God, and there is no better way to do that than as an intergenerational community in which all are important and all encourage and nurture the faith of the others.

The Worship Workshop Dr. Marcia McFee, 2010-10-01 The Worship Workshop, rather than providing simply another manual for doing worship, offers instead an interactive workshop that helps worship teams develop more meaningful and memorable worship for the congregation. By combining liturgical history and the creative process, The Worship Workshop encourages worship teams and staff to break out of the traditional worship box in order to create diverse ways to present the Good News in worship. Through a variety of activities, ideas, and informational handouts, The Worship Workshop

helps worship committees, planners, and designers evaluate the state of their current worship, get more people involved in the planning and designing process, explore the diverse designs of congregational worship, learn the history of worship, and utilize the arts and artists in worship.

The Importance of Worshiping Together Shamblin Stone,2020-05-27 Why is music the most popular expression of Christian worship? Is there a Biblical reason for this? In The Importance of Worshiping Together, author Shamblin Stone explains why it's important for Christians to worship God together with others from a Biblical perspective. It explains God's reasons for unified, group worship and talks about how to protect, build, and maintain human relationships so worship isn't hindered. The Importance of Worshiping Together is the third book in a series on Christian worship, this collection of stories and Bible teachings contains how God saved Stone, transforming him from a starry-eyed performer and songwriter to a worshiper of God. It also chronicles how God taught Stone to use the power in music to bring people to Jesus, along with several extremely major miracles he has experience along his journey.

NIV, Worship Together Bible Zondervan,2013-08-22 Worshiping God is one of the believer's highest callings. Music and song have been a timeless way to glorify God throughout history. Scripture itself is full of musical and poetic praises dedicated to the Lord. Using a unique combination of songs and reflections, the NIV Worship Together Bible blends modern-day worship and culture with the beloved Word of God. This Bible helps you embrace God as your loving Father and shows you how to exalt him through song and reflection. The musical inspiration in this Bible will remind you of the importance of constantly striving to be Christlike. As Pastor Jack Hayford, the author of the song "Majesty," once put it: "Worship changes the worshiper into the image of the One worshiped."

Features: • The complete text of the world's most popular modern-English Bible, the NIV • Lyrics to the top 100 worship songs • Song notes and reflections from the songwriters • Simple chord charts for the Top 20 worship songs • Essay that explores the purpose and history of worship music • Foreword by Matt Maher • Index to organize songs by scriptural reference
