Poison Candy Elizabeth Parker,Mark Ebner,2014-02-04 In August 2009, former madam Dalia Dippolito conspired with a hit man to arrange her ex-con husband's murder. Days later, it seemed as if all had gone according to plan. The beautiful, young Dalia came home from her health club to an elaborate crime scene, complete with yellow tape outlining her townhome and police milling about. When Sgt. Frank Ranzie of the Boynton Beach, Florida, police informed her of her husband Michael's apparent murder, the newlywed Dippolito can be seen on surveillance video collapsing into the cop's arms, like any loving wife would—or any wife who was pretending to be loving would. The only thing missing from her performance were actual tears. ... And the only thing missing from the murder scene was an actual murder. Tipped off by one of Dalia's lovers, an undercover detective posing as a hit man met with Dalia to plot her husband's murder while his team planned, then staged the murder scenario—brazenly inviting the reality TV show Cops along for the ride. The Cops video went viral, sparking a media frenzy: twisted tales of illicit drugs, secret boyfriends, sex-for-hire, a cuckolded former con man, and the defense's ludicrous claim that the entire hit had been staged by the intended victim for reality TV fame. In Poison Candy, case prosecutor Elizabeth Parker teams with bestselling crime writer Mark Ebner take you behind and beyond the courtroom scenes with astonishing never-before-revealed facts, whipsaw plot twists, and exclusive photos and details far too lurid for the trial that led to 20 years in state prison for Dalia Dippolito.

Little Legs, Big Heart Kristen E. DeAndrade,2019-01-26 For author Kristen DeAndrade, it doesn't matter how long your legs are. You can only take one step at a time. Born with achondroplasia, dwarfism, she chronicles her personal journey of facing challenges and breaking barriers in Little Legs, Big Heart. Through diary entries from her childhood journal, combined with a humorously, honest narrative, she shares her sheer determination growing up in the face of adversity and undergoing multiple medical procedures, including extended limb lengthening, which she opted to brave at the age of twelve. Narrating both the physical and emotional challenges, DeAndrade offers a look at her strength in facing her challenges head on in a story filled with both integrity and interminable sass. Little Legs, Big Heart journeys through tears, laughter, devastation, and hope as it tells about a girl on a mission to find her identity. It gives a new perspective on life's challenges and shows the world how to meet the varied demands of life with grit and grace.

This is a very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies. -Jennifer and Shaun, Florida Since we've been using your method, we have definitely been winning more that we used to. It's easy to follow -Dale, Florida I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense. -Kate, Illinois

You Are Not Special and Other Encouragements David McCullough Jr,2014-05-01 An inspirational and timely reflection on the way we bring up children that will resonate with parents everywhere. 'Longtime high school English teacher McCullough scores an A+ with this volume for teens and parents. Rich in literary references and poetic in cadence, the author also offers plenty of hilarious and pointed comments on teens and today's society.' - Publishers Weekly So you think you're special? Well, think again: you're not. David McCullough Jr, a US high-school English teacher, found himself suddenly famous in 2012 when his commencement address to graduating high-school seniors went viral on Youtube. the main theme of that speech, 'You're not special', seemed to hit a nerve and validate a sense among people worldwide that something is deeply and fundamentally wrong with the way children are being raised today. From infancy, he observed, children are taught to believe they are unique and special, deserving of every advantage, destined for success. Consequently they learn to work hard and distinguish themselves for the sake of status and material reward rather than for the benefit of others - the larger community; the world. Success is defined as something almost entirely selfish. there is little attention or time given to the pursuit of education for the sake of wisdom, or even real happiness. Drawing from his long career as an educator and experience as a father of teenage boys, McCullough will expand upon the ideas laid out in his radical twelve-minute speech and argue that we can do better - as parents and as teachers - than fostering in our children a sense of privilege and entitlement.
