Born to Run Christopher McDougall,2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Love Your Sister Samuel Johnson,Connie Johnson,2014-10-28 Shortlisted for the ABIA Award (Biography of the Year) 2015 A searingly honest memoir of family, cancer, love ... and unicycles by the founders of the Love your Sister charity, Connie and Samuel Johnson, that will inspire and they hope get people talking about boobs! Born a year apart, Connie and Samuel Johnson have always been close. Faced with the devastating news that they would soon be separated forever, they made a decision. After already surviving cancer twice in her young life, at 33 Connie was diagnosed with breast cancer. But this time it was a whole different ball game. This time she was told she will die, leaving behind her two sons. As a young mum faced with her own death, Connie wanted to make it all less meaningless, and she knew just the way to do it - send her brother, Sam, on a one-wheeled odyssey around Australia. The aims: to break the world record for the longest distance travelled on a unicycle. To raise \$1 million for the Garvan Research Foundation. And, most importantly, to remind women to be breast aware and stop others having to say goodbye to those they love. Their message is simple: 'Don't fall into the booby trap.' Samuel has travelled through every state and ridden more than 150,000 kilometres to raise awareness and raise research dollars. But Connie had a secret fourth aim: to fix Samuel. And it worked. Sam cleared his diary, cleaned himself up and tenaciously kept his promise to his dying sister. For them the job isn't over. They are determined to raise more money for research. Connie vows to fight until her dying day and Sam says the fight will go on long after that. These two remarkable Australians share their tale, from childhood through to the finish line and beyond in this truly unique story. Part memoir, part travel diary, part conversation, Love your Sister is an inspiring and unforgettable story that shows just how far one man will go for his sister. The Johnsons' memoir is bracing and affecting. - Sunday Age, Sun Herald Part memoir, part diary, part conversation, this is an unforgettable story of how far a brother will go for his sister. - Brisbane News There are many joyous moments as brother and sister reflect, often wryly and honestly, on the power of their bond and the full catastrophe that is family life. - Sydney Morning Herald This book, like Connie and Samuel's lives, is much bigger than their experience of misfortune. - Canberra Times

The MMA Encyclopedia Jonathan Snowden,Kendall Shields,2010-11 ' Did you see the big fight this weekend' The question used to be about boxing matches, when the giants of the fight world were Mike Tyson and Roy Jones. Now fans are leaving the sweet science in droves for the combat sport of the future: mixed martial arts (MMA). MMA has drawn millions on cable and network television, as well as out-performed professional wrestling and boxing on pay-per-view. The encyclopedia will break the MMA language barrier for those who don't know a wristlock from a wristwatch, while at the same time offering perspective and analysis that will entertain the hardcore fan who already has the basics down pat. With three appendices that detail the results of every MMA'fight in history, this the ultimate reference book for the ultimate sport.

Dark Trade Donald McRae,2014-06-05 WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to

compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

Memoirs of a Mad Man Mad Man Pondo, John Cospers, 2018-06-24 He's just a bleeder, they said. He can't wrestle. All he can do is bleed! Mad Man Pondo never argued when people called him just a bleeder. He knows who he is, and he's embraced it. He knows that his high tolerance for pain, his fearless nature, and his talent for bleeding are the reason he's wrestled all around the world, starred in three video games, appeared in a horror film with one of his great heroes, befriended celebrities from the A-list to the D-list, and become a legend to deathmatch wrestling fans everywhere. Now, Mad Man Pondo is telling his story his way. He takes you from his early days as a wrestling fan in Flora, Illinois who accidentally got his butt kicked by Jos LeDuc to his glory days as a headliner for Big Japan. You'll read about in-ring encounters with Junkyard Dog, Terry Funk, and Kevin Sullivan; real life run-ins with David Blaine and Benny Hinn; and unexpected confrontations outside the ring with crazed fans and the Yakuza. You'll learn how his small cable access show Skull Talk led him to become a casting agent for Jerry Springer and how a deathmatch legend gets to rub shoulders with the likes of MC Hammer, Jonny Fairplay, Mick Foley, Eli Roth, and Robert Englund. Pondo shares stories about his most legendary deathmatch encounters and the inspirational story behind his all-women's promotion, Girl Fight. And you'll read his unforgettable speech from the Juggalo March on Washington D.C. at the Lincoln Memorial where Forrest Gump once cried out, Jenny!!! With a foreword by Vanilla Ice (yes, THE Vanilla Ice!), dozens of must-see photos, and countless stories from friends, fans, and fellow grapplers, Memoirs of a Mad Man is an all-out extreme autobiography as graphic and over the top as a Four Corners of Pain Deathmatch.

The Future of Reputation Daniel J. Solove, 2007-01-01 Teeming with chatrooms, online discussion groups, and blogs, the Internet offers previously unimagined opportunities for personal expression and communication. But there's a dark side to the story. A trail of information fragments about us is forever preserved on the Internet, instantly available in a Google search. A permanent chronicle of our private lives--often of dubious reliability and sometimes totally false--will follow us wherever we go, accessible to friends, strangers, dates, employers, neighbors, relatives, and anyone else who cares to look. This engrossing book, brimming with amazing examples of gossip, slander, and rumor on the Internet, explores the profound implications of the online collision between free speech and privacy. Daniel Solove, an authority on information privacy law, offers a fascinating account of how the Internet is transforming gossip, the way we shame others, and our ability to protect our own reputations. Focusing on blogs, Internet communities, cybermobs, and other current trends, he shows that, ironically, the unconstrained flow of information on the Internet may impede opportunities for self-development and freedom. Long-standing notions of privacy need review, the author contends: unless we establish a balance between privacy and free speech, we may discover that the freedom of the Internet makes us less free.

Putting Knowledge to Work and Letting Information Play Timothy W. Luke, Jeremy Hunsinger, 2012-09-22 These collected papers are critical reflections about the rapid digitalization of discourse and culture. This disruptive change in communicative interaction has swept rapidly through major universities, nation states, learned disciplines, leading businesses, and government agencies during the past decade. To commemorate the tenth anniversary of the Center for Digital Discourse and Culture (CDDC) at Virginia Tech, which has been a pioneering leader for many of these changes in university settings, the contributors to this volume examine the transformative implications of digitalizing discourse and culture inside and outside of the academic arena. These technologies of digitalization have created new communities of users, which are highly engaged with their new communicative possibilities, informational content, and discursive forms. Few have asked what these changes will mean, and many of the most important voices engaged in debates about this critical transformation are gathered here in this volume. Each author in his or her own way considers what accepting digital discourse and informational culture now means for contemporary economies, governments, and societies.
