EBOOK: Just Write It! Greta Solomon,2013-04-16 Just Write It! is a writing skills book with a difference. It teaches students to unblock their preconceptions and negative thoughts about writing. This helps them to achieve the marks that they are capable of and to realize their full potential. Authored by a professional writer and writing coach, this book uses a proven method and set of techniques that unlock creativity and teach students to fully articulate their thoughts and tackle any written task. Quizzes, exercises and checklists allow students to assess their current writing behaviour and track their improvement. Students are first introduced to general skills and techniques before learning how to apply these skills to the most common types of writing they are likely to face. This unique book covers topics including: Developing a positive attitude to writing Using objects to kick-start creativity Generating ideas and turning them into arguments Applying your new knowledge to essays, dissertations, reports and articles Writing your way to your dream job The biggest stumbling block for some students is their writing skills, yet the ability to articulate yourself in writing is vital for success. Just Write It! is a reader-friendly, step by step book, which demystifies academic writing and breaks the process down into bite-sized chunks. It gives great practical advice in simple stages, which guide the reader to developing their writing skills. Vanessa Heaslip, Senior Lecturer in Adult Nursing, Bournemouth University, UK This is a well-designed book to support undergraduates through their university journey. It is user-friendly with its clear, easy to follow structure. This book is a great support mechanism to help undergraduates to achieve. I highly recommend this text - it is an essential resource for undergraduates! Emma Jackson, University of Worcester, UK

Write It Down, Make It Happen Henriette Anne Klauser,2012-12-11 Too often, people drift through life with a feeling of frustration, longing to find some adventure or purpose in life, envious of those whose lives seem exciting. In WRITE IT DOWN, MAKE IT HAPPEN, Henriette Anne Klauser shows you how to write your own lifescipt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You can 'make it happen' purely by believing in the possibility. In WRITE IT DOWN, MAKE IT HAPPEN, there are stories from ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

Write It Out Brandon T. Snider,2016-09-13 Provides writing prompts to spark the imagination and inspire the creation of a varied collection of creative work.

Write It Up Paul J. Silvia,2014-09-15 Your academic writing will be more influential if you approach it reflectively and strategically. Based on his experience as an author, journal editor, and reviewer, Paul J. Silvia offers sage and witty advice on problems like picking journals; cultivating the right tone and style for your article; managing collaborative projects and coauthors; crafting effective Introduction, Method, Results, and Discussion sections; and submitting and resubmitting papers to journals. This book is for anyone writing an empirical article in APA Style®, from beginners facing their first article to old dogs looking for new writing strategies. Features: • Readable and amusing, the book shows, step-by-step, how to plan and organize your academic writing. • Uses real-world examples to illustrate how to improve writing style and write better articles.

Write-A-Thon Rochelle Melander,2011-09-20 Find the focus, energy, and drive you need to start—and finish—your book Everyone has dreamed of writing a book, but so many start writing only to stall out due to writer’s block, mental fatigue, and other challenges. Write-A-Thon helps you overcome those stumbling blocks and complete your book once and for all. And you don’t have to type away for years on end. Here’s a plan that’ll help you write your book—in twenty-six days! Write-A-Thon gives you the tools, advice, and inspiration you need to succeed before, during, and after your writing race. Solid instruction, positive psychology, and inspiration from marathon runners will give you the momentum to take each step from here to the finish line. • Start out well prepared: Learn how to train your attitude, your writing, and your life—and plan your novel or nonfiction book. • Maintain your pace: Get advice and inspiration to stay motivated and keep writing. • Bask in your accomplishment: Find the best ways to recover and move forward once the marathon is over and you have a completed manuscript in hand. Writing a book in twenty-six days may seem impossible—especially if you don’t write full time—but in Write-A-Thon, Rochelle Melander will teach you the life skills, performance techniques, and writing tools you need to finish your manuscript in less than a month—guaranteed!

Why I Write George Orwell,2021-01-01 George Orwell set out ‘to make political writing into an art’, and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell’s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell’s Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the ‘four great motives for writing’ – ‘sheer egoism’, ‘aesthetic enthusiasm’, ‘historical impulse’ and ‘political purpose’ – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell’s mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer’s oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

See It, Be It, Write It Hope Sara Blecher-Sass,Maryellen Moffitt,2010-04-01 Improve students’ writing skills and boost their assessment scores with lessons that are aligned to state and Common Core State Standards for English language arts. Students learn how to use acting and visualization as prewriting activities to help them produce lively, personalized responses. Easy-to-use checklists guide students to include specific elements in their writing and to demonstrate skills that are assessed on standardized tests. Add fun while infusing 21st century skills such as critical thinking and problem solving, creativity and innovation, collaboration, and communication. A detailed chapter on differentiation helps teachers reach all students, and dozens of complete writing prompts and reproducible forms make this a ready-to-use resource for anyone charged with preparing students for state-mandated standardized tests. Digital content includes all of the customizable reproducible forms from the book.

Write It All Down Cathy Rentzenbrink,2022-01-06 Tackle the challenges of memoir writing and share your story. 'Cathy is the person who first told me to write about my mental health when I was nervous to do so. She is a great writer herself and this is brilliant.' - Matt Haig, author of *Reasons to Stay Alive* Why do we want to write and what stops us? How do we fight the worry that no-one will care what we have to say? What can we do to

overcome the obstacles in our way? Sunday Times bestselling author Cathy Rentzenbrink shows you how to tackle all this and more in *Write It All Down*, a guide to putting your life on the page. Complete with a compendium of advice from amazing writers such as Dolly Alderton, Adam Kay and Candice Carty-Williams, this book is here to help you discover the pleasure and solace to be found in writing; the profound satisfaction of wrestling a story onto a page and seeing the events of your life transformed through the experience of writing a memoir. Perfect for seasoned writers as well as writing amateurs and everyone in between, this helpful handbook will steer you through the philosophical and practical challenges of writing, whether you're struggling with writers block or worrying what people will say. Intertwined with reflections and exercises, *Write It All Down* is at once an intimate conversation and an invitation to share your story.

Blueprint for a Book Jennie Nash,2021-09 How to write a novel in the most efficient way by tackling the hardest part before you start to write, from top book coach Jennie Nash This process makes me want to write, and it makes what I'm writing better. I read it before every draft. It's that good. -KJ Dell'Antonia, New York Times bestselling author of *The Chicken Sisters* Whether you're writing your first novel or your tenth, there is a temptation to pin it to the page before it disappears. It's such a brilliant idea and you can see the whole thing shimmering in your mind, just out of reach. Maybe you do some work on character development and plotting, but you're a racehorse at the gate, ready to run, ready to write. This book is an argument to stop and define the foundational elements of your story before you keep writing - which means understanding your motivation as a writer, considering your reader's expectations, and making sure your story has a solid structure that will hold up inside and out from beginning to end. This clarity is what gives a novel its power and a writer their confidence. Jennie Nash is the creator of the Book Coach Certification program at Author Accelerator and has taught hundreds of book coaches and thousands of novelists how to use the Blueprint for a Book system-and the Inside Outline at the heart of it - to help them produce their best work in the most efficient way. Jennie Nash turned me into a plotter and changed the way I think about approaching any new project. I'm an Inside Outside outline fan for life! -Alison Hammer, author of *You and Me and Us* and *Little Pieces of Me* If you are about to start writing or revising your novel - hold up! You need this book before putting fingers to keyboard. It's a step-by-step design-your-novel manual that encapsulates the most important aspect of great story-telling: how to reach deep into your writerly heart and into the heart of the story you want to bring to life. - Janet Fox, author of *The Artifact Hunters* I will sing the praises of the Inside Outline forever. It's f*ing genius. -Carla Naumburg, author of *How to Stop Losing Your Sh*t With Your Kids* The Inside Outline is making writing easier. I can focus more on the writing rather than discovering what the scene is about when I'm creating it. Why isn't every writer using it? Instead, people are plonking down good money to be told ten key steps in writing dialogue or setting a scene. I'm so grateful I'm no longer one of them. - Kate Kimball, first time novelist

Each book in this series includes a table of contents, glossary, index, author biography, activities, and instructions.

Write This Book Pseudonymous Bosch,2013-04-02 This imaginative companion to the New York Times bestselling Secret Series teases, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless author:I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not missing. A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!

Write It Right John Peck,Martin Coyle,2007-02-20 Write It Right covers everyday tasks and academic writing, offering user-friendly advice on how students can make the most of simple, practical methods for tackling essays and longer pieces of work. Divided into ten sections, this guide can be used either as a course book or for individual use. Each section is informed by one or more essential ideas about how to write well.

Write It, Speak It Tom Pfeifer,2016-04-04 In three chapters, Write It, Speak It: Writing a Speech They'll Applaud, gives you the tools you need to produce a more effective, powerful, and memorable speech. Chapter 1 discusses the rules and good practices of all effective writing. With that foundation set, Chapter 2 sets out the ways in which speech writing differs from other forms of writing, and how spoken language allows you to make your words come alive. Chapter 3 provides you with techniques to write more powerful and memorable speeches through storytelling, timing, and rhetorical devices. Tom Pfeifer has been a professional communicator for more than 30 years. In Write It, Speak It, he uses research and personal stories to show how you can write speeches they'll applaud.

501 Character Prompts You Can Write It Books,2019-10-28 Is your story suffering from prosaic protagonists and apathetic antagonists? You need some writing prompts to put the spark into those characters. 501 Writing Prompts to Help Bring Your Characters to Life, with Better Results than Dr. Frankenstein (Guaranteed) is bound, literally and figuratively, to give your characters meaningful inner (and outer) lives. 501 Writing Prompts to Help Bring Your Characters to Life's holistic approach to character development will inspire you through 501 (or more!) prompts, including 100 new visual prompts, many of which are in color. With ideas for your character's job (or lack thereof), idiosyncrasies, personal possessions, and appearance, you will find a new way of thinking about them. Whether you feel stuck fleshing out a character, totally blocked, or just want a new way of thinking about characters, the evocative prompts in this book are designed to let you into a character's world the way stories do: With evocative details that show you who they might be. If you never found the rigorous, outline-based plotter approach to writing useful, then this book is for you. Even if you did find it useful, this book is for you. This is especially true if someone has given you a copy. *Guarantee is rhetorical
