Urban Politics of a Sporting Mega Event

Małgorzata Zofia Kowalska, 2017-09-12 This book looks at the UEFA European Championship (Euro 2012) as both a crowning achievement of, and a way to sustain, the urban entrepreneurial strategy of Poznań, Poland. As the host city of the tournament almost 25 years after Poland's transformation from a centrally planned to a market economy in 1989, the author focuses on how the local myths and traditions of resourcefulness were invoked to embed an entrepreneurial urban strategy. The book also observes how the very same tradition of resourcefulness was used by the opposition to challenge the urban policies. Contrary to the authorities' expectations, Euro 2012 triggered a discussion about the extent to which large business- and leisure-oriented urban strategy corresponds to local regime of value. Urban Politics of a Football Mega Event will be of interest to students and scholars across a range of subjects, including anthropology, ethnography, sociology of sport, geography, history, political science and European studies.

New Ethnographies of Football in Europe

Alexandra Schwell, Michał Buchowski, Małgorzata Kowalska, Nina Szogs, 2016-04-29 Football has emerged as an important symbolic field through which various social, cultural, political, economic, and historical dimensions and antagonisms are negotiated. This volume covers a variety of themes illuminating the multiple ways that football impacts on people's everyday lives. Using anthropological research methods and data collected from ethnographic fieldwork, the contributors scrutinize not only the social fields of football fans and the specific socio-cultural contexts in which they are embedded, but also other actors beyond the pitch, and the possibilities for both agency and subversion.

Taking into account processes of Europeanization, globalization, commercialization and migration, the collection offers fresh insights into fan identity formations and practices and highlights the importance of anthropology's self-reflexive and actor-centred perspective.

Huawei Goes Global Wenxian Zhang, Ilan

Alon, Christoph Lattemann, 2020-10-13 *Huawei Goes Global* provides a much-needed, comprehensive, and scholarly examination of the business environment and the striving global operations of China's technology giant. With theoretical research, case studies, data analysis, and empirical studies, this two-volume work tells a fascinating story of internationalization in an emerging economy. As one of the most powerful Chinese companies in the global economy, the largest global telecommunications-equipment producer and a leading consumer-electronics manufacturer, Huawei is a great example of the globalization of the Chinese enterprises in the twenty-first century. In Volume I, scholars critically examine the rise of Huawei as a Chinese global enterprise from the political economy and public policy perspectives, as well as Huawei's development strategies, innovations, and talent management. In Volume II, multiple authors carefully study the growth of Huawei from regional and geopolitical perspectives, and its corporate communication and crisis management. Within the framework of the trade conflicts between China and the US, controversies over economic sanctions, intellectual-property disputes, and espionage and cyber security concerns, this groundbreaking work makes an important contribution to both academic literature and the ongoing public discourse on Huawei. Volume II is available here:

Disruptive Innovation in Banking: A Business Case in Low Cost Finance. How to Win Against the

Leaders by Creating Competitive Advantage and Real Value for Customers ,

Competition, Strategy, and Innovation Rafał Śliwiński, Łukasz Puślecki, 2021-11-29 Understanding the latest trends and technologies and their impact on enterprises, organizations or state administrations is essential to successfully develop a business in the age of Industry 4.0. This book presents a unique selection of topics and offers the reader an understanding of the implications of the newest technologies such as Artificial Intelligence (AI), Internet of Things (IoT), Augmented Reality (AR) and new trends like social media and sustainable competitiveness in business. It presents the impact of the newest trends on businesses, consumers, and the result on the economy. Contributions showcase the technical perspective of new technologies and provides an innovative and enriching perspective on the implementation of AI in e-commerce and the developmental barriers it can create, modern social media usage in enterprises, the newest trends in innovation management, sustainable competitiveness in the business context, the influence and effect of augmented reality, and the privacy problem of Internet of Things to consumers. This book illustrates how to develop innovation cooperation between business, academia and public institutions through the example of biopharmaceutical industry. It will be of value to researchers, academics, professionals, and students in the fields of economics, management, international business.

Curating (Post-)Socialist Environments Philipp Schorch, Daniel Habit, 2021-06-30 In which ways are environments (post-)socialist and how do they come about? How is the relationship between the built environment, memory, and debates on identity enacted? What are the spatial, material, visual, and aesthetic dimensions of these (post-)socialist

enactments or interventions? And how do such (post-)socialist interventions in environments become (re)curated? By addressing these questions, this volume releases ›curation‹ from its usual museological framing and carries it into urban environments and private life-worlds, from predominantly state-sponsored institutional settings with often normative orientations into spheres of subjectification, social creativity, and material commemorative culture.

Nation Branding, Public Relations and Soft Power

Pawel Surowiec, 2016-08-05 Nation Branding, Public Relations and Soft Power: Corporatizing Poland provides an empirically grounded analysis of changes in the way in which various actors seek to manage Poland's national image in world opinion. It explores how and why changes in political economy have shaped these actors and their use of soft power in a way that is influenced by public relations, corporate communication, and marketing practices. By examining the discourse and practices of professional nation branders who have re-shaped the relationship between collective identities and national image management, it plots changes in the way in which Poland's national image is communicated, and culturally reshaped, creating tensions between national identity and democracy. The book demonstrates that nation branding is a consequence of the corporatization of political governance, soft power and national identity, while revealing how the Poland brand is shaping public and foreign affairs. Challenging and original, this book will be of interest to scholars in public relations, corporate communications, political marketing and international relations.

The High North Ryszard M. Czarny, 2015-08-06 This

book deals with the transformation of the Arctic from an isolated or a distant region to a member of the global community, vulnerable to global

changes, and an area frequently in the very center of the world's attention. Increased global interest is a potential source of tensions between the need for exploration or exploitation, and the requirements of protection. This context calls for new data, knowledge and information vital for a better understanding of interactions between different systems, as well as developing awareness about the current and potential changes in the future. The objective of the book is to help develop a strategy of adaptation to climate change based on the knowledge and experience of the extremely effective mechanisms which for centuries made survival possible in this region.

Social Processes and Social Phenomena. the Chosen Problems Marlena Mirosława Kowalczyk, 2010-12

Consumer ADR in Europe Christopher Hodges, Iris Benöhr, Naomi Creutzfeldt, 2012-05-10 This is the first systematic comparative study into how consumer ADR systems (usually ombudsmen and médiateurs) work, the differing national architectures within which they operate and how they can be improved. It describes ADR schemes in Belgium, France, Germany, Lithuania, the Netherlands, Poland, Slovenia, Spain, Sweden and the United Kingdom as well as emerging pan-EU dispute resolution schemes. Use of the techniques of mediation, conciliation and adjudication are noted. It also covers EU measures on consumer ADR, and 2011 proposals for legislation on ADR and ODR. Data on volumes, cost and duration of ADR schemes are compared, both between different systems and with courts. The authors' findings underpin EU and national developments, and outline options for future policy. Findings and proposals are included for the functions, scope, performance, essential requirements, architecture and operation of ADR systems. The relationships between ADR, courts and regulators are discussed, and need for reforms are

noted. This is a ground-breaking work that will have a major impact on European legal systems.

The Euro Crisis and European Identities

Charlotte Galpin, 2017-06-21 This book builds upon our knowledge of the far-reaching economic, political and social effects of the Euro crisis on the European Union by providing a unique study of European identities. In particular, it considers the impact on the construction of European identities in political and media discourse in Germany, Ireland and Poland—three countries with profoundly different experiences of the crisis and never before compared in a single study. Offering an original insight into the dynamics of identity change at moments of upheaval, the author argues that political and media actors in the early stages of the crisis drew on long-standing identities in order to make sense of the crisis in the public sphere. European identity discourses are thus resilient to change but become central to legitimising and contesting bailouts and further economic integration. As such, the author challenges the commonly held view that identities change dramatically at times of crisis but argues that this very resilience helps to understand the EU's current divisions. The study of identity during the Euro crisis sheds important light on the prospects for European solidarity as well as on the future of the single currency as an identity-building project. The book will be of particular interest to students and scholars in the fields of EU politics, comparative European politics, and identity politics.

The Euro-Atlantic Security System in the 21st Century Ryszard Zięba, 2018-04-25 This book examines the evolution of the Euro-Atlantic security system, from cooperation to rivalry and crisis, since the beginning of the 21st century. By highlighting the causes, manifestations and international consequences of this evolution, the

author describes a stage of crisis in the security system, characterized by increasing rivalry for spheres of influence, militarization of policies and the suspension of cooperation due to the growing divergence between the interests of the West - now including the Central European states - and Russia, leading to a subsequent reconfiguration of the world order. Adopting a neo-realistic approach, the author demonstrates that members of the Euro-Atlantic security system, irrespective of the values they claim to hold, are guided in their actions on the international stage by clearly defined interests. The first part of the book analyses the nature of the Euro-Atlantic security system, while the second part illustrates the limited success of Euro-Atlantic collaboration, for example in combating terrorism. Lastly, the third part discusses the consequences of the crisis, such as the conflict in Ukraine, and prospects for the future evolution of the Euro-Atlantic security system.

Fair Trade in CSR Strategy of Global Retailers

M. Stefanska, R. Nestorowicz, Magdalena

Stefanska, 2015-02-18 Fair Trade In CSR Strategy of Global Retailers shows how retailers can improve the success of their fair trade strategy. Using Polish market research, the authors analyze the aggressive and detrimental competition between retailers such as Ikea, and Tesco to emphasize the benefits of CSR strategy for stakeholders and society at large.

Stosunki Unii Europejskiej z Chińską Republiką

Ludową w XXI wieku Natalia Anna Fechner, 2016

Jednym z podstawowych zadań państwa, wynikających z Konstytucji Rzeczypospolitej Polskiej, jest zapewnienie swoim obywatelom szeroko rozumianego bezpieczeństwa, jednej z podstawowych potrzeb człowieka (art. 5 Konstytucji RP)1. Również Polska Strategia Bezpieczeństwa Naro-dowego RP z 2007 roku jednoznacznie stwierdza, że Nadrzędnym celem

strategicznym Rzeczypospolitej Polskiej jest zapewnienie korzystnych i bezpiecznych warunków realizacji interesów narodowych poprzez eliminację zewnętrznych i wewnętrznych zagrożeń, redukowanie ryzyka oraz odpo-wiednie oszacowanie podejmowanych wyzwań i umiejętne wykorzystywanie pojawiających się szans². Cel powyższy może być osiągnięty w wyniku stworzenia spójnych przepisów prawnych, doskonalenia działalności i umiejętności wszystkich związanych z bezpieczeństwem państwa podmiotów zarówno państwowych jak i społecznych. Dzisiaj bezpieczeństwo pojmo-wane jest w szerszym zakresie i nie obejmuje tylko kwestii militarnych, ale również kwestie polityczne, gospodarcze, techniczne, ekologiczne, społecz-ne oraz humanitarne. Problematyka bezpieczeństwa państwa i człowieka oraz wszelkich za-grożeń, od dłuższego czasu, szczególnie po ataku terrorystycznym, jaki zo-stał dokonany 11 września 2001 roku w Nowym Jorku i Waszyngtonie oraz w wyniku permanentnych zmian klimatycznych, których jesteśmy naocz-nymi świadkami niemal każdego dnia, jest obiektem zainteresowań i badań empirycznych środowiska naukowego i politycznego nie tylko w Polsce ale i na świecie. Bezpieczeństwo jest bardzo mocno związane zarówno z ży-ciem jak i rozwojem człowieka oraz dziejami państw. Wraz z rozwojem postępu cywilizacyjnego i nowych technologii, wzra-sta poziom i zasięg zagrożeń naturalnych i cywilizacyjnych wywołanych funkcjonowaniem sił naturalnych i działalnością człowieka, przyczyniają-cych się do różnego rodzaju katastrof i awarii technicznych, które zakłócają poczucie bezpieczeństwa. Zagrożenia te mogą występować zarówno w cza-sie pokoju (kryzysu) i wojny.

The Transformative Power of Europe Ireneusz Paweł Karolewski, Monika Sus, 2015-10-14 Das Buch behandelt die Einwirkung der EU auf den polnischen Staat seit dem polnischen EU-Beitritt. Autoren aus Rechts- und Politikwissenschaften analysieren EU-

induzierte Transformationsprozesse, die im Rechtssystem Polens, dem Parteiensystem sowie mehreren Politikfeldern stattfanden. Untersucht werden unter anderem Änderungsprozesse in der polnischen Gerichtsbarkeit, der Interessenvertretung und in den Parteien sowie in mehreren Politikfeldern wie z.B. der Antiterrorpolitik, Klimapolitik, Außenpolitik und Gleichstellungspolitik. Mit Beiträgen von: Ireneusz P. Karolewski, Monika Sus, Robert Grzeszczak, Stanislaw Konopacki, Jolanta Maj, Anna Bachmann, Anna Paczesnika, Agnieszka K. Cianciara, Ewa Wójtowicz, Andzej Ceglarz, Andrzej Ancygier.

Widoczne i niewidoczne Aleksandra

Wagner, 2016-09-15 Transformacja systemu energetycznego to nie tylko zmiany technologiczne, lecz także zmiana wzorów myślenia i praktyk społecznych. Definiowanie wyzwań i problemów polityki energetycznej dokonuje się w komunikacji i choć często przebiega za zamkniętymi drzwiami gabinetów polityków i ekspertów, ma swoje odzwierciedlenie w sferze publicznej, szczególnie w mediach. Czy media stwarzają odbiorcom warunki do deliberacji? W jaki sposób przestrzeń medialna reaguje na postulaty otwierania debaty dla różnych aktorów i stanowisk? Kto w sferze publicznej jest widoczny dla innych? Jak buduje się ową widoczność problemów, pozycji, stanowisk i argumentów? Czy nowe media dają obywatelom szansę na samodzielne włączenie się w debatę o problemach energetycznych? Z przedstawionych analiz wyłania się obraz daleki od dialogicznej przestrzeni poszukującej wieloaspektowego i dojrzałego porozumienia. Wydawać by się więc mogło, że opisywane, tak wyraźne mechanizmy wykluczenia i dominacji będą sprzyjać postrzeganiu owej przestrzeni jako aren, na której ścierają się partykularne interesy i różne perspektywy aktorów. Tocząca się tu walka rzadko jest jednak starciem uzbrojonych w argumenty rzeczników różnych

światów. Do zasadniczej konfrontacji dochodzi raczej przy wejściu, na samej arenie muskuły prężą już tylko najsilniejsi. „Należy podkreślić wagę i aktualność problematyki badawczej poruszonej w niniejszej publikacji, a także sposób zaplanowania i realizacji badań oraz profesjonalizm analiz we wszystkich tekstach zamieszczonych w książce. Jest to w pewnym sensie opracowanie mające w Polsce charakter pionierski”. Z recenzji dr. hab. Mariana Niezgody, prof. UJ

Reshoring of Manufacturing Alessandra Vecchi, 2017-07-10 This book examines key aspects of the increasingly important phenomenon of reshoring – the decision of companies to reverse offshoring by bringing manufacturing back from overseas. The aim is to equip readers with a full understanding of the current extent of reshoring, its drivers, and the associated opportunities and challenges. The impact of governments' economic policies on the location choices of entrepreneurs in an era of globalization is carefully analyzed, drawing on experiences in the United States and Italy, where contrasting encouragement is provided for reshoring decisions. The effect on reshoring of recent developments regarding technology, the environment, and other factors is assessed in depth, and readers will also find close scrutiny of the relationship between reshoring and manufacturing performance. The book will be of interest to all academics, researchers, and practitioners with an interest in the manufacturing industry and will be an excellent teaching aid for a variety of courses in different disciplines at both undergraduate and postgraduate level.

Współczesne Chiny w kontekście stosunków międzynarodowych Joanna Wardęga, 2013-06-02 Od kilku dekad Chiny rosną w siłę na arenie międzynarodowej, będąc ważnym partnerem dla światowych potęg. Co więcej, wydają się zmierzać

ku pozycji największej siły gospodarczej i politycznej świata w XXI stuleciu. To ogromne osiągnięcie dla kraju, który jeszcze do niedawna przeżywał jedną z najpoważniejszych zapaści w swojej historii. Niniejszy tom składa się z tekstów już uznanych młodych polskich badaczy, którzy postawili sobie za cel analizę różnych przejawów aktywności Chin w relacjach międzynarodowych i międzykulturowych. Z całą pewnością aktualna rola i miejsce Chińskiej Republiki Ludowej zarówno w międzynarodowym ładzie ekonomicznym, jak i globalnej polityce zasługują na rzeczową analizę. Choć problematyka Państwa Środka na trwałe zagościła w przekazach publicystycznych i naukowych, także w Polsce, na rynku wciąż wyraźnie brakuje prac profesjonalnie podsumowujących toczący się dyskurs na temat pozycji ChRL, a zarazem oferujących czytelnikowi właściwą perspektywę badawczą i zachowujących dystans do zachodzących procesów. Zbiór tekstów pod redakcją Joanny Wardęgi porusza problematykę niezwykle istotną z punktu widzenia polityki międzynarodowej i kształtujących się relacji w systemie światowym. Jej podjęcie w obecnej sytuacji wydaje się z oczywistych względów uzasadnione. Autorzy projektu wielokrotnie dają dowód tego, że ich artykuły powinny dostarczyć odbiorcom nie tylko ciekawej analizy naukowej, lecz także interesującego materiału o znaczeniu praktycznym. Otrzymaliśmy pracę kompetentną, gruntownie przemyślaną, starannie napisaną, którą dobrze się czyta. Z recenzji prof. dr. hab. Adama W. Jelonka

Reputacja a działania informacyjne organizacji w sytuacjach kryzysowych i determinanty ich wyboru
Waldemar Rydzak, 2011-06-01 Jakie znaczenie dla współczesnych przedsiębiorstw ma ich reputacja i zaufanie do nich? Jak przebiega proces powstawania i rozwoju sytuacji kryzysowej? W jaki sposób organizacje mogą reagować, a w jaki reagują na

sytuacje kryzysowe? Jakie czynniki wpływają na skuteczność działań informacyjnych podejmowanych przez organizacje? Czy doświadczenie sytuacji kryzysowej przez przedsiębiorstwo wpływa na opracowanie przez nią planów działania, w tym komunikowania się z otoczeniem? Czy firmy, które mają i stosują plany działania, w tym plany komunikowania się z interesariuszami, skuteczniej ograniczają negatywne skutki sytuacji kryzysowych aniżeli organizacje, które takich planów nie mają?

Core-periphery Relations in the European Union

José M. Magone, Brigid Laffan, Christian Schweiger, 2016-02-26 Successive Enlargements to the European Union membership have transformed it into an economically, politically and culturally heterogeneous body with distinct vulnerabilities in its multi-level governance. This book analyses core-periphery relations to highlight the growing cleavage, and potential conflict, between the core and peripheral member-states of the Union in the face of the devastating consequences of Eurozone crisis. Taking a comparative and theoretical approach and using a variety of case studies, it examines how the crisis has both exacerbated tensions in centre-periphery relations within and outside the Eurozone, and how the European Union's economic and political status is declining globally. This text will be of key interest to students and scholars of European Union studies, European integration, political economy, public policy, and comparative politics.

When people should go to the books stores, search instigation by shop, shelf by shelf, it is in reality problematic. This is why we offer the ebook compilations in this website. It will very ease you to look guide **Wyborczabiz 20** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you goal to download and install the Wyborczabiz 20, it is agreed simple then, past currently we extend the partner to purchase and make bargains to download and install Wyborczabiz 20 in view of that simple!

we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Wyborczabiz 20 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform

Wyborczabiz 20 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way

demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information

within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Wyborczabiz 20 PDF books and manuals is convenient and cost-

effective, it is vital to respect copyright laws and intellectual property rights.

Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Wyborczabiz 20 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the

advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Wyborczabiz 20 Books

1. Where can I buy Wyborczabiz 20 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper,

- lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Wyborczabiz 20 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
- Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
- Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Wyborczabiz 20 books? Storage: Keep them away from direct sunlight and in a dry environment.
- Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
- Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.
- Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
- Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Wyborczabiz 20 audiobooks, and where can I find them? Audiobooks:

- Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Wyborczabiz 20 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.

restauration 1815 1830
la restauration est la
période de l'histoire
française consistant en
un retour à la
souveraineté monarchique
exercée dans le cadre d'
une monarchie limitée
par la charte de 1814
sous les règnes de Louis
XVII et Charles X
frères de Louis XVI on
distingue 3 périodes
