The Xiamen Academy of International Law

Coming Home to a Foreign Country Soon Keong Ong, 2021-08-15 Ong Soon Keong explores the unique position of the treaty port Xiamen (Amoy) within the China-Southeast Asia migrant circuit and examines its role in the creation of Chinese diasporas. *Coming Home to a Foreign Country* addresses how migration affected those who moved out of China and later returned to participate in the city's economic revitalization, educational advancement, and urban reconstruction. Ong shows how the mobility of overseas Chinese allowed them to shape their personal and community identities for pragmatic and political gains. This resulted in migrants who returned with new money, knowledge, and visions acquired abroad, which changed the landscape of their homeland and the lives of those who stayed. Placing late Qing and Republican China in a transnational context, *Coming Home to a Foreign Country* explores the multilayered social and cultural interactions between China and Southeast Asia. Ong investigates the role of Xiamen in the creation of a China-Southeast Asia migrant circuit; the activities of aspiring and returned migrants in Xiamen; the accumulation and manipulation of multiple identities by Southeast Asian Chinese as political conditions changed; and the motivations behind the return of Southeast Asian Chinese and their continual involvement in mainland Chinese affairs. For Chinese migrants, Ong argues, the idea of home was something consciously constructed. Ong complicates familiar narratives of Chinese history to show how the emigration and return of overseas Chinese helped transform Xiamen from a marginal trading outpost at the edge of the Chinese empire to a modern, prosperous city and one of the most important migration hubs by the 1930s.

This travel guide is up to date with the latest developments of the city as of 2017. We hope you let this pocket book be part of yet another fun Xiamen adventure :)

Protestantism in Xiamen Chris White, 2018-08-02
This interdisciplinary volume represents the first comprehensive English-language analysis of the development of Protestant Christianity in Xiamen from the nineteenth century to the present. This important regional study is particularly revealing due to the unbroken history of Sino-Christian interactions in Xiamen and the extensive ties that its churches have maintained with global missions and overseas Chinese Christians. Its authors draw upon a wide range of foreign missionary and Chinese official archives, local Xiamen church publications, and fieldwork data to historicize the Protestant experience in the region. Further, the local Christians' stories demonstrate a form of sociocultural, religious and political imagination that puts into question the Euro-American model of Christendom and the Chinese Communist-controlled Three-Self Patriotic Movement. It addresses the localization of Christianity, the reinvention of local Chinese Protestant identity and heritage, and the Protestants' engagement with the society at large. The empirical findings and analytical insights of this collection will appeal to scholars of religion, sociology and Chinese history.

Travel Like a Local - Map of Xiamen (Black and White Edition): The Most Essential Xiamen (China) Travel Map for Every Adventure Maxwell

Fox, 2019-01-13 Get Ready For The Adventure Of A Lifetime! This is a Black and White edition of Travel Like a Local map book. Are you planning your next vacation abroad and you're ready to explore? So what are you waiting for? Pack your bags, get your Xiamen (China) map and let's get started! Just Click Add To Cart Now

Negotiating the Christian Past in China Jifeng Liu, 2022-06-16 At the turn of the twenty-first century, Xiamen's pursuit of World Heritage Site designation from UNESCO stimulated considerable interest in the city's Christian past. History enthusiasts, both Christian and non-Christian, devoted themselves to reinterpreting the legacy of missionaries and challenged official narratives of Christianity's troubled associations with Western imperialism. In this book, Jifeng Liu documents the tension that has inevitably emerged between the established official history and these popular efforts. This volume elucidates the ways in which Christianity has become an integral part of

Xiamen, a Chinese city profoundly influenced by Western missionaries. Drawing on extensive interviews, locally produced histories, and observations of historical celebrations, Liu provides an intimate portrait of the people who navigate ideological issues to reconstruct a Christian past, reproduce religious histories, and redefine local power structures in the shadow of the state. Liu makes a compelling argument that a Christian past is being constructed that combines official frameworks, unofficial practices, and nostalgia into social memory, a realm of dynamic negotiation that is neither dominated by the authoritarian state nor characterized by popular resistance. In this way, *Negotiating the Christian Past in China* illustrates the complexities of memory and missions in shaping the city's cultural landscape, church-state dynamics, and global aspirations. This groundbreaking study assumes a perspective of globalization and localization, in both the past and the present, to better understand Chinese Christianity in a local, national, and global context. It will be welcomed by scholars of religious studies and world Christianity, and by those interested in the church-state relationship in China.

Xiamen Special Economic Zone Brian Brogan, 1988

China's One-Child Policy and Multiple Caregiving

Esther Goh, 2011-05-18 This book explores the effects of China's one child policy on modern Chinese families. It is widely thought that such a policy has contributed to the creation of a generation of little emperors or little suns spoiled by their parents and by the grandparents who have been recruited to care for the child while the middle generation goes off to work. Investigating what life is really like with three generations in close quarters and using urban Xiamen as a backdrop, the author shows how viewing the grandparents and parents as engaged in an

intergenerational parenting coalition allows for a more dynamic understanding of both the pleasures and conflicts within adult relationships, particularly when they are centred around raising a child. Based on both survey data and ethnographic fieldwork, the book also makes it clear that parenting is only half the story. The children, of course, are the other. Moreover, these children not only have agency, but constantly put it to work as a way to displace the burden of expectations and steady attention that comes with being an only child in contemporary urban China. These 'lone tacticians', as Goh calls them, are not having an easy time and not all are living like spoiled children. The reality is far more challenging for all three generations. The book will be of interest to those in family studies, education, psychology, sociology, Asian Studies, and social work.

of yet another fun Xiamen adventure :)

China's Industrial Reform and Open-door Policy 1980-1997: A Case Study from Xiamen Qi

Luo, 2017-09-08 This title was first published in 2001. The 1980s and 1990s were not only a period in which many developing countries adopted a series of major economic policy reforms, but also an era in which all socialist countries undertook varying degrees of radical reforms in their Soviet-style central-planning economic management systems. This volume examines the performance of China's industrial reform and open-door policy during the period of 1980-1997 through conducting a case study on one of its Special Economic Zones (SEZs), Xiamen. It adopts an analytical approach - examining Xiamen's performance from the perspective of three important interactions: between the country's general economic reform policies and the Special Policy implemented in the SEZs; between the Xiamen SEZ and the vast Chinese hinterland; and between foreign (especially Taiwanese) direct investment and local industrial transformation.

Hangzhou Suzhou Xiamen Derrick Fludd, 2016-04-22

Trade and Society Ng Chin-keong, 2014-11-28 The book examines the social and economic changes in south Fukien (Fujian) on the southeast coast of China during late imperial times. Faced with land shortages and overpopulation, the rural population of south Fukien turned to the sea in search of fresh opportunities to secure a livelihood. With the tacit support of local officials and the scholar gentry, the merchants played the pivotal role in long-distance trade, and the commercial networks they established spanned the entire China coast, making the port city of Amoy (Xiamen) a major centre for maritime trade. In the work, the author discusses four interrelated spheres of activity, namely, the traditional rural sector, the port cities, the coastal trade and the overseas trade links. He argues that the creative use of clan organizations was key to the growth of the Amoy network along the coast as well as overseas.

Xiamen Introduction

In this digital age, the convenience of accessing information at our

fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.

Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or

browse through different categories. Another reliable platform for downloading Xiamen free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations

covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Xiamen free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific

topic. While downloading Xiamen free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Xiamen. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Xiamen any PDF files. With these

platforms, the world of PDF downloads is just a click away.

FAQs About Xiamen Books

1. Where can I buy Xiamen books?
Bookstores:
Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
Online Retailers:
Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
